O, the worshipers of Allah,
bowing to Him
Come and let pray to Him
for true theme
For explanation and extract
of His divine knowledge.
It is the best and final way
to get acknowledged
And do hope that He may
give you that light
As knowledge should be understood
by His insight.
Introducing that particular highness
of that meaning
Even the words and its interpretation
have not in thinking

”خداوند کے حضور جھکنے والو !
آؤ، اس کے علم کی تشریح اسی
سے مانگیں۔ ممکن ہے کہ وہ تمہیں
اس کی روح سے متعارف کرا دے،
جہاں پر کہ الفاظ اور ان کے معانی
کا گزرتک بھی نہیں۔“

— محمد صادق

یہ اقوال صادق انسانوں کو اُن کے پہچان
عطا کرتے ہیں، اسی طرح جیسے ذہیرے انسانوں
کو سوال و جواب سے پرکھا جاتا ہے، جتنے اقوال
کسی پر وارد ہوں گے وہی اس کے رُوحانی
حالت کا مظہر ہیں، اور جو اس کے سمجھ میں
آئیں گے وہ اس کے دانائی کے علامتے ہونگے۔

بالو صابو - بندر روڈ - لاہور، پاکستان

اس کرۂ ارض پر کروڑوں حیوان اور درندے انسانوں کی
صورت میں ملتے ہیں۔

Although the Almighty Allah has created
every nature fine.

And on this earth human creature made
really superfine.

But the human being of today has no
more as good specimen.

Billions of animals and beasts are found
in the shape of human

ہر جاندار کی رُوح ایک ستارے سے متعلق ہے۔

The vast sky is crowded with multi-thousand galaxies.

Every galaxy is full of planets, moons, stars and fantasies.

Skies are well-related with the earth creatures, near or far.

The soul of every living has a link to a particular star.

اگر کوئی آنکھ مکمل کائنات کا نظارہ کر سکے تو یہ بھی انسانی صورت
میں دکھائی دے گی۔

The whole universe full of huge
creatures of great variety.

All the stars and galaxy, moon and
planets make society.

If an eye full of all visionary senses see
nothing to escape.

The whole universe will be seen in form
of human shape.

انسان وجودِ کُل میں اس طرح موجود ہے جیسے مادہ تولید کا کوئی
جز ثومہ انسانی جسم میں۔

The fantastic universe is comprising
several worlds.

And all these worlds are as full of
life herald.

Human being is existing in the universe
alive and active.

Just as a healthy cell dwelling in human
semen well productive.

انسانی خیال، خیالِ کل کا مد و جزر ہے۔

With beginning of universe, human
foundation was brought.

All other necessities and luxuries were
provided as aught.

The human thought is reflective
vibration of total thought.

This is why the creator and human
being nearer brought

اگر روحانی مشاہدہ یکساں ہوتا تو مذاہب میں اختلاف نہ ہوتا۔

The capacity of spiritual vision varies
from man to man.

On this divine focus, the criteria grades
the spiritual span.

If the frequency of spiritual observation
be equal in quality

There would be no religious sects and
schools differing in variety.

کائنات کی تسخیر خیال کی رفتار کے پیمانے سے ممکن ہوگی
 روشنی کا پیمانہ تبدیل ہو جائے گا۔

Human thought has fastest velocity
 of revealing.

The units of time, distance, medium
 have no appealing.

The discovery of this universe will be
 measured by speed of thought.

The formal scale of light will be
 discarded as naught.

صبر، سخاوت، محبت اور خلق روحانی کیفیت کے اظہار کے
نام ہیں۔

There are specific qualities for human
noble nature.

To the all creatures of God,

this is an essential feature.

Patience and tolerance, love and
affection, courtesy and generosity.

These all are expressive aspects of
spiritual faculty

عمل خیال کے بغیر ناممکن ہے اس لئے اصلاح خیالات
کی ہونی چاہئے۔

Without an idea or planning,
construction is not stable.

Before every good decision, firstly a plot
comes on table.

Action without the format of thought is
out of impossibility.

So stress should be given to the
thought's quality.

قرآن مجید کے اسماء کے معانی الفاظ سے ممکن نہیں۔

Allah has sublime characteristics and numerous glories.

Every moment he opens a new series of beneficiaries.

The holy names of Allah in Holy Quran as are inscribed.

Mere through words, they never can be better described.

ہر دقیق اور پیچیدہ شے کا تصور جاہل کو آسان اور سہانا لگتا ہے۔

See the distant things, they often
seem small.

But going near to nearer, the reality is
clear to all.

A raw and illeterate person, entangles
in issues being crazy.

He imagines every hard problem and
takes them easy.

جب وجودِ کل اور شعورِ کل کی توحید نصیب ہوتی ہے تو معجزہ اور
کرامت سمجھ میں آ جاتی ہے۔

The universe though made of different
world is one and unique.

Hence the wisdom is a sole unit proved
by all testamental antique.

When the total whole and the
total wisdom both witness one-ness

Then one can understand well the
philosophy of miracles.

نہ جانے انسان یہ تسلیم نہ کرنے پر کیوں اڑا ہوا ہے کہ شعورِ انسانی
کائنات کے حوالے سے ہمیشہ ناچختہ اور نابلدہ ہی رہے گا؟

For million years man is trying to search
the universe.

By every year seems that he is going
back adverse.

Why not human being is going to
believe the reality.

That human wisdom, about the universe,
will always back uncertainty.

جزوی جسم کے حوالے سے انسان کبھی بھی موت پر قابو
 نہیں پاسکے گا۔

Every century the medical science
 strives it best.

To give longer life to body which neither
 restore nor rest.

Human being can never control over
 physical death.

And soul is ever free and living, facing
 no final end.

خدا کو توحید کی آنکھ ہی دیکھ سکتی ہے۔

Only the monotheist eye can see God's
Holy vision.

One who believes in one, sole lord,
denies division.

His nature is unified. He is one, great
and strong.

Those who raise the slogan of one-
ness, may live long.

حقیقت کو پا کر بیان کرنا بڑا ہی کٹھن مرحلہ ہے۔

To seek, find and ponder the reality
and light.

Is a high expedition and hard task
of sight.

To describe reality is hard, difficult
and impossible.

It cannot be explained, not to be felt
and mentionable.

حقیقت کے بارے میں انسانی نظریات بدلتے ہی رہیں گے مگر
توحید ازل سے اب تک یکساں ہے اور یکساں ہی رہے گی۔

Some people discover and claim, the
other criticise and reject.

Again science farmulate the rules, the
scholars twice defect.

The human theories will always be
changing about reality.

But reality is true, constant
and uniform since eternity.

جوشے عام ہو جائے خواص اس کو ترک کر دیتے ہیں۔

Human nature likes variety, changes,
novelty and innovation.

Every thing alters, betters, improves
with fresh moderation.

New fashion comes, well-liked and is
changed step by step.

When a style becomes popular, the
gentry gives it up.

نیکی اور بدی کی پہچان انسانی ذہن کی تفریق ہے اور دو انسانوں
کی عقل یکساں نہیں ہوتی۔

If one proposes a suggestion, the other
has its substitute.

One's opinion is not a rule, and it can
never constitute.

The recognition of virtue and vices is
mere human differentiation.

No two persons carry equal and wisdom
for critical appreciation.

ارتقائے جسمانی ارتقائی روحانی کی مخالف سمت میں جاتا ہے۔

Human desires are world related, they
are entire materially.

The soul inspires highly delicate, decent
and spiritually.

The physical development goes
opposite to spiritual progress.

Their paths are different, body takes
ages, soul performs by express.

خیال کی درستی ہی سے عمل کی درستی ممکن ہے۔

Devil is fast enemy but it is hard to
recognise well.

In several disguises it plans to enter in
human dwell.

Satan betrays and bluffs through worldly
means of greed.

He wants to get sympathy and
friendship, approaches to succeed.

ماضی، حال اور مستقبل کو جوڑنے والی پگڈنڈی کا نام عمر ہے۔

Age measures the time in years, mere
passed in sorrow.

But age lives in today, memorises
yesterday and think tomorrow.

The link-line which makes the chain of
time tense.

Like past, present and future is called
"age" in easy sentence.

70723

جب انسان ماضی اور مستقبل سے نجات پالیتا ہے تو حال رہ
جاتا ہے جو فنا سے مبرا ہے۔

Past ventures irritate the memory with
great grief.

The future is the hopeful fancy but
hollow of relief.

When human being gets freedom from
past and future

The present detains with fresh,
pleasance and fine feature.

خوشی نہ بانٹنے سے عذاب بن جاتی ہے۔

Human nature has many options, either
generosity or greed

On the long-run the greedy is spoiled,
the generous may succeed.

If one is courteous and generous, he is
happy, fine and well.

If pleasures are not distributed they
carry to the hell.

جلال کی حالت میں بندگی ممکن نہیں۔

Human nature analyses better about
human behaviour mood

Happiness delights its soul considering it
as spiritual food.

All the prophets, saints and guides
advise better and tell

In the state of anger, worship is
not appreciated well.

روح پانی پر فریفتہ ہے اور یہ رشتہ کروڑوں، اربوں
سالوں پر محیط ہے۔

The world is largely occupied by rivers,
seas and oceans.

And soul seems to rule over with all
governing nations.

Soul is lover and fond of water
considering its necessity.

And the relation of soul and water is
since eternity.

حواسِ خمسہ سے رُوح اور نفس دونوں جھانک سکتے ہیں مگر جب
روح جھانکتی ہے تو کائنات بہشت دکھائی دیتی ہے۔

Nature has gifted human body with a
sensitive faculty.

What eyes cannot see, the soul insights
that with difficulty.

Bth soul and self peep well through the
sensory unit

And when soul sees, the universe
seems heaven to it.

کچھ خیالات کے ظہور میں آنے سے پیشتر ان کی ماہیت کو جانتے
ہیں اور بعض ان کو بدلنے کی قدرت بھی رکھتے ہیں۔

Man's emerging mind is itself a world
of mystery.

A series of ideas come and become
thought in mind factory.

Some people can forecast the thoughts
before are proven

And a few can have faculty to change
them even.

حُسن مختلف حالتوں میں ہر جگہ یکساں ہے۔

Beauty has its own laws, mood, effect
and influence.

It has its balance, proportion and
intensity reference.

It is present every where, to all
the nature it intimates

Beauty remains equal and constant in
all states.

عطا سابقہ اعمال ہی کا انعام ہے۔

Every question has its answer with
equal force of reference.

If we sow the flower seed, the plant
brings fragrance

The vice gets punished, and the virtue
secures appreciation

The blessing granted is the prize of all
previous actions.

کسی کے خیال کو بدلنے کی قدرت اسی وقت میسر آتی ہے
جب کوئی اصل خیال ہی کو جان لے۔

A thought to one's mind is
worth considerable

How other can change it without a
logic remarkable.

The ability to change the thought
is an art really

But it needs first to know one's
thought origionally.

رُوح جسم کے بغیر بھی خوشبو، رنگ اور راگ سے مسرور ہوتی

ہے۔

Soul has its delicacy fine fragrance
and decence.

Actually soul is the centre apex of
spiritual excellence.

Even without the physical body confined
in any residence.

It is mystified with colour lyric, music
and fragrance.

خیال نے بے خیالی سے جنم لیا اور پھر اسی بے خیالی میں جانے
کے لئے بے قرار ہے۔

If a strange trend of progress, instead of
going forward

Unknowingly the reverse journey is
taking to the backward

From the womb of thoughtless, the
thought is finely produced

And again it tends to go, back to the
source introduced.

روح کا جمادات، نباتات اور حیوانات تک سے تعلق ہے اور ہر
ایک کی زبان سے متعارف ہے۔

Soul is the essence of all the types of
various creature.

It cause to flourish, nourish, and colours
their feature.

Soul has direct deal with all the objects
strong and weak

All the skies and hills, plants and
flowers, animal and beast speak.

شیطان دنیاوی لالچ دے کر انسانی قرب حاصل کرتا ہے۔

Satan tempts human beings
and persuades to attain.
All the wordly pleasures
and lustful material gain.
With all his designs,
crafts and attraction.
Just to realise his sincerity
and to get close affiliation.

الہامی کتابوں میں تضاد صرف ازلی اندھوں کو نظر آتا ہے۔
کیونکہ وہ پیغمبروں کو اپنے آپ پر گمان کرتے ہیں۔

One should be careful, eyeful
and having pure look.
To read, study and understand
every divine book.
Only the blinds of wit criticise
for the difference sought.
As they take themselves in that
highness of messenger's thought.

خدا کا فضل تاریک راتوں کو روشن آنکھ سے منور کر دیتا ہے۔

God is source of love, light, faith
and divinity.

He embellishes heart and mind with
spiritual certainty.

He bestows bounties and showers
blessing from divine sky

The grace of God illuminates the
darkness with his bright eye.

اشیاء تبدیل ہوتے ہوتے پھر اپنی اصل حالت میں آجائیں
گی اس لئے ارتقاء صرف درمیانی حالت کا نام ہے۔

Every moment, the things are changing
their medium and forms

And this frequent changes have
particular aspects and uniforms.

Every thing will divert into again its
original fate.

So the progressive development is
actually the medial state.

روحانیت عطائی ہے، اختیاری نہیں اس لئے روحانیت کے
متلاشیوں کے لئے کوشش عبث ہے۔

Divinity is God's great gift and
graceful blessing.

It refines the soul and prepares for
vision through processing.

Divinity is granted and bestowed, not is
option to attain

The seekers of divine—gain are trying
hard in vain.

