APPEAL

This book is written for preaching only basically, I would have published it in millions and given free to the general public, the non-Muslims especially, but I am badly short of money really. Any body/institution who wish to publish it, go ahead kindly.

The Holy Prophets were beaten, stoned and not only pushed out of their houses, villages, countries but were murdered also by the Jews very brutally.

Can't we denote a few coins only, for this noble cause please?

Help me by my name on the publishers address by cheques/drafts as much as you can, sir.

 3. The NATO is the anti-Muslims Terrorist Organization of the Christian nations.
 4. The IMF. and the World Bank are the enemies of the 3rd World/Muslims.
 5. The International support of my this chapter here.

- Ch. No.47: Congratulations for the (UNO) CNO Body/Members 278**

PART-9

- Ch. No.48: The stupid Muslim rulers are crushing the Islam/Holy Quraan under their evil feet 285**
- Ch. No.49: What teaches us the religion Islam/Holy Quraan – Mr. Popes/Mullah Jee? 290**
- Ch. No.50: How Beneficent the Merciful God/Allah Almighty is? 306**
- Monotheism - Poem**

READ ME FIRST

- I am not English man.
- This book is not written to teach the English to someone.
- If you get me Thanks God/Allah Almighty

***If you find anything wrong, short here
Or ... you want to add any passage into it,
please send me in writing. I shall print it
without any alteration, surely***

- I am not a Mullah/Peer, Shah, Pope at all.
- I don't wish to be that at all, absolutely.
- I am not the tail carrier of any Mullah/Pope too.
- I am not sectarian at all.
- I am not the member of any so-called religious or the political party at all.
- I am not Shia, Sunnie or any type of wahabie too, at all.

I am only and only hardly a Muslman and that's all.

- I have no enmity with any of the individual/party at all.
- Preaching is not allocated to any party or Peers particularly. It is the basic responsibility of each and every individual, the men and the women personally.
- This book is written for the preaching only, particularly. The criticism is the guidance, which is the basic soul of the preaching.

- All the heavenly books are not only full of the criticism but chastisement also. The Popes where ever they go, they criticize the Islam, wrongly or rightly absolutely blindly. They criticize the life of the Holy Prophet Muhammad (Silat for him) absolutely foolishly usually.
- No body has ever authority to check/stop them really. It is the duty of the general public to condemn the brutality of any of the Pope, Speaker/writer, irrespectively any of his religious enlinement most sensibly.
- I have come up with great criticism of all the religious tycoons. There must be some mistakes/flaws in it surely. I shall welcome all such discrepancies/mistakes whole heartedly very thankfully.
- Thanks all the readers, you may pass it on to the other people, please.
- It may be some one's fate is in your hands, for your grace, sir.

Note:-

This book consists of the Holy Quraan and the Hideth over 80% mainly.

If you are annoyed over it.....?

Sorry, I can not change/ignore the Holy Quraan at all, please.

This book is not written for any international award or prize money, like Suelman Rushidie or Tasleema of India, at all. I am not interested in any Visa or foreign nationality also.

Thank you for your kind consideration, sir.

Syed Abbas Ali

PART -1

CHAPTER NO.1

THE SATAN'S CHARTER

[1]

Satan's First Lesson

POLYTHEISM

1. When the first child was born to the Prophet Adam (Silat for him), Satan came to him and, "that, this child is your god".
2. We can well imagine how worst the Satan is?
 - a. He opposed the birth of the Adam (Silat for him).
 - b. He trapped the Adam (Silat for him) in the heaven secondly.
 - c. He tried to derail the Adam (Silat for him) third time on the birth of his first child.
 - d. What the hell he might have not played with the Holy Adam (Silat for him), in his very long life, must be very shocking really.

HOW ALARMING IT IS FOR THE ENTIRE HUMANITY, WE ARE WITNESSING THE HOLY BOMBARTMENT OUR US, AROUND THE WORLD DAILY.

3. The Muslims are the target of the Holy Bombing of the NATO/UNO, the Christians/Jews and the Indians jointly.
4. The Pakistanis too are the host of the International Holy Bombing jointly. What happened with all the Prophets after the Holy Prophet Adam (Silat for him), we have a

blank history of that era until the devil Jews absolutely.
The devil Jews have a dual Satanic character/face over here on this earth.

[A]

The Jews divinized the Holy Prophet Uzair (Silat for him) first time.

[B]

This devil nation has murdered several hundred/thousand Prophets in a row continuously, till the last Prophet Muhammad (Silat for him), absolutely most mischievously.

1. Will you Mr. Pope's whisper in my ears most confidentially, the reason behind these Prophets murder absolutely satanically?
2. Was it not the reasons, that each of those deceased Prophet's denounced the divinization of the Holy Prophet Uzair (Silat for him)?
3. Each of those Prophets conveyed the message of the "MONOTHISM".
4. Mr. Popes why the Jews became the dead enemies of the Holy Prophet Jesus Christ/Eassa Misseh?
5. Was it not, that he was the same flag bearer of the Torah, Zaboor, Bible and the Ingil as his elder predecessors Holy Prophets?

The first lesson of the Satan had ever been the Polytheism.

[2]

Idolaterism

His second lesson is the Idolaterism. The Buddha, Hindoos, Parasies, Jews and the Christians, all of them did the same.

- i. Did the Buddha's not divinized the "Bud" first, and then started modulating his statues?
- ii. Did the Hindoos not divinized the Krishna first, and then erected his statue?
- iii. Are not the Christians following their elder misled brothers, who first divinized the trinity and then decorated their churches with - !
 - a. The statue of the Holy Maryyam.
 - b. And the Sleeb.

The cow worshiping of the Hindoos and the horse worshipping of some of the so-called Muslims match with the coin with its double faces.

[3]

The Hypocrisy

It is worst than all the above evil-nesses.

Watch it here!

1. The big Mullahs/Popes opposed the creation of the Pakistan under the flags of the Islam.
2. Those enemies of the Pakistan/Islam are still at their toes under the flags of the Islam.
3. Each and every of them is sharing/feeding the worst ever terrorism in the Pakistan under the flags of the Islam.
4. These enemies of the Islam/Pakistan, are ever in the search of some rebelling generals under the flags of the Islam.
5. They have ever been cabinet members of the rebelling generals and sharing the bounty under the flags of the Islam.
6. They have ever been part and parcel of the rebelling generals but denying it also under the flags of the Islam.
7. They are breeding the terrorists in their Deenie Madrasas/institutions but are ever carrying the flags of the Pakistan/Islam also.

Just have a look on the 13th Sep, 2013, the Daily Evening Inqilab, for your kind information please.

8. The terrorist/enemies of the Pakistan/ Islam are being caught from the houses, institutions and hostels of these devil Mullahs/Parties, but they still claim to be the holiest Saints/Wali Ullah carrying the flags of the Islam.
9. Look at the devil family of the Lal Masjid Mullah, what the hell they are still playing under the flags of Islam.
10. And so on, countless evil-nesses.

These all devils still claim to be the Sheikh-ul-Islam/Hidees, Allamas, Mufties, Scholars, Khateeb-e-Azam and so on, etc, the highest rank Saints/Wali Ullah.

Hay Allah Hay

[4]

The Non-Prayers

Over 98% Kalma Go Muslims are the non-prayers.

The Kalma means, the affidavit of regular praying, Allah Almighty whole heartedly daily.

Who are those Satans who have derailed the very vast majority of the Muslims and turned them the Hypocrites?

The Khateeb-e-Azam and the Muftie-e-Azam themselves are the defaulters of the five time prayers in the Masjid. Such Sheikh-ul-Islam/Hidees are worst than the Satans even, absolutely.

Hay Allah Hay

1. Has Allah Almighty not repeated it several times in the Holy Quraan that the prayers Shirkers will be dumped in the flaming hell fire?

Holy Quraan – 1/8,9,10 – 4/142 – 109/3

2. Then what will be the entertainment of the permanent deserters of the prayers?

3. And what mitre will be crowned to their leaders?
4. Are the prayers not banned outside the Masjid totally?
5. Are not those Muftie-e-Azam/Khateeb-e-Azam and peers really top most leading Satans who lead the Friday prayers and then are not traceable any where rest of the whole week?

[A]

Four Prime Ministers along with their brothers and children are very brutally murdered in the Pakistan.

Who has murdered them?

Why someone does not know it?

- i. Is it not the hypocrisy?
- ii. Will the judges and the generals be in their ceremonials black ties and the crowns on the resurrection day, too?
- iii. Will this file not be opened on that day?
- iv. The Mullahs who have shared these murders by some means, will they be in their mitres that day also?

[B]

Those people whosoever they are civil or faujees, who have looted the Pakistan's treasures and assets, will their clothes along with their families not be stripped up among the general public on the requital day?

Study the Jang-e-Khandik incidence. The Holy Prophet Muhammad (Silat for him), announced the hell for his own companion/servant; who stole a sheet only from the national treasure.

[5]

Sectarianism

Allah Almighty has been forbidding all the people since the beginning, that do not create sectarianism among themselves.

But most of the Popes and Priests of all the heavenly religions including Islam, have ever been creating sectarianism heroically.

1. The Jews have created seventy one (71) sects among themselves.
2. The Christians have raced across them with seventy two (72) sects.
3. And the Muslims Mullahs/Allamas/ Mufties/Sheikh-ul-Islam have beaten them all, got the championship and trophy also with score at seventy three (73) sects finally.

Oh! Allah Almighty forgive me mercifully.

A big majority among the Muslims is nowadays, a so-called Muslim only.

(A) Hypocrites:

A majority of the so called Muslims are hypocrites nowadays.

1. First batch of them is the non prayers.
2. The second batch is of those people who are not regular prayers, they are occasional prayers only.

A majority of the Mullahs and the Peers even, are also included in them.

3. Then those people who do not pray five times a day, regularly in the mosques/masajid.

Again a majority of the Mullahs and the Peers is heading here these defaulters.

4. And so many other groups are also included in this i.e.

The Mutineer Military Generals, their supporters (Mullahs and Peers) Popes and Priests, and such other rulers of all The Muslim States.

None of them is a Muslim by face even.

5. Abusers – A person who abuses is a hypocrites surely Hides.

(B) Polytheists:

A majority of the Muslims are turning polytheist nowadays. The Mullahs and Peers/The Popes and Priests are heading them all, very voluntarily.

(C) Idolaters:

A time has reached, we Muslims are near to it, like those of the Jews, Christians and the Idolaters, when The Muslims will also become the idolaters.

Why I have to mention about the Idolaters, Hypocrites and Polytheists etc. in this topic of sectarianism here?

I mean excluding these evil groups of the people, The Jews, Christians and The Muslims sects are even then 71, 72 and 73 respectively.

[6]

Hypocrites

A very important factor to clear here is, that hypocrites are among the Muslims mostly.

These are very dangerous people as we are watching all over the Muslim world, nowadays.

They are worst than the non-Muslims even. They are wolfs in sheep's skins among the Muslim world.

Presence of Allah Almighty all over the universe, All the time, even before its birth, too.

The reason of this mismanagement may be, Imam Masajid/the prayer leaders were very hardly Molvi Jee/Mian Jee in those days, very simply. But as our Mullahs Jee have climbed up very massively, they have captured the heavenly posts of Sheikh-ul-Islam/ Hidees, Mufitie, Allama, Scholars,

and, and Many other devil degrees are hanging over their necks very furiously.

They have climbed up further to the Kateeb-e-Azam, Mufitee-e-Azam Emphyrean posts.

From where they land on the stage of the Masajid weekly hardly. They roar and dance a little bit there, and – and and then they go over the long/wrong marches, jolly trip on the call of uniform around the Muslim world.

Hay – Allah – Hay

Have not you all up rooted the Islam completely?

Are not you all enemies of the Islam?

Are not you all the hypocrites?

CHAPTER NO.2

THE NON-MUSLIM PRIESTS SPIRITUAL MADNESS

Do You Understand the Meanings of Almighty?

Al-Mighty means such a fantastic superficial authority which is beyond even the collective imagination/evaluation not of all the human beings only, but the over all calculations of all the creatures jointly also.

It is unexplainable even by all of us, absolutely. The total knowledge of all the human beings and the collective knowledge of all the creatures has ever been unable to evaluate the function of the basic smallest atom over here upto now.

So, how can we evaluate this entire universe possibly?

And how can we then evaluate the superficial powers of the creator of this entire universe who carries not a simple badge but a big banner to His Crown "The Almighty".

1. Almighty means an unbelievable, unimaginable source of huge force which can not destroy this entire universe in a fraction of second only but can create also such several more wonderful universes, absolutely surely.
2. He can turn all the oceans over this earth, into a smallest drop, in just one second only.
3. He has such charismatic fantastic powers that He is watching everything all over the universe, some billions miles away above the skies, from His Mighty chair absolutely minutely.

Above all His Powers:

He has a very huge army of His very mighty angels.

The Angels:

Who have unimaginable bodies and powers and are the absolutely loyal servants of Allah Almighty.

They are ever round the clock at His disposal, very humbly.

An angel can turn a huge mountain into the ashes, in a fraction of second only.

The huge tsunamis and earth quacks on this earth are very minor tasks, of the one angel only.

It is the job of one angel only who is driving the winds, clouds and rains all over the earth, by the grace of Allah Almighty willfully.

**Do you get me Mr. Popes and his blind followers,
Please**

Can you code any of the work of the Jesus Christ/Eassa Misseh, which can proof that he was the Almighty?

Almighty means –

1. Mighty body ... Did Eassa Misseh had a mighty body?
2. Mighty powers Did Eassa Misseh had mighty powers?
3. Mighty knowledge Did he had huge knowledge?
4. Mighty Throne Mr. Popes, can you tell us where was mighty throne of Jesus Christ (PBUH)?
5. Creator of all the entire universe.
6. Master and Lord of the entire universe.
7. Creator of all the creatures.
8. Grower, sustainer and breeder of all the creatures.
9. Master and Lord of the day and night.
10. Master and Lord of the requital day.
11. Lord of the hell and heaven.

12. And so on, unaccountable, numeral glories and characteristics of Allah Almighty.

Mr. Popes, you weep in the crowds that your god Jesus Christ/Eassa Misseh, was encircled, caught, beaten, wounded and hanged on the sleeb.

Does this all not show that he was not at all Almighty? So, he was not God at all because he was not Almighty.

Can all the creatures over this entire universe catch Allah Almighty?

Nay-Not at all

If he can be caught, then He is not at all Almighty. So not at all God too.

Mr. Popes – you have not cheated, misled, misguided your followers only upto now, you are cheating yourself also, absolutely foolishly.

It is in your personal interest to abundant your evil post and beg Allah Almighty for the mercy very regularly whole heartedly. He may bless you with His grace.

Wish you good luck! Sir.

The Angels:

Pope is the highest religious authority of the entire Christianity over this earth, so he can through some perfect light, over the angels comprehensively.

(A):

1. The first question to Mr. Popes may be:
 - i. What are the angels?
 - ii. And what are their functions?
2. The 2nd question to them is:
 - i. Did Jesus Christ/Eassa Misseh (P.B.U.H) had some angels or not?

3. The Jesus Christ (P.B.U.H) was a mortal, his angels must be mortal also.
4. Who were his angels, name them, please?
5. Eassa Misseh (P.B.U.H) was living in the (Yoroshlum) Falisteen, where was the residence of his angels?
6. When Eassa Misseh was being encircled by his enemies "The Jews", where were his angels at that time? Were they dancing in the Hollywood at that time?
7. He was caught and hanged in the presence of his angels or they were dead drunk in the night clubs, on some holiday?

A Lie has no Legs to Stand Upon

Mr. Popes – so are your fabricated doctrines, too.

The Death:

What is a death?

It is also a creature, who created it?

Allah Almighty has created it along with the life, is it not correct, My Popes, Sir?

You say Jesus Christ was your god. Did he created the death?

So, the creature "death" has taken the life of his creator "**The Jesus Christ**". This is what you mean to say dear sir, "Mr. Popes"?

If the death is the creature of your god "Eassa Misseh" then it could never take the life of his own creator, "The Jesus Christ, Silat for him".

Is it not funny, the creator of the "death" has died in the hands of his own creature?

What about the death since then?

Who is controlling it?

And what will be its fate?

Mr. Popes, if Jesus Christ was a god then Jews must also had been his creatures? The Jews have murdered their own creator, this is what you mean Mr. Popes?

The "Jews and the death" both were the creatures of the Jesus Christ, Silat for him.

And they both have murdered their own creator "The Jesus Christ" jointly. This is what you mean, Sir? What a funny story/doctrine is this? How badly this doctrine is cooked, Mr. Popes?

Mr. Popes, don't worry. All the Popes of all the religions including the Muslims", are the passengers of the same broken boat.

Don't worry, the Muslims Pundits are leading you in all the spheres. It is not your hard luck but stupidity that you have not watched their madness upto now, foolishly.

Any how, let us solve (this) your problem, Mr. Popes.

God/Allah Almighty is He actually, who has taken the life of the Jesus Christ (as per your doctrine).

"The Jesus" and "The death" are the creatures of Allah Almighty who will finish "both of them".

Allah Almighty is He who has no death and is ever living. He is the Lord of the requital day and there after too.

No mortal can ever be a God/Allah Almighty, vicarious Fidei/Crown is dragging all the Popes of all the religions into the hell foolishly. Better is, hurry up to embrace the truth, to save your skins from the flaming hell fires.

CHAPTER NO.2/1

THE WORD "GOD"

This is not the word of any heavenly book at all. It is a Roman Word. The Romans used this word for their gods.... Like.... Sun, Moon, Mercury and for their Kings and Queens, before embracing the Jewish and the Christianity finally. The word used by the Jewish and the Christians for their weekly days.... Sunday, Monday, Tuesday, are also not the words of any heavenly book, Torah, Bible or Ingil, etc. at all.

These are the old names of the old gods of the Romans very commonly.

Similarly, the words used for the calendar year by the Jewish and the Christians nowadays, are not the words of any heavenly book too.... January, February, March, April.... December are the old names of the gods of the Roman/Greeky people, which are followed unchecked by the Popes and Priests, Rubbies and the entire Jewish/Christian people around the world not innocently but very proudly too.

This all indicates that how careless the Popes and Priests and Rubbies had been. They never took pain to find out and reject these idolatry blunders. The Jewish and the Christianity have been in the hands of the Idolater Roman Kings/Papai Rome, from the very beginning. So, they have ever been playing with the Jewish and the Christian doctrines and mixing up their original idolatry ideology into it unattentively very miserably.

Anyhow, the Jewish and the Christians should not bother it much now even, because Muslims are enjoying this shit, not voluntarily only but most honorably also, nowadays.

Jesus Christ/Christian

None of these words, Jesus, Christ and Christian are the words of any of the Holy heavenly book. These three words are also the Roman words.

The Truth:

The truth is that the Christians in the Asia, never called themselves Christians. They all, everywhere, read and write themselves "Eassaie", which is the clear indication that they are the followers of a Prophet whose name was/is Eassa Misseh (Silat for him), but in the Europe Eassaie call themselves a Christian. The same people/nation, in the Asia is called Eassaie which is correct but in Europe they are called Christians, which is incorrect, really.

PART-B

WEAK, SHAKY, BASELESS DOCTRINES

Leave the question of the Adam's (P.B.U.H), the man birth and coming/landing on this earth, aside.

[A]

1. Who designed the Adam (P.B.U.H)?
2. Who molded/fabricated him?
3. Who gave him life?
4. From where, he came on this earth?
5. Who deputed him here on this earth?
6. Who gave him food on this earth?
7. Who saved him from all sort of destructions/mis-happenings on this earth?
8. Who saved him from the beast animals?
9. Who saved him from the sickness?
10. Who gave him the shelter here?
11. Who gave him a wife?
12. Who gave him children?
13. Who took his life?
14. And so many other questions?

Who managed this all, is truly, only Allah/God Almighty

How could those people/person be a God/Allah Almighty who took birth thousands years after, in his generation?

[B]

1. This universe was created some billions/millions years ago.
2. Adam (P.B.U.H) was born some millions/billions years later than this universe.

Allah/God Almighty is He, who created this entire universe. Its mean God/Allah Almighty was here and there everywhere, even before the birth of this huge universe surely.

How long before, no limits of that period? Unlimited period really.

[C]

Allah Almighty created this huge universe. Among it are the huge bodies, greater than the moon and the sun also.

Did entire humanity starting from Adam (P.B.U.H) have ever created anything on this globe?

We human beings have manufactured the tiny space crafts. This is the achievement of the human beings after several thousand years struggle. That too, with the brain/knowledge/head by the mercy of Allah Almighty Himself alone only.

Your/our space-crafts for which we all are very proud, has no match to a tiny creature of God/Allah Almighty "The Mosquito".

Can we match our spacecraft with a Mosquito?

It is a non-sense question, because a Mosquito is a flawless, self-reliance creature. It is so mighty and brave that the entire humanity is fed of it, entirely.

Actually, it gives us a lesson, Oh man, you are nothing. It has been a challenge to your so-called gods too. Because it has been biting them also miserably.

So, we all must not abundant only, but write off also, our baseless doctrines completely.

What I mean to explain this all here is, that Allah/God Almighty was already all over here, even before the birth of this huge universe (billions years ago). And He will be in command after the expiry even of this universe, on the resurrection day and there after too.

Allah/God Almighty is not mortal at all

So, none of the mortals are God/Allah Almighty at all, absolutely.

Ram (Indians god) and "Jesus" The Christians god, had been hiding themselves place to place from their enemies, the human beings.

Could the human beings, be ever enemies of Allah Almighty? One must feel pity on such a baseless non-sense doctrine.

Ram, Buddha, Guru Nanik, Paras (Indian gods) Uzair and Eassa Misseh, they all got birth and died, too. They did not get birth and they did not die too, themself. Someone else has given them birth and death obviously. These so-called gods were buried by the human too.

God's – Birth, Feeding, Death, Burial by the human beings, how nonsense, shaky, baseless, fabricated, this theory, ideology/doctrine is?

None of your gods ever had, even a single quality of Allah/God Almighty at all.

PART-C

THE BASIC BLUNDERS OF THE NON-MUSLIM RELIGIOUS LEADERS

Non-Muslims, the Popes and Priests, Rubbies (Gurus, Pundits, Bagshoos and the Parasies, etc. Indian religious leaders) have not taken pain at all to understand the

matter/material difference of the body of Allah Almighty
and rest of all the creatures, basically.

1. The angels are a product of the light/Noor.
2. The jinns/devils are made of the fire.
3. The human beings are combination of the mud, fire, air, etc.
4. The rest all the creatures, carry the same stories, too.

Whereas Allah Almighty is absolutely a different substance.

There is no personality match in between Allah Almighty and the human beings in any case, at all.

- A. The personality of Allah Almighty is so huge in size, weight and substance that we human beings have no figures, to graph it on some chart, even roughly.
- B. The second reality is that the residence of Allah Almighty is Millions miles away, over and above the skies..... **"The Empyrean"**.
- C. He does not require any food or drinks, at all.
- D. He is free from sleep also.
- E. He is a sex free personality.