بدخواہ کی صحبت سے خدا محفوظ رکھے۔

Praying good for others, and wishing better is fine.

While thinking ill is pessimistic and it causes decline.

God begets their love, bounty and grace for well-wishers.

May God save us from the company of ill-wishers.

حقیقت سے ہمکنار ہو کر انحراف کرنے والا شاید ہی
دوبارہ اس کو پاسکے۔

To ponder the reality is an ability full
of senses.

This is a great adventure requiring
spiritual references.

One who once embraces reality, and
happens to deviate

Will perhaps never to find and ever
to depreciate.

جب خدا ہر شے پر قادر ہے تو پھر تو کیا کرتا پھر رہا ہے۔

Allah is greatest, emperor of power
and potential.

He creates what is vital, and perishes
what is not essential.

When Almighty Allah is omnipotent and
dominating well.

Then no supposing, no disposing, what a
man to do and tell.

ظاہری حواس خمسہ سے دکھائی دینے والی چیز حقیقت
 نظر آتی ہے۔ دیکھنے اور نتیجہ اخذ کرنے والا آلہ حقیقت
 ہے یا نہیں۔ یہ کون بتائے؟

The physical eyes can see external and
 of only appearing.

While the insight vision can judge the
 reality bearing

The things seem real through the eyes
 of physical senses.

Is the scale of seeing and deriving
 called really, who consensus?

جہانوں کو پانے اور پرکھنے کے ذرائع مختلف ہیں اس لئے
ایک کی حقیقت دوسرے کا وہم ہے۔

Every world of this universe is vast
and peculiar.

They all are strange and new although
seem familiar.

The source means of discovering the
worlds are different

So the fact of one world is the other's
fiction flert.

خدا کو پایا جاتا ہے۔ جانا نہیں جاتا۔

God has high nature, mysterious, great
and super.

His glories are numerous, with qualities
above and upper.

He can be felt, by His characteristics
through time and tone

He can be found, but not be understood
neither known.

وقت کو مشین سے خلط ملط کر دیا گیا ہے۔ دراصل وقت تو
مشاہدے کی حقیقت ہے۔

Time is tide of soul, a visionary glimpse
as a whole.

It does not deal with week and day,
nor monthly role

Time is roughly complicated by the
mechanic device.

Time is actually, observation reality, so
delicate and nice.

خیال نے مجھے اور تجھے ظہور بخشا مگر میں اور تو سے بالا رہا۔

The thought is existed first, then other
creatures exist.

Through several processes the nature
flourishes in eternal list.

The thought finally caused to create you
and I

And yet it remained better and superior
to us, above and high.

روح ہر صورت کا روپ دھاڑ لیتی ہے مگر پہلی جھلک بھی
برقرار رکھتی ہے۔

Soul has adaptibility, elasticity and
soft trend.

According to divine order, at once, it
expedites to bend.

Although soul adapts every shape, form
and disguise

Yet it detains its first glimpse of
original rise.

روحانی خامشی میں ساز بھی خاموش بجاتا ہے۔

Shout and noise, voice and sound,
hustle and thrill.

Is the recreational stock for physical drill.
While silence is the delicious feed of
divine pleasance.

A voice less music sings the lyric in
spiritual silence.

روح کا مستقبل جسم کا حال ہے اور جسم کا مستقبل روح کا

حال۔

Human body is well-embellished with
variety of faculty

And human soul possesses refined
essence of divinity.

The future of soul is the present of
physical whole

And the future of body is the present
state of soul.

خیر اور شر دونوں عدل کے تابع ہیں۔

Humanity is granted with a range of
options adapting

Good or evil, virtue or vice, accepting
or negating

In all options, a balance is justified
to notice.

Both virtue and vice are administered
by justice.

جب رُوحانی زندگی کا دور آئے گا تو خود مختاری کے مرض کے
 یض رُوحانی شفاخانوں میں پاگلوں کی طرح زیرِ علاج ہوں گے۔

Human being has started to realise
the meditation.

A time is coming, there will be no relief
 in medication.

When the regime of spiritual life is
 to rule and enter

The autonomous patients will be
 hospitalized in spiritual center.

دُنیاوی غم اور خوشی کا رُوح سے وہی تعلق ہے جیسے کسی ڈرامے
فلم کے کردار کا اس کے رول کے ساتھ۔

Human feelings have influence on mind
and heart.

The circumstances and environment may
please or hurt.

The worldly gloom and gaiety has relation
with the soul.

Same as the character of drama or
film's role.

توحید کو کیا کیا معانی پہنائے۔ ان ظاہر پرستوں نے تو شرک
کی پہچان بھی ختم کر دی۔

The oneness of God actually meant for
total unification.

Only the spiritual guide can present
correct interpretation.

Monotheism is explained in strange
transcription and meaning.

The worldly intellects disturbed polytheism
not recognizing.

ایمان خُدا کے فضل ہی سے ممکن ہے۔

The religion reforms human behaviour
and culture.

And moral teachings polish his
ethical nature.

Religion and morality manage to observe
divine face.

True faith is well-attained only by the
God's grace.

شعورِ انسانی عشق کی ضد ہے۔

Wisdom tries to keep the human life on
careful enterprise.

Love leads human feelings and sentiments
to harmonise.

Though heart and mind have independent
forces above.

Wisdom is just opposite to the fine faculty
of love.

جتنی زیادہ دلکش جنت ہوگی اتنا ہی ہیبت ناک دوزخ ہوگا،
 کیونکہ عذاب اور ثواب پھول اور کانٹے ہیں جو کہ ایک ساتھ
 نشوونما پاتے ہیں۔

The more will be the charming of heaven
 full of fancies.

The more horrible will be the hell burning
 the dreadful species.

As the punishing penalty and the rewarding
 prize and pride.

Is like thorn and flower, both growing side
 by side.

لا تعداد نباتاتی رُوحوں سے حیوانی اور بے شمار حیوانی رُوحوں
 سے انسانی رُوح کی تخلیق ہوتی ہے۔

Is this world a circle of creativity
 is even in progress.

And the soul of many types are also in
 changing process.

Animal soul is formed from the numerous
 biological soul.

And from the animal soul, the human soul
 is created to role.

انسان اپنا ہی باطنی عکس آفاق میں دیکھتا ہے۔

The marvellous universe has tremendous types of creature.

Every creature is entitled with object, function and nature.

The best of all is human with faculties fine and well-verse.

Human being sees his own reflection in emerging universe.

یقین ہی سے کُن، فیکون ہوتا ہے۔

Faith is the divine guide for
human refinement.

And belief is bestowed for certainty and
spiritual attainment.

Faith has a force and tendency to let the
things do

And belief gets the things processed and
done them well too.

کروڑوں اربوں سیارے کائنات کے جسم کے مسام ہیں جو کہ
شعورِ کل سے ہمکنار ہے۔

There are uncountable worlds shaping the
huge universe.

Having millions of billions planets as pores,
so enormous.

From the eternity they are revolving in a
regular system.

And this universe in harmonious with the
total wisdom.

واقعات اس دنیا میں آکر متشکل ہوتے ہیں، حالانکہ آسمانوں سے
روشنی کی طرح منتقل ہو رہے ہوتے ہیں۔

This world is dynamic with
constant happening.

Everday numerous incidents and accidents
are occurring.

Events, well designed on sky, are
transcended like the light.

Coming to this world, they are shaping in
material might.

جسم کے حوالے سے کائنات کی تسخیر اس وقت ممکن ہوگی
جب انسان خیالات کی صورت دھار لیں گے۔

In every century science expedites to
conquer the universe.

several thoughts are being materialized to
telemark transverse.

With the physical reference, the universe
will be in capture sought.

Only when the human bodies will dissolve
into thought.

افعال جسم کے ذریعے ظہور میں آتے ہیں حالانکہ خود ان کا منبع
انسانی وجود کے علاوہ ہے۔

The human body has heart and mind, feet
and arms.

They are supported by sensory organs as
pycho-alarms.

Although the actions are consituted by
physical parts.

Yet they are actually controlled by another
force imparts.

شعورِ کُلِّ اسماء کے ذریعے صفات کا اظہار کر رہا ہے۔

The mechanism of divine nature is governing the universe.

And different powers and influences impel to converse.

Through the holy names of Allah and His characteristics.

The wisdom of sole totality is overwhelming the tactics.

ظاہری ترقی باطنی انحطاط ہے۔

The acceleration of one force is
decelerating the other.

If half of world has the day, the other half
is darker.

So if the exterior aspect is progressing
with speed.

The insight element is declining and
depressing indeed.

ذہن اور شعور کے حوالے سے ترقی کرنے والے انسان کو
 ترقی یافتہ بھی ذہن اور شعور ہی کہہ رہا ہے۔ خود ہی ترقی کرنے
 والا خود ہی فیصلہ کرنے والا۔

'Tis a strange logic just out of
 senses generalized.

That mind and wisdom are calling man
 as civilised.

Who is, by dint of mind and wisdom
 is modernised.

The developed one is being judged by him,
 how realised!

موت سے آگاہ اور غافل کے جہان الگ الگ ہیں۔

Death is a universal truth, an eternal reality.

Everyone, sooner or later, has to
face mortality.

A careful world of people, believing on
death, living fearly.

A carefree world, ignoring death, is passing
life lavishly.

واقعات شکل پذیر ہونے سے پیشتر بھی ایک حالت میں موجود ہوتے ہیں اور ظاہری حواسِ خمسہ کو متاثر کرتے ہیں چھٹی حس کی اصطلاح نے یہیں سے جنم لیا ہے۔

Events before their occurring, for their gradual existence.

And keep alarmed to physical senses by their influence.

The silent communication which anticipates the intimation.

Is called the sixth sense, the telepathic indication.

ایک مقام پر موت کو بھی موت آجاتی ہے۔

Although the death is fearing, with a sign to
final end.

All the flowers smile with care for their
mortal trend.

Yet a stage, some people attain through
their strife.

That death itself dies, no mortality to
their life.

نسل در نسل بناوٹی اور مصنوعی بسر کرنے کی وجہ سے زندگی
حقیقی نظر آنے لگے گی۔

Human nature has an instinct of
gradual adaptibility.

With the routine of gradual culture, it
becomes a formality.

The life, with artificial style, passing through
the generations.

Seems real, looked true and original to
the nations.

جس طرح جسمانی قوت کی جگہ ذہنی قوت نے لے لی ہے۔ اسی
 طرح رُوحانی قوت ذہنی قوت پر فوقیت حاصل کر لے گی۔

Just as the mental force is dominating the
 physical power.

And wisdom is winning all the fields of
 mighty tower.

Same as, a time is nearer, when the
 spiritual force

Will surpass the mental power with
 divine source.

دُنیاوی قدروں کا تعین معاشرے کرتے ہیں۔ جیسا معاشرہ ہوگا
وہی ہی اقدار ہوں گی جو کہ کبھی مستقل نہیں ہو سکتیں۔

Human sociology is elastic for ever-
progressive issues.

The societies constitute the worldly norms
and values.

As the social sphere exists, the same
values are constituent.

And all these values prove temporary, not
remain constant.

رُوحانی قدریں کبھی تبدیل نہ ہوں گی۔

Worldly trends are transit, quite timely
and temporary.

Man-made values have no age and base,
mere mandatory.

But the spiritual values are constant
and permanent.

Those values are moral, divine, eternal and
ever-dominant.

دیدارِ خداوندی ظاہری اور باطنی حواسِ دونوں سے آگے ہے۔

The divine vision is the climax of all
worship's essence.

All spiritual saints and books guide for
this excellence.

God's observation is superior, skyline and
above all.

As compared to physical sight and insight
sensory call.

کائنات کے عمل اور رد عمل کی وجہ سے ایک زاویہ پر رہنے والوں کے مقدر یکساں ہوتے ہیں۔

The natural process of universe has
great influence.

Over all the creatures, upon their death
and existence.

Due to the periodical universal action
and reaction.

The natives have equal destiny, dwelling
at the same direction.

حقیقت کا اگر ادراک نہ بھی ہو تو حقیقت پھر بھی موجود ہے
جیسے رنگ کو نہ دیکھنے والا رنگوں کی نفی نہیں کر سکتا۔

Reality stands true as an original treasure.

No matter one can see, scan, screen
or measure.

If one has not sense to observe reality.

It exists there firmly, like colours
have stability.

سائنس نتائج سے ابتدا کو جاننا چاہتی ہے جبکہ رُوح سے نتائج
برآمد ہوتے ہیں۔

Science has reversive sense to analyse
and judge the fact.

It tends to derive initial step from
the given result.

While the soul itself produces conclusion
and sequence.

As it has spiritual sight with the
sharp frequency.

باطنی جو اس رُوح سے منسلک ہیں۔

The physical senses transmit the material communication.

While the spiritual senses receive the divine notation.

These insight vibrations have refined and delicate sensation.

And they are purely related to the souls' transmission.

حُسن معصوم ہوتا ہے۔

Beauty has delicacy, grace, truth and purity.

Beauty is clean, virgin, wearing piety
and sanctity.

Beauty is magic with fine and
fair innocence.

Beauty is mystifying fragrance of
high decence.

باطنی حواس سے عاری افراد خدا، پیغمبروں اور الہامی کتابوں کی
نفی کرتے ہیں۔

People destituted of insight sensory wit.
Have no faith in Almighty Allah even a bit.
Nor they do believe on holy messengers
and their mission.

They acutally cause to negate the
divine revelation.

محرومی سے سخاوت اور بخل دونوں جنم لیتے ہیں مگر سخاوت
روحانی اور بخل دنیاوی فعل ہے۔

The generosity is produced as a reaction
of deprivation.

The penury is a result of dire destitution.
Though both have the same root
of complex.

Yet generosity is spiritual, while penury is
worldly index.

صرف جسم کو ہی اجسام سے واسطہ ہے۔ اس لئے انسان اس
دنیا میں ان کا محتاج ہے۔

This world is body-oriented, physical
and material.

Here physical relations are considered
more real.

This is why, in this mortal world, the
human being.

Is quite dependent and deeply associated
to physical being.

ہر پڑاؤ پر رُوحانیت کی منزل تبدیل ہو جاتی ہے۔ اس لئے
اس کو پانا ناممکن ہے۔

On every sojourn of life, on every stay
of standstill.

The destination of sprititual strife turns
its twirl.

In the transit state, on the frequently
changing role.

On policy of honesty, on gesture
of purity.

سالک کو دوسروں کے احوال سے موازنہ کرنے کی بجائے اپنی
 رُوحانی کیفیت پر نظر رکھنی چاہیے۔

A seeker of truth, for purity and
 light expedition

In stead of comparing others affairs
 and condition.

Should keep an eye open on his
 divine circumstance

For his own spiritual quest and
 faithful performance.

کل کی فکر، آج کی نعمت کو ضائع کر دیتی ہے۔

The solicitous anxiety of
 tomorrow's apprehension
 All coming fears, happenings,
 dangers and tension
 Eat and beat, disturbs, deforms
 and diminishes
 All the blessings of today, the present
 charms and wishes.

رُوحیں اجسام میں متشکل ہو کر صورت دھار لیتی ہیں۔

Souls are different, in nature
and character.

They may be ugly and wicked,
noble and better.

In disguise of bodies,
having their face.

In material form, they quarrel
and embrace.

دنیاوی حاجات کا طالب، رُوحانی ہستیوں کے پاس ڈاکہ زنی کیلئے آتا
 ہے اور مقصد پورا ہونے پر مفروروں کی طرح
 بھاگ کھڑا ہوتا ہے۔

One who runs fast in quest of
 worldly desires

Comes to spiritual dignitaries and
 cleverly inspires

With his deceiving crafts he
 gets benefits.

And then absconds at once as
 he commits.

برکت مقدار اور تعداد کی محتاج نہیں۔

Prosperity does not care number
and quantity.

It looks a flair of well-wishing quality
Through flourishing and thriving day
by day.

Sincerely it opens smiling doors in
graceful way.

بد مزاجی اور اکتاہٹ رُوحانی محرومی کی علامت ہے۔

Rudeness is a symbol of
inferiority complex.

And boredom and fatigue is a sign
to flex

For depriving from the super-
spiritual sense.

These are the symptoms for those
suffering in tense.

ہر شے کے جسم اور رُوح کا ذائقہ ہوتا ہے جو کہ مختلف ہونے
کے باوجود متشابہ لگتا ہے۔

Everything in its body and soul

Has an exclusive taste as a whole.

Though being different in try and test

Seems the same, alike, in

similarity best.

مردہ اجسام یا ان کی تصویر دیکھنے سے مضر روحانی اثرات

پڑتے ہیں۔

Looking a deadbody, its photo or
picture

Has a negative effect for its structure
On heart, eyes and mind, it leaves
A harmful spiritual impression, the
body conceives.

رُوح سے عبادات از خود ادا ہوتی ہیں جبکہ نفس پر عبادت
مسلط کی جاتی ہے۔

Human soul has a noble nature.

Ever inclined to pray as

obeying creature.

While the substance self is insincere

To be compelled for worship with fear.

مجاہدہ نفس کی سزا اور مشاہدہ رُوح کی جزا ہے۔

Striving, struggling and a process
of exertion

Is actually the punishment of
self's temptation.

While the observation, vision
and perception.

Is the reward of spiritual appreciation.

رُوح اور نفس سے انسان اگر یکساں مغلوب ہوتے تو ایک سے
زیادہ رُوحانی سلسلوں کا وجود نہ ہوتا۔

The delicate refined soul and substant
strong self

Both have different scopes of
power shelf.

If human being be conquered by
both equally.

No religious sects be existed, a single
might be wholly.

نفس کو لبھانے والی چیزیں رُوح کو ذلیل اور رسوا دکھائی دیتی ہیں۔

All those in wordly attractions
and tastes.

Alluring the substant self's pirates.

Seem to humiliate, injure and disgrace.

To fine soul's dignity and grace.

موت کی مہر کی جھلک، انسان کے مرنے سے پیشتر ہی اس کے
چہرے پر ثبت ہو جاتی ہے۔

The death has some particular signs
And nature pre-planned
schedule assigns.

So death stamps its impression
on face

When a man is considered as
dying case.

ہر وہ شے جو کسی کو منفرد کر دیتی ہے وہ اس کی اپنی نہیں ہوتی۔

Every special quality and
remarkable capability.

Which makes one unique in
some specialty.

Not one's own, It's a bestowed vitality.

The nature nourishes to establish
the individuality.

اکثر لوگ دوسروں کی ضرورت کے پیش نظر دکھائی دیتے ہیں۔

A majority of people is on the scene.

Well considered for the
necessary mean.

For some particular purpose
they're justified.

Otherwise they are common,
not signified.

بیدار رُوحوں کو عام لوگوں پر غصہ آنے کی بجائے رحم آتا ہے، کیونکہ وہ سب کچھ انجانے میں کر رہے ہوتے ہیں۔

The knowledgeable souls show no rage or anger.

Taking pity on common people, they pray longer.

Knowing that people commit wrong in ignorant routine

They treat affection, advise and preach them to learn.

سائنسی ایجادات نے رُوحانی مسافت کو طویل کر دیا ہے، کیونکہ
موجد کا مقصد رُوحانی نہیں ہوتا۔

The ever progressing
science inventions
Prolonged a distance for
spiritual convention.

As science intends to
prosper materially
Having no concern for
human-groom spiritually.

نفس کو راغب کرنے والی حالتوں میں مبتلا لوگوں سے
خدا کی پناہ مانگنی چاہئے۔

A humble pray for begging

Allah's salvation

As a safe security from

passionate temptation.

And sound saving from the

people indulged

In stimulating the self for the

desires urged.

ازلی محروم کیلئے کوششاں انسانوں کو روحانی گراوٹ اور مایوسی
کے سوا کچھ نہیں ملتا۔

For the born-deprived and ever-empty
misfortune persons

Those who struggle high, pray a lot in
several sessions

Are finally rejected and are
spiritually depreciated.

So as great grace of Lord bestowed
be appreciated.

جو کوتاہ بین، اپنے آپ کو دوسروں کی رائے سے پہچانتے ہیں،
وہ کبھی خود شناسی حاصل نہیں کر سکتے۔

Those short-sighted people having
low mind

Who recognise themselves, realise
and find

Through others' remarks, comments
and opinion.

They never achieve the wit of
self-recognition.

کسی دوسرے کو اپنے گمان پر رکھ کر پرکھنا، حماقت اور
بیوقوفی کی علامت ہے۔

To estimate, weigh others
for assessment

With the self-scale of one's views
and judgement

Is not a proper and standard
measuring tool.

'Tis a mere one's reflection of being fool.

بخیل ازلی محروم ہے۔ خدا اس کی صحبت سے محروم رکھے۔

A miser is an ever-empty and deprived
Lives miserably by hoarding wealth
getting materialized.

May Allah save us by his
useless company.

He is niggard and mean, having a worth
of penny.

نام و نمود کا خواہاں، آخر کار پشیمان ہوتا ہے۔

One who is fond of high name and
false fame.

He displays mere a show causing a
public shame.

It is hollow renown, and an
empty pretence.

Finally gets ashamed with
regretting offense.

خیال ایک جگہ مرتکز رہ کر ظہور میں آجاتا ہے۔ اگر شدت
میں کمی ہوگی تو اگلی نسل میں روپذیر ہوگا۔

A thought becomes an idea
and conception

Through a constant meditation
with concentration.

If some units are due for its maturity
It appears as full in next shift
and gentility.

اکثر دعوت دینے والی نا آشنا صورتیں، مدعو مہمان کے آنے سے بیشتر ہی دستر خوان سمیٹ جاتی ہیں۔

A true heart is simple, innocent and
very sensitive

But the response is often so hurting
and intensive.

Often it happens that some fair faces
attract as decent.

But when attended, fact exposes,
nothing left innocent.

کبھی کبھی کوئی ستارہ ٹوٹ کر کہکشاں میں مدغم ہو کر اس کا
راستہ دکھا جاتا ہے۔

Rarely it occurs, in the sky, a star
in fancy

Explodes with light and runs to unite
in galaxy

With a shining trace of a speedy flash.
It guides its path with bright
twinkling dash.

نفس کی سیرابی روحانی بیداری کی نشانی ہے۔

The saturated and contented self,

demanding no need

Without any thirst, hunger, desire

or greed

Is a sign for the boredom of soul.

It expresses fatigue, and slows us in role.

نفس نعمت سے غرور اور روح بجز اختیار کرتی ہے۔

When the substant self gets satisfied
 It expresses pride and vanity falsified.
 But when the soul is bestowed
 with blessing,
 It bows in thanks and in meek
 embracing.

فقیروں کے گرد لوگوں کے جھرمٹ نہیں ہوتے۔

The seekers and questants
like concentration.

They are true, contented and simple
in action.

They are not fond of name and fame
in ample.

So there is no gathering of people at
their temple.

راگ، رنگ اور معصوم چہرے عاشق کی روح پر صحت مند
اثرات مرتب کرتے ہیں۔

Sweet music, charming colours and
innocent faces

Have striking aspects of
beautifying emphasis.

These all are the favourite elements
of pleasance

Keeping the lovers' soul in
joyful excellence.

جس دھرتی سے خمیر اٹھتا ہے، اسی کی تاثیر لئے روح جسموں
میں سرایت کئے ہوئے ہوتی ہے۔

That dear motherland, which gives
the birth

Reflects all effects and characteristics of
its earth.

The soul derived from it, is infused
in bodies

Through inheritance goes all moods
and melodies.

کچھ چہروں پر اُن کا باطن، کیڑوں، پرندوں، حیوانوں اور درندوں
کی صورت میں صاف دکھائی دیتا ہے۔

On some human faces, there is
strange impact

As index of their conscience, their
inner effect.

In the shape of dreadful beasts and
insects poison-piled

In the form of ugly birds and
animals wild.

باطن کے ہر خیال کی آفاق میں صورت موجود ہے جو کہ ہم جنس
ہونے کی وجہ سے اس کی طرف راغب ہے۔

There is a certain shape of every
human thought

Of inner conscience, in this
universe sought.

Being inclined, attracted and
really fond

Of getting magnetized by
homogeneous bond.

باطن میں واقعات کو رونما کرنے والی ہستیاں لوگوں کی نگاہ سے
 اوجھل رہتی ہیں۔

Those pious personalities visualizing
 through their insight

All the occurring events, existing black
 and white.

Though clearly they see by their
 inner light.

Yet not are seen by people, remain out
 of sight.

تسلیم و رضا کے مقام پر شکوہ سے نعمت چھن جانے کا
اندیشہ ہوتا ہے۔

Just at the delicate stage of divine
disposal.

One should observe perseverance and
careful proposal.

Otherwise the complaining attitude may
be harming.

And cause to loose the blessing of
divine charming.

کچھ لوگ گمنام گھروں کو لوٹ کر نام پیدا کر لیتے ہیں۔

Some people, by dint of others, climb
up higher.

They exploit the silent persons full of
ability better.

They commit abuse of the hidden
faculties of crown.

And get name and fame while others
remain unknown.

خدا کنبہ پروردرویش سے شیطان کو اکثر دور رکھتا ہے۔

Those pious people, the seekers of love
And light, faith and fate.

And having a responsibility of a family
with members great.

They are worshipping with good scores
of performance.

God keeps satan away and never to
come for disturbance.

نفس اور شیطان کی تعریف کرنے والا خدا کا دشمن ہے۔

Nature has given to human a sense to
adopt the option.

One path goes to God, the other way
leads to dejection.

One who sings songs of Satan and his
substant self

Is indeed enemy of God, and even
insincere to himself.

کچھ چہروں پر حُسن ماہتاب کی مانند جلوہ افروز ہوتا ہے۔

Moon has enlightening grace

Like a glowing beautiful face.

And some faces ablaze like the moon.

So charming that beauty smiles

on fortune.

وقت کی قدر و قیمت نگاہ کرم سے ہی میسر آتی ہے۔

Time is top, time is stair, it causes up
and down.

If time is honoured, in return it gives
respect in town.

But only by a loving ray and
spiritual guide's gesture
One can be wise enough to value the
time better.

خوشنما، نازک اور ملائم جسم رُو حانی بالیدگی سے مالا مال ہوتے
ہیں۔

The bodies which are fine, smooth
and beautiful,

Delicate and dainty, blooming
and bountiful.

They are purified, refined and decent.

Quite fit for divine growth, fertile
and radiant.

ڈارون اور فرائیڈ کے فلسفے رُوح کے حروفِ ابجد کو بھی نہ
چھوسکے۔

Charles Darwin has fame
in Anthropology.

And Sigmund Freud enjoys repute
in Psychology.

But they not even knew the
basic alphabets

Of the fine philosophy of soul and spirit.

عشق سے محروم شیطان کو عقل نے گمراہ کیا اور یہی جنگ اب
وجودوں کے ذریعے ذہن و قلب میں جاری ہے۔

From the first day of birth of humanity.