So, the faith of all the non-Muslims has no legs to stand upon because of the basic negligence of their religious leaders. To resist the reality and to persist on fabricated bogus doctrines is extremely dangerous. It is very rare, that some misled person has ever accepted the truth.

It is not the question of life or death, it is the question of safety of the skin from the flaming hell fire.

Please, realize your mistake and accept the Truth to make sure, the safety of your skin from the flaming hell fire.

Polytheism, Idolaterism, Hypocrisy are the attractive play of the Satan and his golden nets for the hell fire.

Never harm in any case, any person, at all.

Be careful of the hypocrisy of the Muslim religious leaders, too. I wish you all success whole heartedly.

It is not the question of your personal safety only, it is the matter of your followers too, who follow you absolutely, blindly, heedlessly.

PART -2

CHAPTER NO.3

MIGHTY PERSONALITY OF ALLAH ALMIGHTY

In the Name of Allah, the Beneficent, The Merciful **Some Matchless Dignities, Glories and Personality of Allah Almighty**

When we glance over this universe, we go headless. It is a so mighty huge universe beyond our imagination, expectations and even our calculations also. We have no such machines and we will have never any such too, to collect the data of our Allah Almighty.

Scientists are giving their lives to understand very small tiny tissues, germs in veins, so we should leave this topic helplessly.

One thing, can help us to understand the Dignities and personality of Allah Almighty, that is –

[1]

Formation & Creation of the Angels, Jinn/Devils

We take the example of the Angels.

The Gibrael P.B.U.H:

It is said, his wings are very huge, extending from sky to earth. What are the limits of the sky, is not known to us at all? That's mean Several MILLION MILES LENGTH, SO HUGE, CAN YOU/WE EXPECT/IMAGINE IT SO?

When This is the Case?

How Huge This Angel is?

He does not eat anything. He is not even visible to us also, what a Miracle is it?

Un-imaginable - un-believable – unmatched

[2]

We take an other example of The Angel who is carrying the "KURSI" of Allah Almighty on which He rests over and above the skies, known as the "ARSH"/Empyrean.

"ARSH" means basically, The "ROOF", over and above this entire universe, UPON WHICH ALLAH ALMIGHTY RESIDES IN A CHAIR KNOWN AS "KURSI".

This chair is being carried by the eight (8) Angels. I am interested in the personality of these Angels, here.

The distance in between the lower edge of their ears and the shoulder of them, is three hundred (300) Light years.

SOME MILLIONS – BILLIONS MILES DISTANCE, HOW HUGE THESE ANGELS COULD BE?

Un-believable – Un-imaginable

We have no figures to calculate it even. This is about the body of those angels.

SO WE CAN WELL IMAGINE, HOW HUGE BODY COULD BE OF ALLAH ALMIGHTY HIMSELF.

WHO IS ALL ALONE THE ONLY CREATOR OF THIS ENTIRE UNIVERSE.

[3]

Another thing to be made clear here is

The Body Formation of Allah Almighty

The "MATERIAL"

HE IS THE NOOR/LIGHT

Not this light which we have or the heaven is glittering. This heavenly light too, is a glimpse of His "Noor" actually. THE "NOOR" IS – SOME SUPERFICIAL LIGHT beyond of our imaginations absolutely.

[4]

An Other Thing to Consider is!

"HIS PALMS"

They are so big, that this entire universe can go into His one palm only.

[5]

**THE LENGTH OF THE LEGS OF
ALLAH ALMIGHTY**

All the human beings will be prostrating in between the feet of Allah Almighty on the Dooms Day.

CAN YOU IMAGINE IT?

NO – NAY – NOT AT ALL

- A. Was this the body (Figure of Eassa Misseh, The son of the Maryyam (Mary), Silat for her?
- B. Was this the glory of the son of the (Mary) Maryyam, Silat for her?
- C. Was this the Dignity of the son of The Maryyam?
- D. Was this the personality of the Eassa – The son of the Maryyam, Silat for her?

[6]

Allah Almighty is living Billions Billions miles away above this earth, over and above the skies.

1. He is watching us all the time.

2. He knows, what is in our hearts even.

HAD ANY SUCH POWERS, THE "EASSA MISSEH – The Son of the Maryyam, Silat for her?

Allah Almighty has never been on this earth – where as you claim that Eassa was living on this earth and he was caught by the Jews.

According to the faith of the Christians, the Eassa, Silat for him, was killed and buried in the grave. Your so-called god has died, then why and how you are alive? Who gives you the food and the children regularly?

CAN ALLAH ALMIGHTY BE CAUGHT, EVEN BY THE ENTIRE HUMANITY?

No -

Nay – Not

No at All

[8]

Allah Almighty has no such body Eating, drinking, sleeping So obviously, no urine system too.

Thus question does not arise at all of someone being The wife or The son of Allah Almighty.

Those people, the Christians, Jews, Hindus, Buddha's, Sikh and others also who believe in such tiny creatures as Eassa, Gothem, Guru Nanik or Ramchander, a god, are misled absolutely, nothing else surely.

And they will receive heavy penalties/punishments from Allah Almighty on the day of resurrection, surely.

The leaders of these misled nations will get the multiple punishments of their misdeeds, as they have been betraying Allah Almighty, who is ever living there from billions billions years of age and will never die too.

It is yet time for the Popes, Priests, Rubbies, Pundits, Gurus and Bagshoos to embrace the Islam immediately A universal truth absolutely.

Don't delay for your safety from the hell fire.

Those people who were given birth and fed by some ladies and their lives were also snatched, how those helpless person could be the gods, Almighty?

- Allah Almighty (God) who is controlling this universe since its creation, it is still in his hands till resurrection day and there after also.
- He is controlling the solar system very accurately regularly.
- He is giving colours to the flowers.
- He reaps the crops.
- He is the Master of Volcano and earth quacks.
- He is giving the milk in the breasts.
- He is giving food to the babies in the wombs.

Where are they whom you call gods? They have gone beneath the earth, finished and that's all

Allah Almighty is He who has given birth to your so-called gods, they all are his creatures and it is He who took their lives too. Can you call your so called gods to disappear the sun, for one second even only? Can you???

Can your gods collectively disappear the sun for one day only???

No – Nay – Not

Can your so called gods return on this earth, even for one day only???

Okay – then – call them.

Let us embrace the truth ever living Allah Almighty. And the religion Islam.

PART-B**ALLAH ALMIGHTY DIGNITIES – COMPARISON
UZAIR, CHRIST, RAM, BUDDHA, GURU, PARAS,
ETC. NON-MUSLIM GODS**

	Allah Almighty	Non-Muslims' Gods
1.	Unlimited age – millions billions years.	Just few days only.
2.	Lord of the entire universe	Nil – Nothing
3.	Master of the Universe	Nil – Nothing
4.	Unlimited ever lasting life	Long ago, they lost their lives
5.	Birth – self made/sustained, no parent	They took birth to their parent
6.	Death – No death to Him, ever lasting	Died
7.	Grave – Ever lasting life	Buried
8.	Marriage – Not required	Married
9.	Food – Need not anything	Dinned
10.	Breathing – Not required	Breathed
11.	Drinking – Needs not	Drank
12.	Independent	Dependent
13.	Sleepless	Slept as usual
14.	Health – ever lasting	Sickness
15.	Breeding – self made	Were bred
16.	No – Nil	Child hood
17.	No – Nil	Cradle life
18.	No – Nil	Feedings
19.	Self made	Grown

20.	No – Nil – Not required	Urined
21.	No parent – self made	Had parent
22.	No family – not required	Belonged to the families
23.	Allah almighty is not a creature of anyone else	Those all are the creatures of Allah Almighty
24.	No enmity	They had their enemies
25.	Creator of this entire universe	Unable to create, even a mosquito
26.	Designer	Unable
27.	Engineer	No – Nil
28.	Artist	No
29.	Breeder	No – Nil
30.	Nourisher	No – Nil
31.	Grower	Unable
32.	Languages in thousands	Single language
33.	Teacher of all the creatures	No – not
34.	Knowledge vast unlimited	No – Nil
35.	Divine knowledge	Nil
36.	Pray – All the creatures pray to Him around the clock	Nil – The gods of all the non-Muslims are also worshipper of Allah Almighty
37.	Angels – His servants millions, billions	Nil
38.	Lord of the requital day	No – Not
39.	Lord of the Heaven and Hell	No – Not
40.	Residence.... Throne/Empyrean	Graves on this earth
41.	Eyesight divine, ever	No – Nil

	lasting	
42.	Lord of life and death and thereafter too.	No – Nothing
43.	Lord of all the Messengers/Prophets	No – Nil Prophethood
44.	Master of all the deeds/happenings in this entire universe	Nil – No
45.	Allah is Almighty	Not mighty at all
46.	Supreme	No – Not
47.	Guardian	No – Nil
48.	Possessor of greatness	No – Nothing
49.	Holiest	No match with Allah Almighty
50.	Merciful	No match
51.	Beneficent	No match

Many more countless/matchless glories of Allah Almighty.

Allah Almighty is He who gave birth to your gods (The non-Muslims).

Allah Almighty is He who nourished, bread and grew also, the gods of the non-Muslims.

Allah Almighty is He who took the lives of the gods of the non-Muslims, and He will arise them on the resurrection day and question them too about their affairs on this earth.

PART-B1

ALLAH ALMIGHTY KNOWLEDGE

What should I write on this topic? My own knowledge is absolutely nill. If we all human beings try to write on this subject collectively, our combine efforts will surely still be, even then nill only. We can not account even the types of knowledge of Allah/God Almighty.

1. **Planning Knowledge of the Universe:**
Allah Almighty planned to establish this whole universe. Can we all write something on His this planning?
2. **Look at his lay out planning/knowledge:**
We can't view it even.
3. Development Planning
4. Establishment Planning
5. Growing Planning
6. Controlling Planning
7. Winding up Planning
8. Resurrection day Planning
9. Heaven Planning
10. Hell Planning

What else, I should write?

How much should I write?

Will there be an end to this topic?

Can we all dare even to write something about it?

How helpless we are?

And how mad we all are, also?

Did your gods Ram, Buddha, Uzair, Eassa, Guru Nanik and all others have such abilities/capabilities, even collectively?

To accept the truth is not every body job, the brave and wise people not accept their mistakes only, but they amend themselves also.

The religious leaders Popes and Priests, Rubbies, Pundits, Bagshoos, Gurus, Mullahs, Shah and Peers who are sucking the blood of their nations mockingly, can never embrace the reality/truth, boldly. Because it is against their evil business. They are the enemy/mosquito of their nations. Their job is to befool their own nations and suck their blood brutally.

I may mention here the challenge of Allah Almighty, in the Holy Quraan that all the human beings can not write comprehensively, a single beauty of Allah Almighty even collectively.

I did not feel the gravity, very high intensity of this challenge ever before. But today, when I took my pen here on this chapter and some words of my pen "The Planning Knowledge of Allah Almighty" of this universe, has really jolted me completely.

Only one beauty of Allah Almighty, "The Planning Knowledge of the very huge Universe" is so mighty, heavy, vast, that we all human beings are nil x nil here, only. What to talk about our/your so-called gods "Uzair, Eassa, Ram, Buddha, Guru and Paras, etc. here". Our Holy Prophets even call on it, oh God/Allah, mercy, mercy. But our religious leaders Popes and Priests,

Rubbies, Mullah, Guru, Pundit and Bagshoo, etc. never put their guns down. They all are on their toes as ever before, and misleading their own nations/followers, highly foolishly.

Eassa, Ram, Buddha, Uzair and Guru are their divinized gods; Although they all were even themselves, dependent of the human beings helplessly.