Wisdom and love are each

others' enemy.

Wisdom deviated Satan, from love

thrown behind.

And initiated a constant tussle between

heart and mind.

دجالى ھيئت كى جھلك و جودوں پر طارى، گھير او كرتى ھونى
محسوس ھور ھى ھے۔

The ugly black shadow and
dreadful traces

Shaded on the bodies, featured on
the faces

Seem to follow, capture and catch

The advent of Dajal, the
jumboo-giant devil's match.

کامل بندہ اور شیطان کی پہچان، خدا کے فضل ہی سے ممکن ہے۔

Only by God's grace and special mercy

And His given divine sense

and clemency

That bright vision is bestowed

to distinguish

Between the enlightened for delight, and

Satan giving anguish.

بیشتر نوازے ہوئے غریب نواز کے مشکور نہیں ہوتے۔

To thank better and to fairly gratify
 Is a civilised gesture good in reply.
 But several are those being
 bestowed after
 Are not grateful to the
 generous benefactor.

جس نے کسی کی نسل کی افزائش کی، اس نے اپنی نسل قربان
 کر دی اور یہی قربانی نسلِ ابراہیمی کی بنیاد بنی۔

He, who brings up other's generation
 Actually scarifies his own generation.
 And this is the true spiritual foundation
 Causing sacramental custom of
 Abraham's generation.

اللہ کا فضل ابلیس کے ہر حربے کو ناکام بنا دیتا ہے۔

Allah is great, the most merciful,
the most magnificent.

He creates and flourishes, and provides
all sufficient.

His grace is glorious, having highest
divine crown.

He defeats satan, and keeps away by
knocking him down.

جب کچھ پودے بغیر بوئے اُگ آتے ہیں تو تو حضرت آدم اور
پیدائش مسیح پر کیوں حیران و ششدر ہوئے بیٹھا ہے۔

Some plants, like wild shrubs,

They are not arranged to plough

Then why you are so stunned to incite
On the birth of Hazrat Adam

بندر سے انسان، جسمانی ارتقاء اور انسان سے بندر روحانی
 انحطاط کا نتیجہ ہے۔

Due to physical refinement in
 progressive span

Monkey has gradually developed
 to Man.

And due to spiritual depreciation
 to disperse

Man is becoming like monkey
 and worse.

مشاہدے اور واردات سے عاری فلسفہ گمراہی ہے۔

All the philosophy is dry and dull.
 Just to misguiding the human skull.
 If is empty of some vision
 and observation.
 If no touch of experiencing the
 divine intuition.

ہر صوفی فلسفی ہوتا ہے مگر ہر فلسفی کا صوفی ہونا ضروری نہیں۔

Mystics preach and practice the science
of soul and spirit.

They train to illuminate the light for
darkness to divert.

All the saints and seekers of light are
men of philosophy.

But all the theoretical philosophers have
no spiritual fancy.

رُوحانی مشاہدہ اعمال کا بیج بن کر اگنا شروع کر دیتا ہے۔

When the light of faith begins to observe
divine scene.

The senses, heart and mind become,
for more illumination, keen.

The spiritual observation becoming a
fertile seed of action.

Starts growing and flourishing to give
flowers of perfection.

وہ زمانہ قریب ہے جب صرف رُوحانی علم ہی علم کہلائے گا۔

That tomorrow is coming again

All the sciences will be in vain.

Only the divine and moral study

Will be essential, must and needy.

لطیف رُوحیں آزاد ہو کر عالم بالا کی طرف لوٹ جاتی ہیں۔

Finally the souls and spirits fly high
 Returning to the climax of divine sky.
 After being fine, light and delicate
 Through hard striving process
 to subjugate.

بڑا اور کھجور کے درخت درویشوں کے مسکن پر اپنے آپ
اُگ آتے ہیں۔

The trees of oak and date.

Both are host and fortunate.

They grow up with volunteer wishes.

In the courtyards of Dervishes.

غضب کے شکار کی رفاقت برباد کر دیتی ہے۔

When nature is harsh in anger.
It perishes the agonized severe.
Beware to be away and astray
From the agony-stricken,
lest you dismay.

کرامت کا بیان صاحبِ کرامت کو زیب نہیں دیتا۔

A holy miracle man should be reserved.

To describe what supernaturally
is observed.

Because of his own greatness
and dignity.

And to gratify better for divine specialty.

ازل سے ابد تک کا سفر نتائج کے اعتبار سے صفر ہے۔

From the first dawn of beginning May
To the last siren of final day,
The total resultant of all the journey
Is net zero, as conclusion, just agony.

انسانی روحوں کے احوال کبھی کبھی دوسری مخلوق کے ذریعہ
 سے بھی ظاہر ہوتے ہیں۔

The climate and condition of
 human souls

Can seldom be estimated from the roles
 Of birds, animals, flowers and trees
 By flying, and barking, fragrance
 and leaves.

شام اور سویرا بھی حسن سے آراستہ ہے۔ دیدہ و زر و حانی
آنکھ درکار ہے۔

The burning noon and cool
moon-lit night.

The day-bright dawn and evening
darkening light.

All are beautiful, glorious and splendid.
But to see them right, a divine
eye is needed.

جلال میں نار اور جمال میں نُور کی تخلیق ہوتی ہے۔

Enraging anger seems like the fire,
 Ablazing and burning in flames higher.
 While the aesthetic moods of beauty
 Creates beams of light gaily and gaiety.

سب سہاروں سے پاک ہو کر ہی خدائی سہارا نصیب ہوتا ہے
جو کہ غیب کے خزانوں میں سے ایک ہے۔

Being only purified, light and quite free
From all the worldly support and decree
Can be attained the God's strong hand
Full of all forces, the great treasure land.

دستِ غیب، کسی سبب کا محتاج نہیں بلکہ وہ تو اس کے آلہ کار کے
طور پر استعمال ہوتا ہے لہذا سبب ذاتی اور سبب صفاتی ہے۔

The unseen helping hand is really great.

Free from banks and sources, above
any secretariat.

He himself is the ultimate
greatest source.

By His holy name, and by His grace
and force.

ذات و صفات کی پہچان خالق و مخلوق کا فرق دکھا کر شرک
سے پاک کر دیتی ہے۔

The divine nature of great Allah has
several features.

First it guides to distinguish the Creator
and creatures.

Then it holifies the heart to sanctify
from polytheism,

For constant showering the love-rays of
divine magnetism.

کفر کسی مذہب کا نام نہیں۔

Antitheism is an arranged ignorance.

'Tis not a religion, a mere negligence

Of all the divine laws, rules

and regulations.

And is far from the light and

spiritual relations.

شر اور خیر رات اور دن کی مانند ہیں۔ ایک کا اثبات
دوسرے کی نفی ہے۔

Good and bad, virtue and vice.

Are like day and night, worst and nice.

If one comes, the other goes away.

The night runs off if dawns the day.

انسانوں کی تعداد میں کثرت کے اسباب میں دیگر مخلوقات
کی موت کا بہت دخل ہے۔

The nature keeps its biological
balance in the world.

Sometimes people die of storm,
sometimes animal or bird.

Among the causes of ever-increasing
rate of human population

is the factor of fast rate of other
creatures' mortification.

معصوم حُسن اور درد بھری آواز رُوحانی عطا ہے اور ان کو بیچنے
والوں کا باطن خنزیر اور گدھے کی شکل اختیار کر لیتا ہے۔

An innocent beauty-blended pathetic
musing voice

Is the great spiritual blessing and
gratifying selection choice.

But those who sell this quality,
are silly much and bad big.

Their inner is ugly adapting the shape of
ass and pig.

بالآخر نفس بھی حق کے سامنے سر جھکائے معافی کا طلب گار
 شرمندہ کھڑا نظر آئے گا۔

At last, on the final Day of Judgement
 The substant human self bowing
 with ashameement,
 Will be in the que pardoning for
 the forgiveness
 Before Allah, the supreme command
 of holiness.

گزری ہوئی زندہ ہستیاں زندوں میں بسیرا کئے ہوئے ہوتی
ہیں۔

All the expired lives, full of alive deeds.

Are not dead, they, are like

flower seeds,

Are dwelling for being grown

and bloomed

In the living people for better groomed.

دنیا داروں کی صحبت سے گریز کرنے والے خلوت کی جلو توں
سے سرشار رہتے ہیں۔

Those who avoid the company of
wordly materialists
Are enjoying the charm, festivity and
celebration gists
In the peaceful solitude and
divine loneliness,
Which is giving the sweet taste
of highness.

کائنات کی لامحدود وسعتیں سرحدوں کی نفی کا
مُنہ بولتا ثبوت ہیں۔

The unlimited expansive worlds
of universe.

Having continuous altitude
of transverse.

Provides a solid proof of
boundariless expansion.

And showing no limitation
as compulsion.

قلبی امراض کا معالج اگر روحانی نہیں تو خود بھی اس کا شکار
ہو کر دم توڑتا ہے۔

The spiritual therapy covers and heals
all the diseases.

Whether they relate to body, or
concerning with soul breezes.

If the physician of cardial disease is not
divine-oriented.

He himself falls in heart problem and
dies there untreated.

بد قسمتی اور بے نصیبی کی انتہاء تو یہ ہے کہ کچھ لوگوں نے
روحانیت کو بھی بیچنا شروع کر دیا ہے۔

How it is pitiable and sorry to say
That even the most sanctitive divine ray
Is also being sold as market commodity.
How low has fallen some
people's mentality!

اگر کوئی قیدی آزادی کا علمبردار بن بیٹھے تو اپنے پیروکاروں کو
بھی مقید بنا دے گا۔

If a prisoner claims to be a leader
Of freedom, independence and liberty
How he can cope with

He will even convert his followers
as prisoners.

نام رکھتے وقت احتیاط برتنا چاہئے کیونکہ ان کے بھی
اثرات ہوتے ہیں۔

Be wise in nominating a call name.
To your children, before, it gets tame.
Every name has its meanings
and impression.

Do not copy others as mere fashion.

کھجور اور بڑ کے درخت ریگستانوں اور بیابانوں کے دلدادہ ہیں۔

Date trees are hard and fady.

Oak trees are big and shady.

Are favourite to barren and desert lands.

One gives diet, the other bows hands.

کچھ لوگ بے قرار اور دکھی رُوحوں سے بھی
سودے بازی کرتے ہیں۔

Some people play ill and bargain.
Even of the souls suffering in pain
They do not have hearts to gail.
They are inhuman, busy to buy
and sale.

جب انسان کائنات کا احاطہ کر لے گا تو پھر یہ بھی آفاق میں ایک سیارہ
 کی مانند دکھائی دے گی، کیونکہ لامحدود کی کوئی حد نہیں ہوتی اور یہ
 سلسلہ کبھی ختم نہ ہوگا۔

When this universe will be conquered
 It will be seen like a planet surrender.
 As the infinity has no limiting trend
 So this continuity will never be end.

آواگون اور اِنَّا لِلّٰهِ وَاِنَّا اِلَيْهِ رَاٰجِعُوْنَ میں فرق وہی ہے جو جسمانی اور
 رُوحانی ارتقاء کے درمیان ہے۔

The only and major differentiating factor
 Between the beliefs of refurbish
 and resurrecter
 Is like the difference between
 physical migration.
 And that of the divine uplift and
 spiritual acceleration.

فضل نے اندھیرے کو چیر کر صبح صادق کو نمودار کر دیا اور رحمت
 نے روشن اجالے کو کالا گھونگٹ پہنا دیا۔ اب رات کو فضل اور دن کو
 رحمت برستی ہے۔

Allah is most Magnificent.

Allah is most Beneficent.

The magnificence has choked
 the darkness

Into the lightful and dawning brightness.

And the beneficence has covered
 the lightful gail.

With a silky and smooth darkening
 black veil.

Now the magnificence bright at
 day light.

And the beneficence showers at
 darkening night.

کلمہ پاک کے بغیر نجات ممکن نہیں۔

The first Holy Psalm.

Full of salvation and calm

Is soul and spiritual peace assurance.

Without faith on it, there is

no disencumbrance.

اے اللہ تیرا لاکھ لاکھ شکر ہے۔

O my great Lord.

For handsome, plentiful accord

Of bestowing the blessings to millions.

I thank thee for billion of billions.

بارہا حواسِ خمسہ سے نکل کر مشاہدہ کرنے کے باوجود لوگ

Of observation, above the senses

All the material activity attains
And the wordly business gains
Are expounded by a

And centred by a

 Full of tragic and sorrow tuning
 The new hymns of freshness charming
 Giving the news of dawn of morning.

Full of caprice and fantasy.

Of inspiring magnetic attraction

And aspiring mystic meditation.

دوسروں کے حقوق پر ڈاکہ زن نفس اصل میں

The substance self being big dacoit
 Robbering the rights of others in riot

 Of self-deceptive disease and fence.

Some persons get fame and earn much repute.

Some leaders become famous due to particular dispute.

Some people are not popular due to their occupation.

And some have recognition opposing to certain profession.

جب نفس اپنی نافرمانی پر نادم ہوگا تو سارے رشتے انسانیت کے
سمندر میں ڈوب جائیں گے۔

When the substant self will cut its

Upon its disobedience and
disloyal linger.

All the intimacies, familiarities
and relations

Will dive and drown in humanity oceans.

پیشرو کا انجام جب عبرت نہیں سکھا سکتا تو سٹیٹانے سے کیا
ہوگا۔

When a leader has an end
So horrible as tragic legend
Having some advice and lesson to get.
If not taken, why to annoy or regret.

کچھ لوگ دوسروں کو مطمئن کرنے کی سعی میں اپنی
 طمانیت کھو بیٹھتے ہیں۔

Some people run fast and try hard
 To satisfy and please others.

During this venture, they often lose.

And their own contentment scatters.

The lives suffering from self deception
 When they rush for minor attraction.
 All the personal matters are exposed.
 And certain secrets are disclosed.

عشق میں بے باکی، بے حیائی کی علامت ہے۔

Love needs manners and
refined attitude.

No discuss or debate, needs
whisper mute.

To talk much aloud and utter high
Is a shameless matter heaving sigh.

کبھی کبھار رُوح اور نفس جسموں کے بغیر بھی دکھائی دیتے ہیں۔

Seldom it happens, rarely it seem

Soul and body are barely seen.

Without their physiques,

And this vision looks clear

and apparent.

ماسوا اللہ ہر کوئی بیگانہ ہے۔

Here, in this mortal world, everything
goes to its trend.

In human society, there is even, no
sincere friend.

Except Allah, the most intimate
and well-wisher.

Every body seems false and selfish,
quite stranger.

شیطان ہر روحانی مشاہدے کی نفی کیلئے وسوسے میں مبتلا کرنے کی
کوشش میں لگا رہتا ہے۔

At every instance of divine acceleration
For the negation of spiritual observation
Satan deviates the seeker
lighting diffusion.
Through series of doubts full of
suspending confusion.

معاشرے نے انسان کو تندوے کی طرح شکنجے میں جکڑ رکھا ہے۔

Its stinging tentacles captured with a

When an art or branch of knowledge.
Becomes advance and hard to judge.
It becomes an essential part of chapter
Which is called mysterious and super.

غائب، ظاہر پر غالب ہے مگر بھروسہ سے محروم اندھے تاریک
زنداں میں روشنی کے منتظر ہیں۔

The invisible sight is dominant
and strong.

For those having a vision sharp
and long.

But blinds of faith are seeking a ray
of vision

From the narrow hole of dark prison.

ازل سے معصوم ہی دیدار کا حقدار ٹھہرایا گیا۔

From the very first Friday

The innocent heart was destined

With the sure right of clear light

Well bright vision of divine kind.

واقعہ پر نظر رکھنے والا اس کی وجہ تسمیہ اور حکمت سے
آگاہ ہو جاتا ہے۔

An observer eye of a certain eve or event
Can see, scan and screen

the concluding result.

Approaching to the depth of how, when
and why.

Such scene can only be photographed by
a wise eye.

رُوح کو نفس پر بھی ترس آتا ہے، حالانکہ نفس بے رحم ہے۔

The soul is kind in its natural instinct.
Basically it does not have any tussle
or conflict.

Soul often takes pity on the substant self
Though the self is pitiless and cruel itself.

رُوحانی کیفیت کا ماخذ قلب ہے جبکہ عقل دماغی ہے اور ہر دو کی
رقابت ازلی ہے۔

Human heart is the source of spiritual state.

While brain has the function of
wisdom relate.

Heart and mind, spiritual domain
and wisdom.

Both are enemy to each other since
eternal kingdom.

روزِ اول ہی سے بے خبری کے عالم میں سرزد لغزش کی سزا
تجویز نہیں کی گئی۔

Allah is merciful, great in

forgiving judgement.

Ignorantly committing an offence has

no punishment.

From the first court of laws and justice

For a guilt, not intended, no penalty notice.

رُوحانی علم کی قدر و قیمت صرف حق کے متلاشیوں پر ہی
 آشکار ہوتی ہے۔

Only upon the hearts of righteous seekers
 The ray of realizing the significance flickers.
 About the need of divine wealth
 and treasure.
 How this spiritual diet is vital for
 purity measure!

نفس اور رُوح کی رغبت جنس میں پنہاں ہے مگر ایک
دوسرے کی ضد ہے۔

A mutual persuasion of substant self
and soul.

Is attracted and centred in sexual role.

Though both of instincts equally
tranquillise further

Yet these are just opposite to each other.

جاندار کی عمر کا تعین وقت کی بجائے رزق سے کیا گیا۔

The total age of all living organisms
Is directly proportion to the
inhering systems.

Of the quantity, quality and style
of subsistence.

And not by the scale of time fence.

رُوح آشنا ہو کر ازل سے ابد تک کے سفر سے آگاہ ہو جاتی ہے۔

As the soul gets matured and refined
It begins to become of the divine kind.
And gets through all the pages inscribed.
About the journey of existance
to exit described.

رشتوں کا تعلق نطفوں کے حوالے سے ہے، حالانکہ روح کی
سرایت کے منبع سے اس کا دور کا بھی واسطہ نہیں۔

The physical relevance is due to
blood relations.

It relates with human semen
proceeding generations.

While the source of soul has
quite difference.

Blood relations has no concern with
soul inference.

ترقی کرتی ہوئی اس دنیا کو جلد ہی اس کے طلسماتی خواب سے
 جگا کر چلے معکوس سے گزارا جائے گا۔

The ever-pogressive world which is
 developing vast

Will soon be awakened from the dream
 hypnotised fast.

And then it will be compelled to pass
 through a process

Of reverse geared adventure designed for
 human success.

رُوح پر کسی ضابطہ کا اطلاق نہیں ہو سکتا۔

Soul is destined with thorough liberty and
eternal freedom.

It enjoys to rule over all world-wide kingdom.
No law and rule, nor restriction
and regulation

Can encircle, control and confine the soul
in resolution.

مخلوقات کی تعداد میں کمی بیشی ناممکن ہے۔ ایک کی تعداد میں
اضافہ دوسرے کی کمی کا باعث بنتا ہے۔

Nature has a balance and
well-planned equilibrium.

No increase in creature, nor decrease
in medium.

If one species ever has some
heavy numbering

The other will be scarce in any event
or thundering.

رُوح اور نفس کی جزا و سزا عوام الناس کو یکساں نظر آتی ہے،
حالانکہ روشنی اور تاریکی کی ضد لئے بیٹھے ہیں۔

Common people often take the body and
the soul

Both are equal in penalty and prize for
their goal.

But in fact, they have difference great
and quite.

Like day and night or as black and white.

رُوح کا جوہر عرفان اور چھلکا اس کا بیان ہے۔

The fragrance and fine extract of
human soul

Is the lightful vision manifolding whole.
And the human body, as souls' cover
and dress.

Is its medium of description better
to express.

رُوحانی مشاہدے سے بھی اصلاح نفس ہوتی ہے۔

There are several modes of
human refinement:

Inheritance, education, culture
and environment.

But the finest of all is the
spiritual observation

That polishes heart and mind with
divine superlative.

رُوحانی ماں باپ کی اصطلاح تقلید پسندوں کی ایجاد ہے حالانکہ
روح ان سب رشتوں سے پاک ہے۔

The strange and man-made term like
"spiritual inheritance".

Is a traditional formality, and is incorrect
in sense.

While the soul is above and super to
such relation.

Its source is divine with duty
of spiritualization.

دُکھوں کی جانب بڑھتا ہوا انسان ترقی کرتا ہوا دکھائی دے
رہا ہے۔

Proceeding towards the black night.

Darkened with worries, glooms
and grieves.

The human seems to achieve
the progress.

Dawn is nearer giving light, he achieves.

گلی سڑی ہڈیوں کے پنجرے میں بند رو حیں تڑپ تڑپ
 کر نڈھال ہو رہی ہیں۔

The souls are crying and shrieking.
 About to die by severe suffocation.
 Imprisoned and locked in smelly cages.
 Of rotton bones in dreadful location.

روحانی آنکھ کی بینائی کے مقابلے میں ظاہری آنکھ کا
دیکھنا ٹٹولنے سے بھی کمتر ہے۔

As compared to the spiritual sight.
Full of fast frequency of light.
The naked eye can't even trace
The shade and shadow following
the base.

جب موت نے ہی زندگی کو آخر سمیٹنا ہے تو اس کو گزارنے
کا ڈھنگ کیوں نہیں سیکھ لیتا۔

Why not to have practice and training
To cope up with mortal life pertaining
The transit, temporary and
limited tenure.

To be collapsed by death sustaining.

کم عقل، غفلت نے تجھے اتنا اندھا کر دیا ہے کہ موت جیسی
حقیقت سے بھی آگاہ نہیں رہنا چاہتا۔

O, silly man, why you grow on blind
By the bewildering flash of bind
That you are forgetting the mortality.
As death, which is utmost and
final reality.

کائناتی عشق کی کشش نے جب رخ تبدیل کر لیا تو یہ زمین
ستارے کی مانند ٹوٹ کر بکھر جائے گی۔

When the magnetising attraction
of universe

Will cause its direction to change
or reverse.

The earth will be broken and finished
Like a star sparked, fallen
and diminished.

اے اللہ تیرے متلاشی نایاب کیوں ہوتے جا رہے ہیں۔

O Allah, my loving light.

Thou are great with certain plight.

Why thy seekers are becoming rare.

They are scarce, praying thy glare.

جب فطرت ہی حق کے قریب ہے تو پھر وہاں ہی لوٹ جانا ہوگا
 جہاں سے ابتداء ہوئی۔

When the nature is nearer
 to universality.

It is wise to honour and accept reality.
 And to go back its primitive initiality
 which is source of all
 producing originality.

مخلوق پر رحم کی انتہاء تو یہ ہے کہ بعض خالق کو ہی جھٹلانے لگے
ہیں۔

Allah is great, the most Merciful.

See the climax of His mercy in full

Beneficence upon His creature.

But, what a strange his people's nature

That due to shameless disgratification

The Creator is being discussed

in negation.

دیده ور کیلئے خدا ہر سو جلوہ افروز ہے۔

For him, having the sense of sight.
 He who has clear vision of light
 Allah is seen as Omnipresent.
 Sceneries and beauties are good
 to present.

نفس کی بھوک پر خدا کی لعنت ہے۔ اس لئے یہ بچھ نہیں سکتی۔

A hateful curse is badly thrown

By Allah, upon the hunger of self's own

Which is much greedy and

thirst creating

Not to satisfy, nor ever saturating.

خدا کے بندوں کے ساتھ بہانے بنانے والے اپنے مکر کا
نوالہ بن جایا کرتے ہیں۔

Those, with cunning dice and
clever toss.

Are cheating and executing the
innocent class.

Of Allah's dear and full of affection,
Are ruined by their own deception.

خدا کی عطا کردہ نعمت سے اس کے دشمن کو تقویت پہنچانے
والا کبھی سلامت نہیں رہ سکتا۔

With the help of God bestowed energy

One who empowers and strengthens

His enemy

Will not survive and gradually

be finished.

Being a worse example, he will

be diminished.

ہجر میں مبتلا رُوحوں کو وصل کی خوشخبری عطا کر۔

We wish and pray

Without any delay.

O Lord of loving union

Give happy news of re-union

To the souls suffering along

From the pain of departing long.

ٹھیسری کی آواز رُوحانی پرواز میں فقیر پرکتے کے بھونکنے
 کے مترادف ہے۔

The wild sparrow has sharp shriek.
 Interrupting true quest and divine seek.
 Just as the foolish dogs bark aloud.
 In the way, when a devoted seeker
 is found.

تسلیم و رضا پر معترض روحوں کو اضطراب کے سوا کچھ نہیں ملتا۔

Those putting objection on
sincere obey.

And criticise the obedience for right way.

They themselves suffer from
spiritual congestion.

With severe anxiety, they lose
their satisfaction.

مبلیس محبوبوں کے مسکن پر بسیرا کرتی ہیں۔

Nightingales have gaiety song.

They are sincere with love strong.

They like to sing and remain living

On the roofs of beloveds' dwelling.

پُر خطر راہوں کے غیر محتاط مسافروں کو راہزن اکثر
 لوٹ لیا کرتے ہیں۔

The thieves and robbers often rob.
 Even in the presence of public mob.
 The passengers of dangerous path
 and way.
 Who travel carelessly and not in array

مقیم، بھٹکے ہوئے راہی سے آسائش و نفع میں ہے۔

Those residing in home and cottage
 Are enjoying well with bag and luggage.
 Far better than the wandering traveller.
 Having no inn, stay and cellar.

فصلے پر نادم و پشیمان رہنے والے اکثر نامراد رہتے ہیں۔

Those suffering in dull conclusion.

Often lose by false illusion.

Regretting and repenting on
their decision.

Are often detain and depress
with confusion.

جب یہ گناہ گار تیرے غضب کی تاب نہیں لاسکتا تو
 اے اللہ معاف کر دے نا۔

O my Allah, the source of blessing.

I pray thee for kind forgiving.

I can't bear your silence longer.

How I, the sinner, shall face thy anger.

مالک! اگر تو بندہ نوازی کر دے تو تیری رحمت کے
بحر بیکراں سے کیا جائے گا؟

O my majestic Emperor.

O my magnificent Master.

Shower on me few drops

of beneficence.

From your divine clouds, what makes

you the difference.

اسرار کا بیان خود نمائی کیلئے منع ہے۔

With Allah, the spiritual communication.

All what is man's special relation

Should be secret as confidential

If it will be for self-exposition.

عجز ہی سے محبوب بزم سراہوتا ہے۔

If you want to win your

loving companion

The beloved may be happy for

constant union.

And for the long-loving conversation

Be meek and adapt humble association.

خون کے واسطے سے منتقل شدہ عادت تبدیل نہیں ہو سکتی۔

Nature has its strange laws.

There are seen no flaws.

No change in habits to next generation.

It is inherited through blood relation.