Could you/we match their knowledge by Allah Almighty? A little knowledge what so ever they had, that too was a gift to them, by the grace of Allah Almighty Himself and nothing more at all, absolutely.

THE LANGUAGES OF HIS CREATURES

Allah Almighty has created His several thousand creatures all over the universe. We know a few of them only, and we don't know many of them at all very helplessly. A vast majority of them is hidden to us. Some are under the water and earth and some are over and above the skies.

Our genius scientists say that there is no creature on the moon, mercury and on the other planets, too. I do not agree with them at all. I condemn their statements here. Allah Almighty has not created anything in this universe uselessly. There must be residing some sort of creatures which we can not see with over naked blind eyes.

Devils are around us here, which we can not see at all. Besides this there are many more creatures around us, which we can not see with our naked eyes, but we have traced them with the modern sophisticated devices nowadays.

Anyhow, several thousand creatures of Allah Almighty, have their own different languages, respectively. Who gave us, our tongues? Who gave us, our languages?

Allah Almighty who gave us/our languages..... Is not he in command of all these languages?

Is He not the originator of all these languages?

It is recorded by UNO that there are over three thousand (3,000) languages, spoken by the human beings alone, around the world individually.

So what is the overall strength of the languages of all the creatures in the entire universe, totally.

Allah Almighty who is the originator of all these thousand languages, how can we imagine even, the overall capacity of his languages?

It is said that many of the languages have already been vanished and some more are on their way to disappear from us permanently.

The question is that the human beings only are speaking, some three thousand (3,000) languages around the world nowadays.

- *Who gave us these languages?*
- *Who is the Lord/Master of these all languages?*
- *Who is the Originator/Developer of these languages?*
- *Were the Uzair, Eassa, Buddha, Ram, Paras, Guru, etc. in power of these languages?*
- *If they had any minor power, they must have spoken it now even, and so prove their worth too, really.*

Your claim is that they were your gods....

Besides the human beings three thousand (3,000) languages, there are several thousand, other languages of the other creatures also..... They may be even around over and above fifty thousand (50,000) languages.

Who is the originator of all these languages?
What are the limits of the knowledge, of The

Master, of these languages?

The Lord/Master of these (over fifty thousand) languages is Allah Almighty, who originated, developed, promoted, distributed and secured these languages, permanently.

Can we develop/make any graph of the knowledges of Allah Almighty?

His knowledge is a huge ocean, its mighty powerful tide waves, bears no boundaries.

Can any one match His Mighty Throne?

The gods which Popes and Priests, Rubbies, Bagshoos, Pundits, Monks and Guroos have divinized, are all dummy gods, they all had no such powers at all.

1. The Jews and the Christians misled religious leaders, Popes and Priests and Rubbies have brought a bad name to their highly graceful Prophets.
2. They must be shivering in their graves because they are going to be questioned of your misdeeds/stupidness here, definitely.
3. You have not disgraced your Prophets only. You all have insulted Allah Almighty also, highly discriminately.

1. It is in your interest to abundant the assault on the solitary diviness of Allah Almighty.
2. And stop insulting Him, any further forever, too.
3. It is my appeal /advice to the general public, the Jews and the Christians, to disassociate yourself from your misled religious leaders, who are dragging/pushing you alongwith themself into the hell absolutely foolishly. Do you pay them for the

same cause?

American 'Bush' has given fifty billion dollars pocket money to the Popes and Priests in 2007. This public money is to be spent....!

1. To further derail their own nation.
2. To keep quite on homo-sex, nudeness and other evils, there.
3. To distribute this amount among the weak, misled so-called Iraqi, Afghani, Pakistani and Falisteeni Muslims and convert them into the Christianity/Jewish doctrines, foolishly.

Allah Almighty is MIGHTY and is MIGHTY in all respect as I have explained it here in this Chapter. He is so mighty that He is not mortal at all. Death is also his creature, it will itself vanish before the judgment day. But Allah Almighty will never die as He is not mortal at all.

PART-B2

DIVINE KNOWLEDGE ... COMPARISON

Definition of Knowledge is not my subject here.

1. What I mean to explain here is the difference of knowledge not from man to man but from human beings to Allah/God Almighty.
2. Top most important to discuss here is the divine knowledge.

The knowledge of the past and the future, particularly.

We human beings including all the Prophets and all the creatures have not the basic knowledge of anything absolutely.

When the man, Adam (P.B.U.H) landed here on this earth, what knowledge he had, I shall not discuss it further anymore?

The human knowledge is still minus, absolutely.

Zero, Zero, Zero and Zero (0-000000-000...), nothing else. Anyhow, I won't challenge, the championship of the trophy holders of the knowledge, at all. They may be religious trophy holders Popes and Priests or the noble awarded scientists.

Although the human knowledge is zero about the visible things/matter, lying just before our eyes; Even then we are the uncontested world champion, very foolishly. Anyhow, let us come to the main topic, that is the knowledge of God/Allah Almighty.

We define the knowledge here ...!

1. Knowledge of the past.
2. Knowledge of the present.

3. Knowledge of the future.
4. Knowledge of the someone desires and thoughts.
5. Knowledge of the doom day and thereafter, too.

Do we, the human beings have the knowledge, that how many kids are going to take birth in this or next second around the world approximately.

We all including all of our – Prophets are helplessly, zero here only. And what to talk about the gods of the non-Muslims; Were they in complete knowledge of everything past, present and the future also? Did they know their death time? Are you sure of yourself? Okay, listen to me then.

- i. If the Jesus Christ had this knowledge that he will be caught surely, then why he was hiding himself of his enemies uselessly?
- ii. Did he know, he will be hanged?
- iii. If he had prior knowledge of his confinement, then as a god he should have taken not precautionary but revolutionary measures promptly.
- iv. If you believe in the angels.
- v. And what is the function of the angels?
- vi. Their/your god was being caught and hanged, were they all sleeping at that time?

A lie has no legs to stand upon it. Is it not so?

Similarly, blind faith has also no vision at all. It is baseless all the time and absolutely dangerous too.

Can you convince any idolater of his wrong faith? Same is the case with the Jews, Christians and so-called Muslims, too.

- vii. Ram (The god of the Indians) his wife Seeta, was kidnapped by the Sri-Lankans.....!

If Ram was a god, he should have prior knowledge of this heinous incidence and should have taken some measures to avoid this annoying shameful happening.

He should have crushed such criminals in advance and given a good lesson to the rest of the world. This could be managed by the, Ram and Eassa Misseh only, provided they could have (the divine knowledge), prior advance information of these incidences, which they did not have at all surely.

The advance/prior knowledge of some occurrences is the beauty of God/Allah Almighty, which Buddha, Ram, Uzair, Eassa Misseh, Paras and Guru Nanik, etc. did not have, because none of them was a God, truly.

1. One thing is, the divine knowledge.
2. And the second divine might, that too, they did not have surely.

Because they were not Al-Mighty, at all

- A. Allah Almighty – is He, Who knows billions billions years old history of His Divinity
- B. Allah Almighty – is He, Who has The divine knowledge of all the occurrences/happenings billion billion years in advance from this very second on word, too.

He is the Nourisher, Breeder, Grower, Feeder, Survivor, The Lord/Master not of this world only, but the day of requital and there after, the Heaven and the Hell are also in His command and mercy, absolutely.

The knowledge difference of Allah Almighty and rest all of the creatures has no match at all, as a drop of water has no comparison with a mighty ocean.

Allah Almighty knowledge is an ocean as compared to all of the creatures. A drop of knowledge which all the creatures including the human beings possess, is also God/Allah gifted only, highly gracefully.

1. Uzair, Eassa Misseh, Buddha, Ram, Guru Nanik and Paras, did they have, the divine knowledge of their death even.
2. Did they know, how long they will live?
3. Did they know, at what time they will die?

We all must amend our blind faiths that will be a sure guarantee for our bail on the requital day. Otherwise, just wait for the hell fire.

God/Allah Almighty

Buddha, Ram, Uzair, Jesus Christ, Paras, Guru and others like that of Ferouns/Faroah, etc, they all were visitors here just for a few seconds, days, months or years only.

Had they been almighty or any one of them Almighty, who could compel them to give up their or his life and disappear forever from this earth silently?

None of them left this earth himself, all of them were taken on the shoulders, by the poor human beings to the graveyard and buried there.

Is this, the Characteristic definition of Almighty?

The way they lived here, hungry, thirsty, weeping, crying, beaten, sick, then death and graveyard was their lost destination.

***Are these, the glamorous of God/Allah
Almighty?***

To embrace the truth, is always helpful, the safety and honour. I beg you all to disassociate from the so-called Muslims, Christians and the Jews Popes and Priests, Rubbies and Muslim Mullahs and should embrace the truth, to save your own skins from the hell fire, hurriedly.

God/Allah Almighty may bless you/us all mercifully.

Allah Hafiz / Good Bye

**Look at the Charismatic Beauty of
God/Allah Almighty**

Do you want to see the Might/Power of God/Allah Almighty?

We all come across this scene daily, but we do not go into depth of its reality.

Just look at the Mosquito. How minor it is? But see the charismatic majestic authority/might of Allah/God Almighty.

Just look at the tiny body of the mosquito but his favourite food is the blood of the human beings. It attacks us roaring voluntarily. We human beings who have conquered the Moon and the other planets, are helpless to defend ourself from it, absolutely miserably.

The Mosquitoes are so brave that they damn care for the part or parcel, rich or poor, servant a cook or a president.

It does not accept any bribe too, and treats everyone of us impartially very friendly.

Is there any lesson in this story?

Yes, there is a great lesson for the wise people, a great lesson for all of us to keep our eyes down, feel shame and behave with other mercifully.

Just look at it, many of us, give our lives in the hands of the mosquitoes around the world every day.

A mosquito is not mighty at all in any sense but mighty is He, who has made us merciful in his hands charismatically.

We call this charismatic, Majestic Lord, our God/Allah Almighty.

Buddha, Ram, Uzair, Eassa Misseh, Guru Nanik, Paras and others were themselves a prey for the mosquitoes, that is the fact, a true story but we human beings have ever been playing in the hands of our enemy, the Satan/devils, very voluntarily.

As our religious leaders are blindly misled themselves, how could they guide us to the heavens gracefully?

PART-B3

**ALLAH ALMIGHTY
ENGINEERING/TECHNICAL
KNOWLEDGE**

Allah Almighty Engineering Knowledge, Chemical, Electrical, Electronics, Physics, Chemistry, Atomic and Mechanical, etc and many more sciences and engineering knowledge which has not yet been even discovered by the human beings upto now. Besides these engineering drawings, drafting and assembling knowledge; He has ocean/mountain of all the knowledges, truly.

He is Master/Lord of all kinds of the engineering. He has no partnership with anyone, in knowledge, too. It is the great basic human weakness that we have never accepted the truth/reality. The human beings have ever been friends of the devils/Satan, very vehemently.

Allah Almighty has been sending one after the other, several thousand Prophets, why?

Because we, the human beings have ever been rejecting, betraying the truth, continuously. So, how could it be that my advices/requests will be considered and accepted by the Popes, Priests and Rubbies of all the nations, positively? Whereas, these people have ever been murdering the Holy Prophets, absolutely foolishly.

Anyhow, it is my appeal/request to the general public of all the nations around the world especially; please accept the truth that.....

There is only and only one God/Allah Almighty and rest all are, the cooked stories only. It is in your own interest to believe in the truth and save your skins from the flaming hell fire surely.

PART-B4**THE VISION****UNBEARABLE TERRIBLE VISION OF
GOD/ALLAH ALMIGHTY**

The "VISION" of God/Allah Almighty is so highly intensively, glittering, shining, that it is unbearable not for the human beings only, but all the creatures entirely are helpless in this regard, absolutely.