رُوح بھی خدا کی طرح راز ہی رہے گی۔

The pure soul and divine spirit
Will remain always a mysterious secret.
God is the source of spiritual light.
He is not seen by normal sight.

مرشد کے بغیر روحانی سفر اختیار کرنا خطرے سے خالی نہیں

It is full of dangers to ride
 without the saints as divine guide
 For the journey of spirtual flight
 Otherwise hardship and confusion
 will threaten to fight.

دنیاوی لالچ و خواہشات کی سیرابی ناممکن ہے۔ اس لئے دنیا دار
ہمسفر راہزن کی طرح روحانی سفر میں شریک رہنا چاہتا ہے۔

It is hard to justify
passioning thirst to feed.
And impossible to satisfy
the wordly gain and greed.
So, this is why the material daciot
being a travel-mate
Wants to accompany in spirtual
journey, to turn the fate.

اکثر علم کے شناسا بیان کرنے والے سے صدیوں
بعد نمودار ہوتے ہیں۔

It often happens in history
As a wondering mystery.
The promising scholar appears
After many hundred years.
Of fore-telling tales explained
With same qualities well pertained.

ہر فعل جزا و سزا سے وابستہ ہے، اس کا جسمانی یا روحانی
ہونا الگ باب ہے۔

Every act, action and deed
Has its reward or penalty indeed.
No matter it may relate to struggle
Whether a material strife or a
spiritual tussle.

خدا کے علاوہ اگر تیرا کوئی سنوار نہیں سکا تو بگاڑ کیسے لے گا۔

The great divine lord, is powerful
and strong.

If he is kind and affectionate, your
success is along.

But if besides Allah, none has
garnished you

How can the other one in creature, can
perish you?

سائنس دان اور صوفی میں وہی فرق ہے جو دانا اور اولیاء
میں ہے۔

A scientist is absorbed in
natural objects

While a saint bewilders in
super subjects.

The difference between scientist
and saint is cited.

Same as between intellect and
an enlightened.

ہڈ کی آواز طلسماتی ہے۔

The crowned little bird.

How sweetly heard.

This wood-pecker has such a sound.

A mysterious lyric in musing

magic found.

روحانی مسافرا جنبیوں کی طرح تنہا رہ جایا کرتے ہیں۔

Unlike the worldly crowned courts of
material kings

The huts of divine seekers, unequipped
with food and things.

The pure passengers travelling to
spiritual altitude

Often are left alone, in a quite
silent solitude.

صدق اور یقین سے محروم انسانوں کا روحانی وادیوں
میں داخلہ ممنوع ہے۔

Those empty of faith and sincerity.
And depriving of truth and certainty
Have no way, scope or permit
To march, to advance and to admit
To the lands of spiritual counties.
To the valleys of divine bounties.

اگر غلبہ ہی درکار ہے تو اپنے نفس پر کر۔

Success and victory, achievement
and domination

Are good human ambitions leading
to destination.

If you are crazy to achieve triumph
and conquest.

Try to control you own-self, conquer
through contest.

محبت رُوحوں میں شہد کی مانند شیرینی گھول دیتی ہے۔

Love infuses the tonic of zeal.

Love showers a fine honey to heal.

Love stirs a sweetness to glorify

In spirits, it reacts to mystify.

گرم اور خشک موسم میں نفس کو اذیت پہنچا اور خشکی و بادل
روح کیلئے مختص کر دے۔

In dry season, In heat of summer
Burn and boil your selfish self.
Cool up your soul, bathe it afresh
In spring and rains, on pleasant turf.

تنگدستی کا علاج حاجت روائی میں پنہاں ہے۔

Throw your seeds away in soil

And get new fruit and flowers.

The best way to beat poverty

and distress

Is to be generous, giving charity

in showers.

نفس چونکہ ازلی دھوکہ باز ہے۔ اس لئے خود کو بھی
دھوکا دیئے بغیر نہیں رہ سکتا۔

The human self is cunning to cheat
From the beginning it bites to beat.
So habitual and silly, not to care
Deceives even itself it does not spare.

والدین کی خدمت سے پہلو تہی کرنے والے افراد پر اولاد کی
مشقت مسلط کر دی جاتی ہے۔

Those who avoid to obey and serve.
Their old and ailing parents to deserve.
They have to bear, toil and tolerate
Their own children's disobeying
behaviour late.

تقدیر انسان کو کھٹھ پتلی کی مانند نچاتی ہے۔

Destiny has power and rules as king.

Fate and fortune holds its string

Of man, who like puppet performs

to dance.

On the stage of luck, struggle

and chance.

کالے ناگ سے شہد کی مکھی زہر آلودہ نشے سے شہد کی شیرینی
تک جوگ کا سفر ہے۔

All the ventures from pain to pleasure
Are inter-woven, like duty and leisure.
From the cobra to the busy-bee
From poison draught to honey-drops,
you see.

All are essential ups and downs
For the journey of meditation, strife
and crowns.

نور پر موت کار قص کرنے والے پروانے سے تاریک رات میں
 لبریز چھتے پر قیام پذیر شہد کی مکھی کا ملاپ کیونکر ممکن ہے۔

A honey-bee and a moth

There is difference between the both.

Moth is bold to fly and fight

Busy in dance and dying on light.

While a busy-bee sleeping at night

On honey-comb, full of taste

and delight.

There is, "death-on-light" a game

with dare.

Here is "Joy-at-night" nothing

to compare.

بھدا سیاہ رنگ نفس کی آلودگی کا منہ بولتا ثبوت ہے۔

The black colour and ugly complex
Is a bad and ugly index
Of the ill designs and evil signs
Crafted by the self's polluted lines.

گمراہ نفس دیکھ کر بھی یقین کی دولت سے محروم رہتا ہے۔

For getting the rays of guide, there
should be spiritual eye.

Otherwise to resist and hinder, a wall of
wisdom will try.

The misguided substant self having its
eyes open

Remains deprived of faith, left unlucky
and blind.

رُوحانی قبض کی حالت میں ابلیس سالک کو بیماری کے
وسوسے میں ڈالتا ہے۔

In the spiritual costive conditon
Satan perplexes the seeker
in suspicion.

And confuses him in doubting disease
Entangles in uncertainty tending him
to tease.

غالب (اللہ) سے غافل پر اس کے مغلوب کو مسلط کر دیا جاتا
ہے۔

One who is far, apart and unaware
Of Allah, the majestic dominating chair
Allah confines him in
stern subordination.
Well to control and keeping
in depression.

انفرادی افعال پر تیج و تاب، کل سے بیگانگی کی سزا ہے۔

The severe feelings of disgust
 And irritation anger abreast
 On partial acts and events of
 individual instance
 Is the punishment of the
 total's unaquaintance.

حسن کی عصمت کو تار تار کرنے پر آمادہ نفس دیدار سے کیونکر
فیضیاب ہو سکتا ہے۔

The inclined material self full
of passion

Willing to injure and tear the
virgin complexion

Of the beauty, full of purity
and innocence.

How this self can be enlightened
with fluorescence.

بلاى رنگ ايك مسلك كے فقيروں كى پہچان ہے۔

Hazrat Bilal Habshi, the great
 Was much lucky for exclusive fate.
 His glair was African, with
 dark complexion.
 His followers enjoy this colour
 as recognition.

سائنس کی ساری کاوش گوبر سے دودھ کی تلاش ہے۔

Science is mere a mechanical tool.

It is material and functions as fool.

Having childish approach, science
catches the tail.

About milk, from cows' dung they trace
the detail.

سائنس کے انکشافات ؤ طور سے آگ لانے کے مترادف ہیں۔

Science has no sense of divine sky.

Although it invented rockets to

send high

Yet has no approach to Tur's light.

It mere tries to fetch fire from

that height.

’مقامات‘ کے تقدس کو پائمال کرنے والوں کے جوتے اکثر چوری
 ہو جایا کرتے ہیں۔

Those having no regard of shrines
 They commit, in fact, spiritual crimes.
 Those who dishonour in irreverent way
 The sacred places, they are
 perished away.
 Their shoes are stolen.
 Their caps are thrown.
 Their homes are fallen.
 Their prides are blown.

کچھ الفاظ ادا ہوتے ہی صادر ہو جاتے ہیں۔

Some words are active.

Their meanings are effective.

As soon they are uttered and exposed

Like rule and law they are imposed.

فقر کا رنج نکل جائے تو مصائب ٹل جاتے ہیں۔

As the anger is reduced to cool
 Of a seeker and devotee
 A series of troubles and worries
 Are being disappear with guarantee.

مشکل کشائی پر اس کی مماثل رسم ادا کر دی جاتی ہے۔

For getting comforts, from worries
and pain

Just to have ease and relief to gain.

For omitting the troubles, and wishing
to reduce

For forthcoming of hardships just
to deduce

The best rite, in anticipation benefice
the deserving.

Through gift and charity, for
sound and safe living

نفس بچھو کی مانند اپنے ہی مسکن کو ڈستار ہتا ہے۔

Human self is a foolish champion.

Like a big poisonous scorpion

It remains busy in biting bitter

Even to its own dwelling sitter.

کل کو جز میں دیکھنے کی تمنا نا پختگی کی علامت ہے۔

The desire to see the whole in a part
Is a childish wish of an immature sort.
To observe and glance the glory of total
One should be of high vision having
no circle.

حق کے متلاشیوں کی راہنمائی کا تعین خدائی فعل سے کیا جاتا
ہے۔

God has the sole sovereign authority
Of appointing the guide community
For the lovers and seekers of reality,
Truth, love, light and divinity.

حرارتِ عشق پر مبنی روحانی دھماکے سے تخلیق
کے دھارے بہہ نکلے۔

The universe produced.

Many worlds introduced.

All the creation came into existence

By the wonder miracles and

divine accident

Comprising magnetic attraction

fluxing above.

And by the burning flames of love.

تخلیق کے مماثل مگر متضاد دھماکے سے حشر برپا ہوگا۔

As the initial creation

Was existed by a wonder cast.

Same as, but just opposite

The final collision

Will be accidented by a thunder blast.

روحانی اضطراب سے اٹھتی ہوئی وحشت زلزے کا باعث بن
 کرو جو دم کو عدم میں لے جائے گی۔

The horrible dust and storm
 Of the severe savagery
 Caused by the spiritual anxiety
 Will bring a whirly earthquake.
 To finish, vanish and shake.
 And turn the existence into fake.

بالآخر روح چشموں کی مانند وجودوں سے پھوٹ کر ندی نالوں
 کا روپ دھار کر سمندر میں جا گرے گی۔

At last, after being busy
 The spirit, activating in human cosy
 Will spring out of bodies.
 And like streams and canals
 Passing through several channels.
 Will flow and fall in ocean.
 The source of force and obsession.

کل کو جُز میں بدلنے کا عمل اجزاء کے کل میں سما کر
مکمل ہو جائے گا۔

The process of changing
The whole into arranging
In form of parts and particles,
comprehend a way which encircles
All the parts may get a goal.
Gathering into the sole whole.

رُوحانی طاقت کو مادی تصرف میں لانے کا عمل خدائی غیظ و غضب
کو دعوت دینے کے مترادف ہے۔

The practice of utilising
Spiritual powers and materilising
In foul and false attempts
Is surely a try and call which tempts
God's rage and anger.
Sparing free no longer.

مادی ترقی روحانی انحطاط کا پیش خیمہ ہے۔

The ever running race
The worldly gain and material menace
Is an alarming indication
Of divine and spiritual depreciation.

بُدھا کے روحانی جوہروں کو مادی تصرف میں لا کر جاپانی بڑا ہی
گھناؤنا کھیل کھیل رہے ہیں۔

Buddha had divine treasure
Of religious glair and spiritual sphere.
But alas, the Japanese followers
Are using them in material tricks and
magic powers.

فنا بقاء کیلئے ہے نہ کہ بقاء فنا کیلئے۔

The mortality is a necessity
 For consistent eternity.
 Not the eternal continuity
 Is designed for mortal disparity.

پیغمبر و اولیاء اسرار ہیں، ان کو اپنی حالت پر گماں کرنا
زیاں کاری ہے۔

The prophets, messengers, and
the saints

Are awarded with magesty of
mysterious traits.

It is stupefying to imitate them indeed.

They are fruits, and we are still seed.

جنت و دوزخ حشر رونما ہونے پر ہیرے اور کونٹے
کی مانند نمودار ہونگے۔

On the eve of conclusion spill
On the day of judgements' thrill
Paradise and heaven will shine.
Like ablazing jewels in line
While the hearth of hell will turn
Into flaming coals quickly burn.

قیامت کے بعد آدم پھر تخلیق سے قبل کی حالت میں چلا
جائے گا۔

Like a timely and transit berth

The life is just a stage on earth.

Adam, the great, will retreat his shape.

Humanity shall be back to escape

To the billions of centuries back.

To the primitive original pack.

تخلیقِ آدم، شیطان کی وابستگی سے مشروط ہے۔

Sanctity and sin go side by side.

Adam and Satan play seek and hide.

The creation of Adam and humanity

Is conditional parallel to Satan

and iniquity.

عشق فراق کے سمندروں ہی میں غوطہ زن رہے گا۔

Love will always sustain.

And shall dive and swim, in vain.

In the seas of departing abyss.

And in the clouds of distant skies.

نمود کی آرزو بھی وصل سے ہمکنار نہ کر سکی۔

Even the desire to bloom and blossom
 And new creation to form up winsome
 Brought no scope for mutual union.
 The zest is still due for
 loving companion.

عقل دھواں دھار شعلہ کی مانند ہے۔

Wisdom is as a kindling mark.

And ablaze like a flaming spark.

Although it enlightens the junction cross

But not guiding the right path to pass.

عشق سورج کی شعاعوں کی طرح ہے۔

Love is light with golden line.

And like the rays of sun, brightly shine.

Love enlightens the life, heart and mind.

It illuminates the world with a guest

to find.

زندہ خدا کے ساتھ سانس لینے والی ہستیاں فنا سے دور رہتی ہیں۔

The greatmen and
glittering personalities.
Obeying God, with divine qualities.
They die not and suffer no death.
They live ever with life of truth.

فراق میں ڈوبے ہوؤں نے وصل کی حسرت میں تخلیق کے عمل
سے ماتھے پر کلنک کی سیاہی مل لی۔

The severe sufferers of departing.

With mad thirst of union.

They bonded such a wrong connection.

And disgraced love with false creation.

راتوں کی تاریکیاں تیرا ہی رونا رو رہی ہیں۔

The darkness glooms.

The blackness blooms.

Of all the nights.

Off and out of lights.

In the weeping moan.

Complaining your ignorance alone.

خدا (خود میں) خود بخود نمودار ہو رہا ہے۔

God administers nature.

Exploring a fantastic feature.

The dawn, the blossoming and
the creature.

He is exposing himself, as
open-air adventure.

نفس سے آلودہ جسد کیلئے لحد کفارہ کا کام دیتی ہے۔

For the human body.

Full of passions, thoroughly guilty.

Grave is good suggested penalty.

Where it is burried deep and alone
for infinity.

جسد کی کثافتیں، مزید رد و بدل کیلئے اس جہان میں واپس
لوٹادی جاتی ہیں۔

After death

Though burried in depth

All the physical densive dirts.

Are returned to world for changing curts.

مومن خدا کا نوازا ہوا فرد ہے۔

A pious, believer and holy man
 Is God's blessed, his friend and fan.
 Full of faith and adorned with belief.
 He is bestowed with hearty divine relief.

مخلوق کو خدا پر تعبیر کرنا گمراہی کی علامت ہے۔

A difference lies greater

Between creature and the Creator.

'Tis a deviated and wrong conception

Transcribing God, as his

crafts' perception.

صانع کو مصنوعات سے ملانا حماقت ہے۔

Allah is the sole maker.

He created the whole better

To consider Allah like His produce

Is wrong and confusing to introduce.

مادہ کو رُوح پر قربان کرنا، خوشنودی حق کی دلیل ہے۔

To devote life, heart and mind
To sacrifice material wealth of all kind.
For attaining purely the spiritual light
Is a pleasant proof of Almighty's delight.

تقدیر، یعنی عمل خداوندی کو بدلنے کی باتیں، حکم عدولی کے
 زمرے میں آتی ہیں۔

The talks and tasks exchanged
 For getting the fortune be changed
 Are not worthy to tolerate.
 They go against His grace to relate.

تقدیر پر معترض، تسلیم و رضا کا مدعی کیونکہ ہو سکتا ہے۔

One who denies the luck and fortune
 And has no faith in destiny seek.
 How does he claim submission
 Being obedient and meek.

لپچاتے ہوئے نفس کی سیرابی سراب کی مانند ہوتی ہے۔

The satisfaction and concentration
Of the hungry and greedy passion
Is just a misconceptive diffusion
Like a reflection illusion.

تخلیق کے مقاصد سے عاری انسان نما مخلوق میں نفس بانجھ
 عورت کے موٹاپے کی طرح پھیلتا جا رہا ہے۔

The human-shaped body

Ignorant and unaware of the objectivity

Of this existence and creativity

Is getting fat like the obesity.

Of a woman with absolute infertility.

نفس کی ہوس میں مبتلا جانیں چلچلاتی دھوپ میں پیاسے
 کی طرح سہکتی ہوئی دکھائی دے رہی ہیں۔

The human lives
 Suffering from the animal desire
 Are burning like the dire fire.
 Seem dying and being burst
 With the intensity of passions thirst.

جب نفس روحانی اظہار کو راہ دینے لگے تو نجات کا دروازہ
کھل جاتا ہے۔

As the human self

Begins to guide and say welcome

To the spiritual and divine expression.

The doors of relief and remission

Open for quintessence and disillusion.

رزق اور سرمائے میں بڑا ہی بنیادی فرق ہے۔

There is vast and great difference
Between the capital money
and subsistence.

One is bestowed as divine gift.
The other is gathered as a drift.

جب لوگ اچھائی کی گواہی دینے لگیں تو برائی کا محاسبہ
 آزمائش سے کیا جاتا ہے۔

When people begin to witness
 In favour of piety and goodness
 The accountability of sin and evil
 Can be checked through strife
 and struggle.

آزمائش دو دھاری تلوار کی طرح کاٹتی ہے۔

The tenure of test and transition
 Is really hard, fast and sharp
 Like a sword of double blade.
 Cutting with both sides, if one afraid.

ہر فرد پر زندگی مختلف معانی کا اظہار کر رہی ہے۔

For everyone as individual personality
According to the caliber and mentality
Life is exploring the aspects in variety
Of expression, meanings and objectivity.

جب تو خود سے نا آشنا ہے کسی دوسرے کو کیونکر جان لے گا۔

Until you are well-aware
 Of your own pros-n-cons' flair
 How you may estimate, judge
 and weigh
 Others' attitude, heart and brain's ray.

جب بے صورتی کی جھلک دکھائی دینے لگے تو صورت
پر اسرار ہوتی چلی جاتی ہے۔

Generally a face has attraction having
some appeal.

The impressions speak, one to all the
features reveal.

And when that divine formless flash
is glorious

The whole form and formation
becomes mysterious.

دوسروں کو دکھائی دینے والا اپنی نظروں سے اوچھل رہتا ہے۔

By thousands of others sighted
 Seen, seemed and well-lighted
 Remains hidden to his self and sight
 Out of his own vision, though bright.

دودھ میں پانی ملا کر پکانا مکروہ ہے۔

To mix and add water

In milk, to boil thinner.

Is detested as impure substance.

And quite a foul and odious practice.

موت پر قصاں جانوں کی زندگی سوگ میں مبتلا رہتی ہے۔

When around a source of light at night

A moth flies madly over flame of light.

It finally dies off, dancing on death.

The life of those condoling always seem
in hearth.

سسد كو جلانے كا عمل، جهنم سے گزارنے کے مترادف ہے۔

In burning fire, preparing a tragedy
 The process of burning a dead body
 Is full of pain, pity, ache and swell
 As if passing it through the fires of Hell.

شیطان ہم نشینی کیلئے دوست نما دشمن کا روپ دھارے ارد گرد

منڈلا تارہتا ہے۔

Satan tries to be near

Like a companion, very dear.

As a foe in disguise of friend

Likes to share in every end.

گناہوں کی چھاپ انمٹ سیاہی کی طرح چہروں پر آویزاں رہتی
ہے۔

The impact and impression of the sins
Influences heart and mind, outs and ins.
And like a permanent ink, it traces
Prominent marks on the feature
of faces.

روحانی رقص کی گردش ہمیشہ طواف کی سمت میں جبکہ شیطانی
ناچ اس کی الٹ جانب کو ہوگا۔

The divine dance has

the circumference.

Like the direction of holy pilgrimage.

While the ballet of satan and evil.

Will be opposite as a wicked thrill.

دنیاوی مال و متاع روحانی گزند کے بغیر ممکن نہیں۔

Without divine fall and loss.

And the spiritual decay

and depreciation.

It is not possible to gain and gross.

The worldly profit and material mass.

سالک کو بغیر صدق کے ادا ہونے والے الفاظ کا خمیازہ
بھگتنا پڑتا ہے۔

The seek̄er of truth and light
Has to bear the penalty tight.
For all the words in worship uttered.
Without the sincerity and purity offered.

نفس کی تعمیر کی بنیاد نجاست اور پلیدی پر رکھی گئی ہے۔

The creation of the substance of self
Is founded on the concrete shelf
Of quite impurity and dirtiness
Garbage, filth and nastiness.

خدا کا فضل اپنے متلاشیوں کو چوروں اور رہزنوں سے
محفوظ رکھتا ہے۔

The grand grace of God.

Keeps alert his divine rod.

To protect his dears and his seekers

From thieves, pirates and false leaders.

مارنے والے سے بچانے والا طاقتور ہے۔

The brave saviour who dives
In deep waters and survives.
Is really powerful and great.
Than the killer merely a death mate.

حق کو باطل میں بدلنے میں کوششاں جانوں کی ہلاکت
ان کا مقدر بن چکی ہے۔

The defeat is made confined.

And the death is destined.

For all those trying to convert right
into wrong.

Light into darkness who invert

Through hell and hearth they
suffer long.

اے مالک! آزمائش کی ہمت نہیں اپنی رحیمی اور کریمی کی
چادر میں ڈھانپ لے۔

O, our dear, great Lord.

You know the better and best.

We have no energy and stemna.

For enduring through your hard test.

Please wrap.

In your kind lap

Of your Mercy and Grace.

قبول کرنے والے سائیں

رَبَّنَا اتِنَا فِي الدُّنْيَا حَسَنَةً وَفِي الْآخِرَةِ حَسَنَةً

وَ قِنَا عَذَابَ النَّارِ ۝

کی التجاسن لے۔

O Lord, who listens to respond.
 Our wishes, requests and demand.
 We pray and wish.
 For worldly success and prosperity.
 And all fruits of eternity.
 And save us well.
 From the fires of hell.

لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ رَّسُولُ اللَّهِ ۝

عافیت کے سمندروں کو پار کرنے والا سفینہ ہے۔

The great saviour of oceans.

Of all dangers and cautions.

Is the sole slogan and faith ship.

There is no worthy of worship.

Except Allah---the great.

Muhammad is his messenger---

the favourite.

اے رحیم! رحیم کی پکار سن لے۔

O Merciful.

Listen in full.

Our whispers and cries.

Our tears and tries.

You know and see.

We beg your Mercy.

پُر امید اور مایوس کی گوشہ نشینی میں زمین و آسمان کا فرق ہے۔

A great difference lies.

Like the earth and skies.

Between the privacy and seclusion.

Of the hopeful and one with frustration.

زندگی کو کھیل کود سمجھنا نادانی ہے۔

It is folly and unwise conception.
To consider the life as an option.
Of mere leisure and entertainment.
Of odd things for timely attainment.

اسلامی رُوحانیت کا سورج طلوع ہو رہا ہے۔

The rays are shining.

The sun is rising.

The day is dawning.

The time is alarming.

For the era of divine sovereignty.

And the Islamic dignity.

نفس کو شریعت کے حوالے کر، تاکہ روح معرفت حاصل
کرے۔

Hand over your substant self totally
to Shariat.

So that your heart and mind may ablaze
as radiant.

In this way your soul will attain the
climax of divinity.

This is the best way for securing peace,
piety and nobility.

رُوحانی پاکیزگی اور نفسانی آلودگی کی حدِ فاصل کو جان لے۔

If you are zealous to accelerate.

It is essential to differentiate.

And consider the limit line and fence.

Between the spiritual purity,

the sanctitive preference

And dirty self of substance.

ذات پات کا تعلق نفسانی ہے۔

The discrimination.

Of tribe and caste.

Are mere mortal and material mast.

No concern, to human cast.

صرف دینِ ابراہیمی ہی رُوح کو جلا بخش سکتا ہے۔

The only path.

The Deen of Ibraheem.

Is the right and straight path.

Guiding you for esteem.

And polishes your heart and mind.

With spiritual approach of every kind.

نفس سر اپا غلاظت ہے۔

The physical substance.

Just at once.

Is the product of dirt.

Otherwise, a mere flirt.

The unique work of Waris Shah.

The divine diction.

And the spiritual fiction.

Has made the Punjabi language.

The language of eternal age.

مادری زبان سے نفرت پر غداری کی بنیاد رکھی گئی۔

The foundations of treachery.

And betraying fraudulence tree.

Are based on the hatred produced.

Though baseless, prejudicing image.

Derived from the anthology.

Of wisdom, meditation and psychology.

This is today's mythology.

On the drops of eternal life.

A black snake is sitting behind.

کالے ناگ کی نسل کشی ناممکن ہے۔

To the aesthetic and delicate people.

The sensitive objects co-relate

آنکھیں روح کی آماجگاہ ہیں۔

The eyes on the face.

Have the lighting grace.

These are the illuminating gateway.

Speaking, peeping and seeing the ray.

Reflected on the spirit and soul.

These are really the index as whole.

چشم بینا نور سے منور اور سرور سے بہرہ ور ہوتی ہے۔

The enlightened diffusion.

And eyeful vision.

Is purely illuminated with
transparent light.

And well-saturated with ecstatic delight.

آنکھیں عرشِ معلیٰ کی طرف کاراستہ ہیں۔

What eyes see, in seek of Lord:

All scenery of His strange world.

Everywhere eyes see the

great creativity.

They exclaim it as celestial of divinity.

نشق کے سرمائے پر ڈاکہ زن منتر جادو کے زمرے میں آتا ہے۔
 جبکہ معجزہ روح سے ظہور پذیر ہوتا ہے۔

The dacoity of the love affairs.
 Is the chess of a lusty logic.
 There is no divine circuit at all.
 It is simply a hypnotic magic.
 The divine miracles come
 into existence.
 By the torch of spiritual reverence.

حُسن عشق پر بغیر پڑھے جادو کا کام دیتا ہے۔

Beauty is a fantastic balance.

A pleasant and graceful excellence.

It has a mysterious sensation.

Possessing a great magic attraction.