Do you remember the accident which met the great Prophet Moosa/Moses (P.B.U.H). He pledged Allah Almighty to show him His face kindly. Have you ever read it, then what happened?

It was a slightest glimpse of the Vision of God/Allah Almighty, for a fraction of a second only, which burnt the mountain 'Toor' into ashes completely.

There is an idiom ... Think before you speak, which the Jews and Christian's religious leaders Popes, Priests and Rubbies have ignored it absolutely very criminally.

The incident, which met the Holy Prophet Moosa/Moses (P.B.U.H), is there in The Holy Books of the Jews and the Christians, the Bible, Torah, Ingil, and Gospel, etc.?

Even then they have not done mistakes but have played some big blunders, also, very mischievously/blindly. They have not played with their own fates only but they are still playing very badly with the fortune of their nations too, continuously.

They believe in the mortal Gods, the human beings, as Hindoos, Buddhas and Sikhs in India are also in the same steps, foolishly.

Did Prophet Eassa/Jesus (P.B.U.H) has such a terrifying vision as Allah Almighty is possessing.

If so, then how could people dare even to face him criminally?

God/Allah Almighty has many countless, matchless, outstanding dignities which He never shared it with any of His creatures at all. No one is His partner in this regard, in this entire universe, surely.

I mention His a few outstanding dignities here particularly,

- | | |
|--------------------|---------------|
| 1. Vision | 2. Almighty |
| 3. Greatest Artist | 4. Creator |
| 5. Nourisher | 6. Grower |
| 7. Master | 8. Lord, etc. |

There is no doubt in it at all that all the non-Muslims, the Jews and the Christians especially, have never taken pain to study the gravity of the dignities of Allah Almighty minutely.

One of the greatest dignities of God is that He is Almighty. Prophet Jesus Misseh was encircled, caught and hanged by the human beings helplessly, which clearly indicates that –

1. He had no glowing shining vision at all.

2. Because he was not Almighty at all.

That's why he was encircled, caught and hanged by the human mortals, miserably.

Its mean, he was not God at all, as he lacked these basic dignities of Divinity.

If you do not amend/correct yourself, it will be an irreparable loss and the resultant will be ever lasting hell fire. Luckily there is still a time for you/us to amend ourself/yourself and to save/our/your skins from the ever lasting hell fire.

Will you Popes please, take care of this request?

CHAPTER NO.4

GOD/ALLAH ALMIGHTY SELF SUSTAINER

Allah Almighty needs not any food/drinks at all.

What a wonderful delicious foods, fruits and drinks He has created? He Himself defines their deliciousness and very sweet flavors without ever tasting them even too. How sweetly He describes ever tasting them even, the heavenly canals of the milk, honey and wines?

What a Majestic Mighty personality is He really?

[1]

No Foods

The foods and the drinks need the stomach, why should He carry it really?

[2]

No Blood

The foods and the drinks build up the blood which He does not ever take them at all. So question of His blood is absolutely irrelative and nonsense also here.

[3]

No Air

The air is needed for the purification and

cooling of the blood basically.

[4]

No Stomach

When Allah Almighty does not take anything and he has a blood free Mighty Personality, then any question of his Stomach is a foolish idea only.

So, what for you will denote Him your lungs, Mr. Popes and Rubbies, sir?

1. Allah Almighty has not at all the human body.
2. He is a blood free Mighty Personality.
3. His height and body size is also very huge beyond the human imaginations even, absolutely.

1. *How the holy Popes can marry a very tinny lady to him?*
2. *How the holy Popes can deliver a mortal son to him?*
3. *When His body does not match with the Tinny human beings at all.*

Anyhow, it is very clear, the wonders are the blunders of the holy Popes. Their holy personality can give you the wrong or right dimensions roughly or wrongly, which will decide your fate, the hell or heaven finally.

But I may remind you here, what for Allah Almighty has blessed you with the brain and knowledge too, very gracefully?

I might have also accepted all the doctrines of the holy Popes absolutely blindly. Provided the sweet holy Popes could give me the old list of the wives of Allah Almighty since-?

1. Prior the creation of this universe some billions/millions years ago?
2. Prior the creation of the human beings, some billions/millions years ago.
3. Prior the birth of the holy Maryyam?
4. The list of His wives since the death of the Holy Maryyam (Silat for her).
5. Alongwith their children list too.

As the Holy Popes have never carried such lists with them at all. They have never come out with the reasons of their failures too.

How stupid could I be to carry their tails then?

Except that-!

I invite them to embrace the truth/Islam immediately.

And make sure to save your skins from the hell fire, that is your own personal character and the responsibility.

No body will be carrying-?

- Any mitre!
- Any Crown!
- Etc on the resurrection day absolutely.

Mr. Popes and Clergymen Celibacy

The Holy Prophet Eassa Misseh (Silat for him) did not marry most probably, so the Popes and their clergymen too, claim their celibacy.

1. Mr. Popes, declare the celibacy of the Holy Prophet Eassa Misseh (Silat for him).
2. Mr. Popes alongwith their clergymen staff also claim their celibacy.

But the Celibacy of Allah Almighty has ever been shattered by the Holy Popes armies.

Although their personal celibacy is blown off in the holy chair of the Vatican empire by the pregnancy of their own colleague there.

Even then they all still call themselves the Holy Popes.

Good Bye Holy Popes!

CHAPTER NO.4-1

GOD/ALLAH ALMIGHTY NO FOOD – NO DRINKS AT ALL

Nourisher, Grower & Feeder:

What a majestic authority it is? And what a gigantic story it is? He alone is the grower of all the food grains, fruits, blood, salt, sweets, chillies, water, air, vegetables, milks & meat of fish, birds, animals, etc. He alone has originated, produced, grown, cooked un-cooked foods and drinks (water, blood, juices for all of his creatures a particular food for the respective creature particularly, solemnly.

Energy, for the sun and light for the moon, air, water and heat for the nourishing-growing and livelihood – of all his creatures, a regular supply, daily un-interruptly. He has managed this all after the death, especially, for the next life, heaven or hell, too.

His all the creatures are enjoying every necessity here in this world and will get everything as per our deeds, and as per His promise, in the next world too, surely.

Heavenly people will be honored with unexpected, unimaginable wonderful rewards/gifts, surprisingly.

But.....???

He himself will not share/take anything, as He is least bothered/interrupted here in this world nowadays. He needs nothing as such and nothing is attractive to Him at all, majestically. He will just watch His creatures enjoying with pleasures and this is what His wonderful fantastic, majestic.

Charismatic personality is? This is also one of His Mighty role as Allah/God Almighty.

CHAPTER NO.5

MATCHLESS GLORIES OF ALLAH ALMIGHTY

- Allah Almighty is the Creator of this entire universe, including your so called god's also.
- He is ever living. He will never die, too.
- He all alone is the Lord/Master of the resurrection day also.
- He has no mother, so question of any father is itself irrelative.
- He had never any wife so question of any son or daughter is not only baseless but to think it so is absolutely stupidity, too.
- His Body is not a human's material body at all.
- His Body is totally Noor (Light), this sun/the day and night lights are the glimpse of His Noor only.
- He All Alone is managing all the foods supplies to all the living-hoods/creatures independently.
- The Monotheism is His Monopoly, no body is rival to Him.
- He Himself Alone is controlling all the activities of this entire universe independently.
- He Alone is The Master/Lord of the Heaven and the Hell too.
- He never eats (that is not required by His Body).
- He never sleeps, too.
- Some Millions, Billions miles away, everything is in His sight.
- All the creatures even the Sun and the Earth pray/prostrate to Him readily every day, every second but the majority of the human beings are the only headless ones.

- And It is He who gave the life and snatched it – also of your so called gods, too.
- Above all the Body/physique of Allah Almighty.

Its so huge beyond our calculation and imaginations even, also.

A human body how huge it may be, has no match at all to Allah Almighty, the human body is just a dust particle ratio to Him only.

These above are the few out of the hundreds/thousand, millions dignities of Allah Almighty.

The religious leaders of the International Community rise from the very low families actually. It is beyond their mental capacity to rise so high level of maturity.

That's why they are staggering throughout the world every where. Some of them are: Worshipping a cow, a horse. The Guru-Nanik, and the others worship the sun, moon, fire etc. absolutely foolishly.

It is the duty of all the human beings to come forward themselves and embrace the Truth. It should not be left at all, the monopoly of a few people only, to decide the fate of the entire international human community.

A little before, the scientists have announced that one of the black hole's diameter is some billions miles approximately.

This is the diameter of one hole only. How many Black holes are there in this entire universe? We don't know at all and we will never be able to know it definitely.

Same goes for the size and volume of the huge giant planets scattered all over around us.

So, this is the story that we are unable to find out any figures of this entire universe. Although the Holy Prophet Muhammad (P.B.U.H) has given us some figures, yet we are unable to find out even the approximately distance of the Holy Throne of Allah Almighty from our planet.

Neck Size of an Angel

The Holy Prophet Muhammad (P.B.U.H) said that the angels who are carrying the Holy Throne of Allah Almighty are eight in Nos. And they are so huge in body, that the length of the neck of each of them is three hundred (300) light years.

This is the length of the neck of those unbelievable huge mighty angels. I believe, there is no calculator manufactured/invented yet, to find out such huge figures.

This is the size of the neck only of those huge angels, what could be the over all size, length and weight of those angels who are carrying the Holy Throne of Allah (God) Almighty).

Is it not a new knowledge and surprise for our genius scientists?

Three hundred (300) light year is the length of the neck only, of those angels who are carrying the Holy Throne of Allah (God) Almighty, said the Holy Prophet Muhammad (P.B.U.H)/Silat on him.

Rest of the size – length – height and weight he did not mentioned, one goes faint to hear the length of the neck of the angels only. Had the Prophet Muhammad (P.B.U.H) given us the over all size of those angels, what could be our mental conditions then?

CHAPTER NO.5/2**THE GLORIES COMPARISON**

The main aim of writing this book "The Mighty Personality of Allah/God Almighty" is to expose the universal truth, to the anxious, misled people around the world who are confused or misled and are in the search of the reality. When we say and believe it also that this entire universe is created alone by God/Allah Almighty, its mean we accept not two but three things here.

The Creator:

Allah/God Almighty was long long ago here before the creation of this universe surely.

The Controller:

As we believe, He alone has created this entire universe, so definitely He alone is the controller of it also.

We must make up our mind here and take it guaranteed also, that had there ever been more than one God/Allah, this universe could never be run so uninterruptedly. There could be not one but thousands collisions upto now. That's mean, it could have never been run so smoothly, uninterrupted and exist upto now.

This universe is not created aimlessly, too.

CHAPTER NO.6

THE HOLY PERSONALITY OF GOD/ALLAH ALMIGHTY

None of the Glories, Dignities, and Characteristics of Allah Almighty are ever explainable by the joint efforts of all the creatures, even collectively.

It is absolutely stupidity to take up the pen over this subject really. But the devil clergymen of all the nations are playing with the fate of their own people highly mockery.

- *I don't have the enmity with any of the person over this earth at all.*
- *I am not a Mullah/Pope also at all.*
- *I am not in the search of any mitre, too.*
- *I am not equal to any of the weakest clergyman of any nation at all.*
- *I am just a common Muslim hardly. But I am forced to come forward like a watch dog and worn the thieves/dacoits, absolutely loudly.*

2. And to caution the general public, so that they wake up for their safety and security very promptly. If by my barking/shouting, even one man secures himself from the flaming hell fire, it will be a great grace for me of Allah Almighty really.

This is what for all the Holy Prophets had been struggling through out their lives very steadily.

Anyhow, let us have a slightest glance over the Holy Personality of God/Allah Almighty, who is the creator of this entire fantastic universe lonely.

[1]

He has created numerous beautiful fruits, like mangoes, apples, bananas, grapes, melons, watermelons, etc. Look at there highly attractive colours, sizes and beautiful shapes, too.

What fantastic their tastes are, each of them differ with the other highly tastefully. These are not the men only who are very crazy all of them, but the birds, flies and the animals are also ever enjoying them whole heartedly.

But the Holy Personality of Allah Almighty is so highly charismatic that He never tasted them even, highly majestically.

[2]

Allah Almighty says He has drawn canals of the milk and the honey in the heaven. They are exceptionally sweet and tasty and their flavors are beyond the human imaginations really.

But the Holy Personality of Allah Almighty is so highly charismatic that He never tasted them ever, highly majestically.

[3]

Allah Almighty has made "The Sex" a very essential part of the life, among all the living creatures very commonly.

The biology masters say that even the plants are in the male female pairs and their generation depends upon their sex relations basically.

Leave aside the man, how crazy are the dogs, donkeys, monkeys, rats, cats, elephants, cocks, all the birds and fly's too, sexual hungry and thirsty very emotionally.

Allah Almighty has defined the beauty of the "Hoors" the heavenly females, very exceptionally:

1. **The Hoors are exceptionally white like eggs.**
2. **They are shining like the jewels, very charmingly.**
3. **They have beautiful bigger eyes.**

What a super sexual attractive those creatures are whose beauties are expressed by Allah Almighty himself so marvelously?

But the Holy Personality of Allah Almighty is so highly charismatic that He damn care of it at all absolutely majestically.

[4]

Allah Almighty has created some superficial shining bodies like the sun and the moon very charismatically. The sun carries tremendous burning rays and the moon has sweet shining light in it naturally.

Do they have any match with the "Noor" of Allah Almighty?

If you want to know some more detail of the "Noor", kindly visit the Toor mountain in the Sinna area of the Misser personally, or go through the Holy Bible, Ingil, Torah and the Quraan where the Holy Prophet Moosa (Silat for him) explains you/us absolutely shiveringly.

So the Holy Personality of Allah Almighty! The Mighty Personality of Allah Almighty!

Or all His other charismatic characteristics are beyond the imagination even, of all the creatures absolutely.

CHAPTER NO.6/2

THE HOLY PERSONALITY OF GOD/ALLAH ALMIGHTY

Everything of this entire universe is all the time under the command and control of Allah Almighty absolutely very firmly.

We can well imagine the firm enforcement of his powers that the sun rises and sets as per its schedule. It never violates a fraction of a second even, since its birth at all.

He is not doing anything at all. This whole universe is running from the millions billions years since its birth, very smoothly. He is not applying any force for it. He just said go, and it started revolving. The day, He will say stop, everything will vanish over here absolutely completely.

Everything except the human beings in this universe, is so obedient of Allah Almighty that none of them has ever changed its pace even, since the billions of years of its birth.

1. No elephant and mosquito has ever thought about even for their residence.
2. No Prophet has come to them, and they did not need any heavenly scripture also at all.
3. They don't have faith in it that this world is absolutely useless.
4. None of them has erected any food storage too, as they firmly believe that next time too, Allah Almighty will arrange food for them surely.
5. None of them has ever build over hundred stories towers.

WHAT FOR?

6. None of them has ever tried to fly over the skies at all.

WHAT FOR?

7. None of them has ever developed any nuclear device/missile madly.

WHAT FOR?

8. They believe it blindly that the life of all the creatures and their population/ strength is absolutely in the hands and mercy of Allah Almighty only.

9. No one can increase or decrease even a single member in their strength at all absolutely, except Allah Almighty.

An Englishman was with me in the Saudi Arabia, "He asked me, the Muslims are ever saying "Insha Allah" in their common language uselessly"?

There is no need of it at all, when I wish to take my food or remove my shirt, I am doing it without (Insha Allah).

"Oh yes, you are right but listen to me carefully, I said "the Holy Prophet Muhammad (Silat for him) was all alone when the devil Rubbies, Popes and Priests/Pundits of all the non-Muslim nations, tried their best to murder him absolutely brutally".

I reminded him "The stupid Rubbies,

Popes and Pundits of whole the world did their best for about twenty five (25) years to take his life, but they gained nothing except shame".

"You Christians believe like the Jews that your Popes are all in all here on this earth and there after in the next world too, but the tragedy with you is that the religion Islam spread so rapidly and powerfully that it is the largest religion on this earth nowadays", I reminded him.

"There are more than fifty five (55) Muslim countries on our this globe, which is sufficient to realize your Popes and the Jewish Rubbies that they are nothing except zero x zero x zero

And that's all.

"Insha Allah means willingness of Allah Almighty, we can not, twinkle our eyes even without his willingness at all", I told him.

The Britisher was ashamed of his idea, he realized the truth finally. The Popes and the Rubbies have written a very large number of the books, over this foolish story that Jesus was encircled, caught and hanged.

On the other hand they claim that he was god almighty really.

What sort of god he was?

And what sort of mightiness he had?

CHAPTER NO.7

GOD/ALLAH ALMIGHTY HIGHLY UNBELIEVABLE, GLOWING, GLITTERING, SHINING PERSONALITY

The Glowing Personality:

The Jews, Christians and the Muslims, all these nations know and believe in this incidence also which is narrated in all their Holy Books, the Torah, Ingil, Bible/Gospal and The Quraan as well. The incidence is:-

That the Holy Prophet (P.B.U.H), Moosa/Moses pledged to Allah Almighty that he wishes to see Him (Allah Almighty) physically, practically, with his naked eyes. He made this plea while he was standing on the 'Toor' mountain, where he used to go to talk to God/Allah Almighty occasionally. Allah Almighty avoided it but Prophet Moosa (P.B.U.H) insisted for it.

Allah/God Almighty Himself did not appear, He just twinkled for a mega second only. His fantastic, glowing flayers of Lights were so highly glittering, glowing, shining gigantically, that Moosa/Moses (P.B.U.H) could not bear it for a fraction of a second even, and fell down, losing his senses completely.

The intensity of that incident was so highly severe, that the Toor mountain was itself burnt down. How gigantic fantastic that incident was? We can not measure its frequency with any of the highly sophisticated advance technology, even today.

The Sun Shining Heat:

The sun is highly powerful heater in the universe and its rays are so shining that even the under ground floors lit up

brightly but nothing is ever burnt away with its heat anywhere around the world any day.

I may remind you here that the sun is only 1.5 millions miles away from our planet, when its rays reach here on this earth, they become bearable for us, whereas

God/Allah Almighty lives on the 'Empyrean' which is some billions miles away from our earth, even then the intensity of shocks of His charismatic glory flayers were so highly powerful that the Toor mountain was burnt away very miserably.

This is, what true Allah/God Almighty is. His charismatic majestic powers are not only countless but unbearable and unexplainable also.

The question is, why I needed to expose the Majestic Charismatic power of Allah Almighty here, whereas He has millions billions unbelievable, unimaginable such majestic charismatic glories, surely. What I mean here is that, did your so-called gods, carry any of the such matchless beauties?

The Jews god, the Christians god, The Indians Buddha, Ram, Guru Nanik and Paras gods, they all were given birth by the ladies who used to carry them in their arms and over their shoulders day and night everywhere. They all were grown up in the crowds, obviously. But none of them had ever any such charismatic light and heat as I have explained here above, which Allah Almighty authority bears it, of course lonely. The light and heat is not the property of the sun. It is also gifted to it for a very short time by Allah Almighty, Himself gracefully.

So, had any of them Ram, Buddha, Paras, Nanik, Uzair and Eassa (P.B.U.H) been God, his light and heat could have been unbearable like that, surely.

Another thing to identify the true God/Allah Almighty is his residence/place of living.

CHAPTER NO.7/1

GREAT MIGHTY HANDS GOD/ALLAH ALMIGHTY

Almighty means Almighty, when we say Allah Almighty, its mean He is Almighty in all respect.

Have we ever thought or read about it? Anyhow, just listen me here. It is the human history, we just listen something and then speak of it also, without any investigation, foolishly.

WE say God/Allah Almighty every day several times but we never go into the depth of its reality. We are discussing here about Mighty Personality of God/Allah Almighty, particularly.

None of the creatures match physically at all with the personality of Allah Almighty. We human beings are very tiny and feeble, as compared to the many other creatures on this earth. Look at the trunk of the elephant, camel, bull, zerafa, lion, crocodile, whale, etc. We human beings are no match to these giant animals.

How can we, the human beings match with the creator, designer, originator, fabricator and grower of these very huge bulky animals?

It is not that simple to create them only in millions billions numbers, but to feed them regularly daily, is greater Divinity than their birth even, too.

I take here the hands of Allah Almighty, for the example of the general public only, but not for our religious leaders of all the nations, including Muslim Popes and Priest also, because they all are mentally blind retarded people usually.

After the resurrection day when all the matter will be settled down, the people will go to their respective places heaven or hell as per their deeds or misdeeds respectively.

Anyhow, after someday, Allah/God Almighty will quench His Hands in the hell and will take out some of the people out of it, mercifully. He will repeat it thrice.

Can you guess the size of the Hands of God/Allah Almighty?

Their size is un-explainable here.

Look at your own Tiny hands.

What was the size of the hands of the Ram, Buddha, Uzair, Jesus Christ (Eassa), Paras, Guru and so on others?

Did they had such hands which will take millions billions people out of the hell?

We human beings can not take a cock or a crow in our hands. The fact is, we all are misled. Our religious leaders, Popes and Priests, Rubbies, Pundits, Gurus, _____ and now Mullahs have been divinizing the personalities, (Prophets and Saints) foolishly; And we general public have ever been following them too, blindly.

Another misunderstood horrible story, the teaching of all the religious leaders, including the Muslims also, is?

Some people will go in the hell for a short time and will be taken out shortly.

What a foolish teaching is it? Do you, Popes and Priests, Rubbies and Mullahs think that hell is a garden, where you will be honoured with the grapes and apples?

You all are befooling the people headlessly. You all are misleading the people mischievously. You all are big cheaters devils.

I don't want to see hell for one second even only. Oh God/Allah Almighty save us all from the hell fire forever mercifully.

1. I request you all the people of all the nations irrespectively, please pray to Allah Almighty as per his teachings regularly.
2. Do not harm anybody. Please take care of it.
3. Look after your nearer and dearer.
4. Look after, the poors and orphans too.
 - a. This is the only way to get rid of the hell.
 - b. Rest all is foolishness/evil faith.
 - c. Do not follow the religious leaders, blindly.

Mighty Hands and Their Gracefulness

I have given some greatness of the Hands of Allah Almighty here, already.

Look here, the gracefulness too, of the Hands of Allah Almighty.

I have said here before, that God/Allah Almighty will quench His Hands in the hell and will take out millions/billions people out of it mercifully.

Have you ever thought about the intensity of the hell fire? Oh, my God. How terrible that is?

We human beings can not tolerate the fire of a very small match stick.

Hell fire is about hundred (100) times more terribly hot than any type of fire on this earth.

How terrible it would be to come even near to it?

Anyhow, did Jesus, Uzair, Guru, Ram, Buddha, Paras, etc. had such graceful hands?

Mighty (Hands) Fingers of God/Allah Almighty

Some people may take it a joke or just/exaggeration of my wordings and explanation which I have given here about the Mighty Great Hands of Allah/God Almighty.

It will really be astonishing for such people to know about the huge mighty fingers of Allah/God Almighty. On the day of resurrection, Allah Almighty will lift everything in this entire universe on His five (5) fingers and will roar loudly "I am proudy where are those who were mad in proudness on the earth, before their death"

Allah Almighty our Lord, The Master will lift!.