It affects on love as strong claim.

It begets its intensity like a flame.

راگ عاشق پر بغیر الفاظ کے جادو اثر ہے۔

The lyrical music.

Has its own magic.

No word, phrase or idiom.

Lyrics prove to be the best medium.

It mesmerises the lover.

With its rhythmic shower.

حروف کی اشکال میں جادو و عامل پر مضر روحانی اثر ڈالتا ہے۔

The zigzag geometry of letters.

Animated by mysterious magic matters.

Pollute negative witch-craft in digits.

Upon the object incubated evil spirits.

اللہ کے ننانوے (۹۹) نام صفاتی ہیں۔

Allah is great, the holy majestic.

With ninety nine

remarkable characteristic.

Qualities full of excellency

and magnificance.

He is guide, very kind and with

all beneficence.

وہ صورت جو ہر صورت سے بے نیاز کر دے، دیدار
 کے نُور کی مظہر ہے۔

A wonderful face with
 beautifying impulse.
 Possess that dignity and
 graceful glimpse.
 Which has no alternate nor substitute.
 In illuminating a visionary light
 should constitute.

صورت میں بے صورتی جلوہ افروز ہو کر روح اور بت
کا فرق بتا جاتی ہے۔

When a face has a grace.
A loving attraction tends to embrace.
But as you feel, there is no appeal.
You will surely and simply differentiate.
Between a material mass as an idol.
And a mystifying spirit to initiate.

کسی حالت کو بھی دوام حاصل نہیں۔

Here is a huge universe.

All natural objects gradually transverse.

The planets revolve, the seasons swirl.

No stationary state stands still.

Light to darkness, and day to night.

Again there is dawn with

spectrum of light.

عاشقوں کو عقل انسانی سے بڑھ کر کسی اور ناپائیدار شے
سے واسطہ نہیں پڑا۔

The lovers, the true missionaries.
Seek love and light, ignoring luxuries.
Observe flowers, moon, spring and rain.
Nurturing their instinct for beauty gain.
But have no trust nor depend long.
Upon the human wisdom, mortal
and wrong.

نور خداوندی کو بینا اور معصوم آنکھ ہی محسوس کر سکتی ہے۔

The super sight with divine height.

And having a transparent light.

With delicate touch of purity

and innocence.

Can enjoy Godly vision in

spiritual sense.

ہوس کی آگ کو دیدار کی جھلک بھسم کر دیتی ہے۔

The greed of desires and the fire of lust.
It cools down and finally burst.
By the rays of vision full of grace.
Having a glimpse of spiritual face.

سونادھرتی کاجوگ ہے۔

The gold is a golden treasure.
 A good scale for value measure.
 The earth is ornamented and decored.
 All the beauties are more adorned.
 Similarly the essence of humanity.
 Is its quality woven in sincerity.
 So earth has gold.
 Hidden deep fold in fold.

عشق اور ہوس میں ازلی رقا بت ہے۔

Love and lust are the East and West.
 A dire difference lies like best and worst.
 The love is friend, the lust is hostile.
 Lust not prosper while love is fertile.

نفس شیطان کا آلہ کار بن کر انسان کو گمراہ کر کے مٹا دینا
چاہتا ہے۔

The ugly self betrays.

And battles against divinity.

It assists the evil and Satan.

To deviate and perish humanity.

رُوح عشق میں ڈوب کر کمال کو پا لینا چاہتی ہے۔

The soul and spirit.

Has zeal to uplift.

Is ready to touch the depth of love.

To achieve the standard of
climax above.

عاشقوں سے حکمت عملی برتنے والے اذیتوں کا شکار
ہو جایا کرتے ہیں۔

The diplomatic gang through hypocrisy.
Playing gossip and uttering satire.
With sincere lovers of noble fancy.
They suffer through panic and pain.
Which is bitter and severe in vain.

کرامت سے متاثر ہونے والے کا یقین لمحاتی ہوتا ہے۔

Those inspired by the miracles.

And being influenced by mysteries.

Have the faith in transition.

And can be dissolved in confusion.

چڑیوں کو پنجروں میں بند کرنے والے کوؤں کا کاروبار
کیوں نہیں کرتے؟

Why the sparrows are imprisoned?

Why this delicate innocence is injured?

Such dealers are cruel, harsh and stern.

Why not crows are their

business concern?

محبت کا یہ کیسا انداز ہے کہ ”اس“ کو صرف اپنے لئے
 قید کر دیا جائے۔

Love has all loving styles.

But one thing is still under smile.

The lovers wish to claim possession.

Mind not if to put question.

When love is of fragrance kind.

Free to all, why to be confined?

ناتواں کے سامنے قوی کو جھکانے کی خواہش نسوانی ہے۔

It is just a feminine desire.

Before a weaker, a stronger may retire.

'Tis not bravery, not a manly honour.

To knock down a senior before a junior.

باز اور کوئے کی بازی کیونکر لگائی جاسکتی ہے۔

Hawk is mighty.

And crow is mean.

Hawk has high flight.

Crow is coward full of fright.

How to think to bet their race.

It is not a wisdom base.

باز اور شیر کبھی مردار نہیں کھاتے۔

Hawk flies high.

Lion governs bold.

Both are supper, rich and gold.

They enjoy self-esteem, and not bent.

They eat not others torn hunt.

دیدار کا رشتہ دیکھنے اور دکھائی دینے والے سے جوڑنا حقیقت
کو مجاز میں بیان کرنے کے علاوہ اور کچھ بھی نہیں۔

The real relation is visionary connection.

No matter, it may not be material.

The divine observation is pure and real.

Why to insist for substantial reflection.

حقیقت کی راہوں میں اختیاری حربے عاشقوں کو
 کب زیب دیتے ہیں۔

On the path of truth and reality.

In the way of love, light and purity.

No question of options for the lovers.

No talk of ease, comfort and flowers.

عاشق کا فراق باغیچہٴ حسن پر خزاں طاری کر دیتا ہے۔

The lovers can't tolerate
 With sad autumn they relate
 The departing and aparting.
 The gap and distance parting.
 Is like an orchid empty of spring.
 No flower, no colour, nothing to sing.

و صل بہار کی مانند ہے۔

The union is like the spring.

And reunion is life.

Flowers blossom in heart and mind.

Colours shower and songs remind.

The sweet charm of love.

Nothing is greater, none is above.

حُسن عاشق کی میراث ہے۔

The beauty is treasure and good wealth.

'Tis lovers life, property and health.

Love and beauty.

Walk together.

Talk together.

Both are might, both are light.

One is left, the other at right.

رُت اور موسمِ عشق میں مہندی کے شگن ہیں۔

The moods and seasons.

The tenure and sessions.

In the weather of love and fancy.

All are lyrics and songs in decency.

Seem dancing in bright colours.

And bathing well in raining showers.

فراق کی انتہائی حالتیں و وصل کی زنجیریں ہیں کیونکہ جس
باد و باران کا پیش خیمہ ہوتی ہے۔

The departing moments seem years.

The heart sighs and eye tears.

As the waiting tenure increases.

Anxiety for the union decreases.

Like the night that brings dawn.

And as the rain, from heat is drawn.

باز سے کونج چھیننے کو کوشش میں لالچی کو اہلکان ہو گیا۔

Wise lessons, some tales narrate.
 Hawk and crow are not equal mate.
 In the struggle of snatching.
 From the hawk's beak hunting.
 A crow injured and wounded well.
 But in failure, was dropped and fell.

رو ٹھنڈی اور ناراضگی دماغی حالت ہے۔

Love has some mood and ethic.

To feel cross is a loving logic.

But angry temper is a disorder.

Of the brain and mental border.

ستائے ہوؤں کو ستانا ظلم کے زمرے میں آتا ہے۔

Teasing to the torchered.

Is more cruel to the suffered.

Those already in trouble and pain.

It is inhuman to hurt again.

تقدیر منشاءے حق اور ہوونی باطل کا حربہ ہے۔

Destiny is a life plan, secretly suggested
on the skies.

All the reliefs and sighs, the failure and
success there lies.

Luck is the nature`s destiny
oriented fortune.

Occurrence is devils
ill-designed misfortune.

دیدار کا سرچشمہ چہرہ ہے اور ہوس کا تعلق باقی جسم
کے ساتھ ہوتا ہے۔

Face is the frontier mirror.

Reflecting the vision clearer.

While the remaining parts of body.

Are mere a passionate melody.

شیطان دیدار کے طالبوں کو جسمانی نمائش سے بہکانا چاہتا ہے۔

Satan urges to stimulate.

The animal passions to manipulate.

To those zealous for the sight.

And willing to purely divine light.

دنیاوی مال کی حفاظت کیلئے اگر قانون وضع کر رکھے ہیں تو روحانی
کمائی پر ڈاکہ زن نفس محاسبے کے عمل سے کیسے بچ جائے گا۔

If there are laws constituted.

And administrative security instituted.

For the protection of material property.

And how can the robber be out

of penalty.

Who pirates spiritual and

divine meditation.

Through emotional and

passionate persuasion.

عشق آزمائش سے ہی صیقل ہوتا ہے۔

Test and transition and struggle.

Are the elements which are essential.

For polishing, grooming and perfection.

For true love and sincere affection.

خدائے بزرگ و برتر کے مقابلے میں شیطان کا تصرف اوجھے
ہتھکنڈوں کے سوا اور کچھ بھی نہیں۔

Satan has no courage to face
and stand.

Except his evil crafts as brittle heaps
of sand.

As compared to Magestic
Almighty's might.

And His holy, great and amazing light.

اقرار کے بغیر عشق کی وادیوں میں داخلہ ممنوع ہے۔

Without confessing, conversing
and uttering.

There is no way clear as path
of entering.

To the vast valleys of love lands.

It is vital and must to shake hands.

مقصود کی تلاش کا حاصل اس کا دیدار ہے۔

The final fruit.

And destined delight

Of long questing route

Of seeking search

Is the vision's light.

یومِ میثاق سے ہی بقائے دوام عاشقوں کیلئے وقف کر دی گئی ہے۔

From the Salvation day.

The glimpse of infinite ray.

And divine drops of eternity.

Are reserved for lover's entity.

دیدار کی گھڑی پر وقت اور زمانے کا اطلاق نہیں ہوتا۔

No time and place.

Nor calender and country.

Has any schedule and boundry.

For lovers to embrace the sight.

Which seems to "now and here" excite.

مدتوں دردِ پھر آنے والے کو جب رحم آتا ہے تو محبوب کا دیدار
متلاشی کا نصیب بن کر جھولی میں آگرتا ہے۔

The beloved assigns a test

as requisition.

Of a long, tough and hard expedition.

Full of digs deserts and distance.

Till pitifully, love is honoured by

lucky chance.

دیدار یافتہ کے ساتھ نفسانی چالیں اور شیطانی حربے مایوسی
میں ہاتھ پاؤں مارنے کے علاوہ اور کچھ بھی نہیں۔

When lover embraces the vision.

Satan, in despair, takes decision.

To throw the ropes of animal desires.

Plays evil craft, but, finally he retires..

محبوب عاشق کا حق ہے جس کا چھن جانا ممکنات میں سے ہے۔

The beloved and the lover.

A final success, they discover.

'Tis lover's first right.

Not possible to miss, slip and flight.

عاشقوں کے حقوق پر نظر بدر کھنے والے غیرتِ خداوندی
 کا شکار ہو جایا کرتے ہیں۔

Those keeping an eye of greed.
 On the lover's love seed.
 Are perished by the rage.
 Of almighty planned cage.

عشق خوف سے نجات دلا دیتا ہے۔

Love energises and empowers.

Infusing the strong stamina to lovers.

Against, fear, fright and frowning.

Of all opposing forces, nor for crowning.

عشق یک طرفہ ہو ہی نہیں سکتا۔

Love does not fly alone.

And goes on slightly unshown.

It has no one-sided traffic rule.

No fear of calling as foul and fool.

عشق ہر رشتہ سے پاک ہے۔

Love is sacred love is holy.

It is above all the relation wholly.

Love cannot be entitled with
any relation.

It deals with heart, mind and
cardial sensation.

شیشہ شربت کی ہانچل ہی پیاس کی شدت کا پیمانہ ہے۔

The noise of cups.

And the bubbles in wine.

Is a good scale and a measure fine.

For the intensity of thirst.

Going to be burst.

حسن جلوہ افروزی کے بغیر رہ ہی نہیں سکتا۔

Beauty has no cover, no veil or
any curtain.

It has its own face, its grace
does sustain.

Beauty is like a sweet and
exotic fragrance.

It cannot be hidden, it tends to expose
its significance.

جادو حسن کا ہتھیار ہے۔

Magic is a mystery assured.

It is indeed beauty's sword.

It is bewildering and amazing surprise.

Magic is a beautiful action

to mesmerise.

ناز و نیاز کا چولی دامن کا ساتھ ہے۔

Fondling is a flame for love to enhance.

Wispering, chatting and to dance.

Exchanging thoughts, and mutual talks.

Is marriage of minds, and hearty locks.

دیدار عاشق کا مقدر ہے۔

Love, vision and union is a
triangular instinct.

Love does not believe on distance
to distinct.

The lover is born with lucky mark.
To enjoy sight and vision as a
loving spark.

رَبِّا! فضل سے ہمکنار دیدار یار سے سرشار کو پھر سے بے پروائی کی
بھٹی میں نہ ڈال دینا۔

O Lord, thanks a lot.
For bestowing the heaven.
Of love, light and vision.
And a union of divine fragrance.
Please throw not
In the hearth of your ignorance.