- 1. All the skies, on His one finger;**
- 2. The land on His another finger.**
- 3. The mountains and all the trees on His another finger.**
- 4. The water and the earth on His another finger.**
- 5. And rest all creatures on His another finger.**

Actually, this whole description was narrated by a Jew to our Holy Prophet Muhammad (Silat for him/P.B.U.H), who came to him to enquire the truthfulness of the religion of the Islam.

Our Holy Prophet Muhammad (P.B.U.H) confirmed his narration with this Holy Verse of the Holy Quraan,

All Almighty will wrap all the skies in His right Hand & the land in His left Hand on the requital day.

A Hideth/Hidees

(Saying of Prophet Muhammad (P.B.U.H))

"The righteous people will be in the right Hand of Allah Almighty & the corrupt evil people will be in the left Hand of Allah Almighty, our Master and the Lord of the resurrection, on the dooms day."

This is the symbol of mighty-ness of our Allah almighty.

A person like Prophet Eassa (P.B.U.H) who can not face, just a few rebelling, individuals, he was not caught only but hanged also by those miscreants, very miserably. How can he be a God Almighty, Popes Jee?

Such a helpless-weak person can not be at all God/Allah Almighty whose one of his outstanding dignities is that He is Almighty.

Thus same goes for the Uzair (P.B.U.H) and Ram, Buddha, Guru and so on. None of them was ever a god, at all, absolutely.

CHAPTER NO.7/2

COMPARISON DIFFERENCE

Body of Allah/God Almighty

Body of All the Creatures

The Material/Matter even, is a great basic difference, absolutely.

Before I say something about the Holy Body of God/Allah Almighty.

I give here, the details of the different materials/matters used by The God/Allah Almighty, for the creation of different creatures, briefly.

1. Noor (Light) Grace:

I will describe it here a little ahead. Anyhow, Noor is the basic main substance which is used a little or more in the creation of all the creatures, commonly.

The angels are purely from the Noor origination.

2. The devils are created, out of the fire.
3. The human beings are made of water, fire, air and mud, basically.

This combination is briefly given in all the heavenly books, Ingil, Torah (Torait), Zaboor, Bible and Quraan as well, also.

So, there is no confusion about this reality among all the heavenly religions. No one can deny the truth.

4. Rest all of the creatures, also have some what similar history.

- a. The Angels and the devils are not visible to the human beings.
- b. How many other creatures are out of the sight of the human beings?
Nothing can be said about it?

c. It is not only said but claimed also by our genius scientists that there is no livelihood on rest all of the planets, except the earth.

I do not agree it at all with our heroic scientists. As nothing is created useless by its creator, Allah Almighty.

There must be some sort of creatures on all the planets, invisible, untraceable by the human beings.

The angels and the jinns are always present around us but we all the human beings, are ever absolutely ignorance about their presence most helplessly. We have developed such highly sophisticated machines which can trace a million part of some smallest particle but very huge body angels are ever invisible to us completely.

Anyhow, we take the subject Noor (Light) here now.

Noor (Light):

Light is not the alternate word of the Noor at all. Light is far away out of the definition or translation of the Noor substance absolutely.

You must have had witnessed the powerful lightening of the thunders, whose originator, creator is no one else, except Allah/God Almighty.

If the thunder current intensity is so highly powerful, that we have no scale/machine to calculate/measure it upto now.

Then we can well imagine/understand the Noor/Light of God/Allah Almighty who is the actual alone major basic source of all the lights where ever they exist, altogether collectively.

I may code here an example for it of a roaring sea.

1. What weight/value carries a drop of water as compared to the Tsunami sea tides?
2. Or, what is power rate of a bulb as compared to a huge atomic electrical power plant. A bulb is nothing to mention even So is the story of a water drop?

The Noor (Light) is at least of three (3) different categories or shapes.

1. Sun A very powerful heating light.
2. Moon ... Very sweet shining light.
3. The Graceful light ... All the creatures are gifted/denoted very lean graceful light, by God/Allah Almighty Himself, very mercifully.

The Body of Allah Almighty is totally (Noor).

Highly powerful Heating/temperature, plus Absolutely sweet, shining, lovely (very High intensity light) and highly graceful, too.

As sun is also the creature of God/Allah Almighty. Then we can well imagine the strength of the shining light (the Noor/the Body of God/Allah Almighty).

Were the bodies of Jesus Christ/Eassa Misseh, Uzair, Buddha, Ram, Guru Nanik, Paras, etc. of this caliper which I have discussed here, above now?

They all were human born. They all had human bodies, and so on, absolutely human beings. It is really a suicide to believe in their godship. One should refrain from committing suicide blindly.

It is a big long jump direct into the hell (fire). There is no way out of it and the hell/fire is the chastisement forever, for indefinite period/permanently.

I have struggled hard here and taken pain to save such people from the hell/fire who are misled and believe in any of the human god other than the Allah Almighty who alone is our creator, nourisher, feeder and Lord/Master of all of us, not only in this world but on the requital day and thereafter, too.

I pray for you all success, most humbly.

CHAPTER NO.7/3,4

THE BODY GOD/ALLAH ALMIGHTY

HANDS

Let us now know a little about the huge body of Allah Almighty.

1. This our land/planet will be wrapped, in the one hand of Allah Almighty, like a (Paper) bread on the dooms day.
- The Jews and the Christians along with the Muslims believe it whole heartedly as it is in their Holy Books respectively. These three major nations of this world, believe this doctrine solemnly.
- How huge that palm/hand/first would be of Allah Almighty?
- Were the hands of the Uzair, Jesus, Ram, Buddha, Guru Nanik and the Paras of such size? Of such strength?

- Are not the Popes, Priests, Pundits and The Rubbies sleeping over their doctrines?
- Were the hands of their so called gods, of that caliper which is stated here, and it is in their holy books also?

A Jews Priest's Conformation

A Jew Priest came to the Holy Prophet Muhammad (P.B.U.H) for testing him and his knowledge. He questioned about the dooms day to the Holy Prophet (P.B.U.H) who quoted him one verse of the Holy Quraan and said that this

our planet will be wrapped up by Allah Almighty in His hand/fist like a loaf of a bread.

2. And further said in detail that the
3. It is another confirmed description of the Heavenly Books that the pious people will be in the right. Hand of Allah Almighty, the non-believers and criminal people will be in the left hand of Allah Almighty, the Beneficial, the Merciful, on the Judgment day.

I believe these will not be the human beings, only but the Jinns/devils will also be in the right or left hand of Allah Almighty respectively.

So, Men pulse Jinns, the total strength will not be billions, billions but in many trillions, trillions, surely.

How huge and mighty the Hands of Allah Almighty must be?

Were the hands of your so called gods Uzair, Jesus, Ham, Buddha's, Guru Nanik, Paras etc. of that capacity?

We should be sensible and honest to ourself. It is in our own interest, "The human beings", that we should select/choose the right path to save our own skins after death, on the dooms day.

Our life is not trust worthy at all. If someone crowns himself with a hundred (100) years life, even then it is a Zero (0) only, as compared to a person who died away some fifty/ten thousand years ago and he has not gone with the winds but may be under horrible stresses/punishments as per (The Jewest, Christ and the Muslims) religions/doctrines.

Height of Allah Almighty

I know nothing about the height of Allah Almighty and none of the creatures have any such idea absolutely, collectively too. But let us have a glimpse of it only.

Allah Almighty declares in the Holy Book – Quraan that all the people will be lying in between His feet, on the Judgment day the Jinns will also be included in our lot, surely.

Human beings strength will be not in billions billions but it may cross even some trillions trillions until dooms day.

Can we guess the feet apart distance of Allah Almighty?

Can we guess the gape in between His feet?

When the people will be in trillions trillions strength and the Jinns will also be included there,

How wide apart the feet of Allah Almighty would be on that day?

Oh – Allah – The Merciful forgive me please, my all mischieves.

Anyhow, what would be the distance among the feet?

And if the distance among his feet is several thousand miles apart then what could be height/length of his legs, dear Mr. Popes Jee?

No – figures from myself?

I keep my mouth shut and pen close tightly.

Can you all dare to say something about these figures, Mr. Popes/Rubby Jee?

Oh – Allah Almighty forgive us all

But what I mean to describe this all here is that the non-believers should realize their mistakes. I mean their misconceptions.

Your so-called gods Uzair, Jesus, Buddha, Ram, Guru Nanik, Paras, etc, did. they had such height/length of their legs, Sir?

No – No – No – None of them

I shall give some more details of the height of Allah Almighty, but a little later on.

The character of most of the Popes and Priests of all the religions including Islam has ever been shameless since the beginning of this world, very clearly.

Each of them has ever been demolishing the basic original doctrines of their religions and fabricating, adding or subtracting something from it of their own stupid philosophy.

CHAPTER NO.7/5

THE BODY OF GOD/ALLAH ALMIGHTY

THE HEELS

When the dooms day will be over and the people will go to the hell as per their evil deeds, and heaven by the mercy of (God) Allah Almighty;

The hell will roar, cry and demand more people in it from Allah Almighty. It will not stop its crying till Allah Almighty places His heel in it.

Many questions arise here!

1. The Glories of Allah Almighty.
2. The Heel size of Allah Almighty.
3. Etc.

The hell cries would be that it is not full yet. It will demand more people into it. But when (God) Allah Almighty will place His Heel in it, it will become silent.

1. *What a great size could be, the Heel of Allah Almighty!*
2. *How graceful Allah Almighty is?*

Was Jesus Christ, Uzair, Buddha, Ram, Guru, Paras or any other person ever of such highly matchless unimaginable huge dignities?

As I said before, it is very hard for some one to amend his guiltiness. It is absolutely impossible even, until and unless some blessings falls on a deceased person, of Allah Almighty.

Suppose, Pope is hundred percent (100%) sure that the doctrine which he follows, is not correct, he will never denounce it at all – openly.

There are many historical proof/records of such guilty persons who knew the truth but they never acknowledged it.

[1]

Ferouns/Farooq knew that he is not a god at all, even then he always persisted on his mockery declaration.

- ii. He was questioned by his top ranking Ministers in this regard; we can't help, we have to carry on with this mockery declaration he replied.

[2]

The leading opponents of the Prophet Muhammad (Silat for him) were also lately aware of the truth "of his Prophet-hood and monotheism doctrine", but the cloaks/mitres which they carried as a chieftain of the Makkan, dragged them to the hell/death helplessly.

[3]

A famous Vatican Pope Joan 6th was a lady. She climbed from Athens to Vatican/Rome and became the Pope, the head of the whole Christianity around the world. Did she not know her mockery? She was successful in hiding her gender till then, but she could not control her emotion, became pregnant and went astray.

Why it happened so?

1. Her cloak/mitre dragged her into her death.
2. The highest crown of the Christianity and the pomp and show for her in the Christianity masses, climaxed her so high, where mostly

people go mentally blind, and they ruin not themselves only but they drag to their followers too, in the hell very mischievously.

The Prophets always had a different fantastic glowing history for the world record, e.g.

Holy Prophet Muhammad (Silat for him) was orphan by birth. His father died six (6) months before his birth. His mother too died, when he was yet a five (5) years child only. He was taken by his grand-father in his custody there after. He also died within three years. He too, left him alone when he was just a nine years old child only.

Just see, how shaky life he starts with.

He announced his Prophet-hood at the age of forty (40). Just imagine his own nearer and dearer and elders including his own uncles became his enemies. He was tortured day and night, beaten, stoned and wounded everywhere daily.

But even then he continued his preaching in such a miserable helpless environments too, very regularly.

He was offered money, gold and leadership of the Makkan also, but he never bow down for these bounties and went ahead non-stop with his preaching e.g. –

1. (God) Allah is all alone and one only.
2. He has no father or mother, wife and so no son too, really.
3. At the end of this world, Allah Almighty will honour to the noble faithful people who used to prostrate him regularly daily, with the heaven and the non-believers /criminals will be pushed into the hell/fire for the chastisement of their crimes finally.

He never forced, harassed, bribed or trapped anyone throughout his life. Anyhow, even then he was not only forced to leave Makka but his enemies followed him there to Madina also with their enmity.

His enemies attacked him thirty four (34) time, within a short period of ten (10) years of his life stay there at the Madina, absolutely mischievously.

Anyhow, by that time, his followers have spread and captured about a million square miles area which turned to be his throne.

He did not change his life style upto his death. Although, he was commanding a big area under his control and he had his thousands loyal followers, ever ready to give their lives under his command but he had very simple life even then, as usual.

1. He had a very small house 10x20 feet hardly.
2. He had no furniture, too.
3. He used to sleep on the floor as usual.
4. He had very simple diet , a dry bread per day mostly.
5. He did not take revenge from his enemies, even after his victory over them also.
6. He left no property at his death.
7. His sovereign, Muslim State, turned over to be a first parliamentary democratic country on this earth.
8. As he did not nominated any of his heir to the power.
9. So, it did not turned up a kingdom, after his death.
10. He left behind a large numbers of his loyal followers, who tried their best to be just as simple as their Prophet Teachings, very strictly.

CHAPTER NO.8

THE RESIDENCE OF ALLAH/GOD ALMIGHTY

THE EMPYREAN/ARSH/KURSIE

*Such authentic revelation speak out itself that
Muhammad (P.B.U.H) is really a true Messenger of
Allah Almighty*

The Throne size of God/Allah Almighty

The Holy Prophet Muhammad, Silat for him, said that the KURSIE/THRONE of Allah Almighty is also so mighty that Eight (8) angels are carrying and rotating it who also are so huge that, only the neck size of them is three hundred (300) noorie light years.

Any how, the Prophet Muhammad (Silat for him) further said that after creating such a huge giant creatures, Allah Almighty ordered them to carry His greatest Throne on their heads and start rotating/revolving it permanently.

The eight member's team of the angels, as a whole failed to do it so. They were unable to give even a slightest jerk to the Huge Holy Throne.

Then Allah Almighty ordered them to revolve it by praising/praying Him. They all gathered their collective force to lift up and revolve the Huge Holy Throne while praying Him, collectively, it start revolving then steadily. And since then it is revolving regularly, steadily as per the wish of Allah Almighty.

Revolving entire universe regularly but steadily

Some millions/billions years ago, those angels started revolving the Holy Throne of God/Allah Almighty so forcefully that the entire universe started revolving along with it simultaneously.

This is a new lesson for our greatest International Scientists Community. They must go through the highly advanced Islamic Informations/knowledge, the Holy Quraan and Hideth, very thoroughly.

We find three things here:-

1. The huge mighty body of those angels.
2. The body size, and the power of their force, is beyond even our imagination and calculation, also.

If any Scientist does not believe my wordings, he should give me/us the figures of the force which is applied to revolve the Moon/Sun only, which is not possible by the entire World's Scientists Community, jointly.

We fail here to find out the required force for the slightest movement of the moon even. Whereas it is rotating without a slightest sluggish/delay since its birth, some millions/billions years ago continuously.

When we are unable to find out/calculate the power of those angels, it is beyond our power also to find out the volume/weight of those giant creatures?

- A. What about the size and volume of The Holy Throne?
- B. And then, what about its owner, Allah Almighty?

PART-B

THE EMPYREAN

Let us come to the point about the residence of Allah Almighty, once again here.

All the heavenly religions including The Jews and the Christians who have parted their ways putting aside their original Basic Doctrines and those of the Idolaters, all of them believe it innocently unintentionally that Allah Almighty is residing several thousands Millions, miles away over and above the skies, beyond our imaginations even. You may take it my laugh here.

No dear, it is not a chit chat matter which I am discussing with you here. It is the question of faith of all us. No one can just volley it of. I place a practical/physical sketch of all us here.

Sometime when ever a man out of us including me is over joyed or beaten miserably in the hands of the Crises, you/we all raise our fingers/hands above, over our heads unintentionally and whisper Oh Allah Almighty (God).

"The Merciful"

This is the nature of all us, the human beings whether we are in joy or in sorrow, we raise our fingers/hands above our heads towards the skies and whisper.....

Oh Allah Almighty (God), The Merciful

(1)

- i. Here the Hindus even forget the temple of their Bagwan.
- ii. They forget his grave even, also.
- iii. None of them rush to the temple of their Bagwan for it.

They forget everything temporarily and raise their heads and hands/fingers unconsciously innocently up toward the sky.

What a majestic power Allah Almighty is having

over all of us, The human beings, that even the non-believers bow to Him in their joys and sorrows unconsciously, gloomy and joyfully very humbly.

(2) It is not Hindus only, the Jews and the Christians are also in the same boat unintentionally.

Although they too believe in Uzair and Eassa, their gods respectively, who are buried somewhere here, on this earth.

But in joys and sorrows they too act as our common human behavior.

What I mean here is that all of us, believe this, though unconsciously, that Allah Almighty, is residing, over and above the skies?

Where as their gods, Ram, Buddha, Uzair, Eassa and Guru Nanik were not born only but they remained here through out their very short lives and were buried also under this earth lastly.

The Non-Muslims are putting a cross mark here themselves on their own doctrines:-

1. They believe in the human gods who were not born on this earth only but they were buried here too, that is one side.
2. On the other hand, they are sure of it also, that Allah Almighty (God) is residing up over and above the skies.

That's why you/they raise their heads and hands/fingers up toward the sky though impatiently but (innocently) ignorantly also really.

CHAPTER NO.8/2

THE SIZE AND WEIGHT OF ... THE EMPYREAN

We can well imagine the Glory/Dignity/ Majestic personality of Allah Almighty by the size and weight of the ... Empyrean... also.

Empyrean is the place/chair/stage, where Allah Almighty is residing/resting and watching the functioning (live show) of His miracles, this entire universe uninterrupted, continuously. He never sleeps and twinkle His eyes even, also.

When we talk about the size and the weight of the Empyrean...! We have to consider the powers (size and weight) of the angels who are carrying it rotating on their heads/shoulders and they are eight in numbers. The common angels are so huge in weight and size that their wings span is spread from this earth to the heavens and they are so mighty that they can up root the mountains by the one jerk of their one wing only.

So, special thing to note here is that those angels which are carrying the Empyrean/Mighty Throne, are specially powerful designed than rest of the other normal angels. These especially empowered angels eight in numbers, failed to carry and rotate the Empyrean/Mighty Throne slightly even, then Allah Almighty ordered them to put their best while reciting the grace name of their Lord/The Master, so it moved by the grace of Allah Almighty.

This is the story of the size and the weight of the Empyrean. So it is absolutely beyond the human imagination even to estimate, the Mighty personality of Allah Almighty.

First thing is, Allah Almighty has never been on this earth.

Anyhow, as you claim that Jesus/Eassá, Uzair, Ram, Buddha and Guru or Paras were your gods. Were they of such huge bodies?

How, so helpless, miserable tiny people be entitled Divinity?

Better is, accept the truth and save the skin from the flaming hell fire.

CHAPTER NO.8.2/2

EMPYREAN – MIGHTY THRONE

The place of living of God/Allah Almighty:

1. The chair/commanding post of Allah almighty is THE EMPYREAN – Mighty Throne
2. Allah Almighty has never lived on this earth.
3. He never stepped on it also surely.

All of the non-Muslims, the Jews and Christians, especially believe it themselves that the Empyrean is the place of living/commanding of Allah Almighty. Empyrean, is not the word of my mother languages Arabic and Urdu. It is your sweetness, Yes, it is your language. In my/our Muslim language, Empyrean is "Arsh-e-Mo-Ullah".

You Christians and the Jews are contradicting your own philosophy/doctrines/idologies here, yourself.

1. On one hand, you claim that Empyrean is the living/commanding place of God/Allah Almighty.
2. On the other hand, you claim that your gods have not been born here only, but they lived here also throughout their lives sufferings, as other human beings faced it here also.
3. Your gods did not live here only but they died and were buried here also.

This is the drastic game of your most honorable Popes, Priests and Rubbies with your nations. They have ever been playing with your fates and they are still on their toes, till the resurrection day.

MONOTHISM

Let us embrace the Truth oh men

Allah is all alone and only one

He has no parents and wife, so no Son

He is the Lord, The owner of this universe, else none
Creation, Generation, Rotation, only He knows the fun

He says go, rest everything is done

Each and everything prays to Him alongwith the sun

Let us embrace the Truth, oh men

Allah is all alone and only one

He has no parents and wife, so no Son

CHAPTER NO.9

THE DIVINE FUNCTION OF ALLAH ALMIGHTY

The angels are ever an important factor of the Divinity. Whenever we talk about God/Allah Almighty, their great character is always a part of our discussions.

So, can you all "the non-Muslims" name some of the angels of your gods? No, not at all. A lie has not leg to stand upon at all. Because your all doctrines are baseless/bogus absolutely, that's why your faiths have no legs to stand upon them at all.

You all the Hindus, Sikh, Parasie and Budoos (Indians), Jews and the Christians believe that your gods not only got birth but they lived and were buried on this earth, here also.

When your gods were present among the masses and they had direct face to face contacts with the people, then what could be the role of the angels there?

- The angels means, an invisible creature which performs some duties laid down by Allah Almighty.
- Jibrael is one of the great angel who conveyed the messages of (God) Allah Almighty to His all Prophets. I say, when your gods were themselves present among the masses then what was the need of the angels. The angels story speaks itself that –
 1. Allah Almighty has never been among the masses on this earth.
 2. He never had any direct conversation, even with his Prophets, too.

3. I have described it in the beginning of this book also, that we know a very little about the huge bodies of the angels, so much so that Angel Jibrael (Silat for him) wings span is equal to the space between the earth and the sky approximately.
4. If the (God) Allah Almighty is somewhere here, then what does it mean, the huge body of the Jibrael?

What for?

5. His Majestic great body hints us, a very far away the residence of Allah Almighty.

Foods

Jesus Christ, Uzair, Buddha, Ram, Guru and Paras, etc., they all have been taking foods throughout their lives.

All the creatures which take foods they definitely urinate, too.

All such creatures have definitely sex requirements, also.

Whereas Allah Almighty physique is completely a different one. He needs not any food, so He is absolutely free from all such activities permanently. He is just watching and enjoying the business of his entire universe very joyfully.

He watches all of us. He listens to all of us, the function of this entire universe and the business of life of all the creatures is directly in His control. Thousands of the creatures around and under the earth, under the water and over and above the skies, are all in His watch and care as well, too.

If (God) Allah Almighty is frightened hiding, caught and hanged like Jesus Christ, then this entire universe could have surely been vanished just at the beginning, even before it too.

All the Prophets including Muhammad, Jesus, Moosa, Ibrahim, Yousaf, Loot and others (P.B.U.H) were forced by their enemies to migrate in their lives.

A person who is compelled to leave his home and migrate, could he be a God?

Can anyone dare it, to say, Yes?

If someone even now, says Yes, there could be definitely some reasons behind it then!

- *He is mental.*
- *He does not understand the exact correct meanings of (God) Allah Almighty.*
- *He is unaware about the matchless – glories of Allah Almighty.*
- *He is a big liar.*
- *He is a hypocrite.*

Look here, if someone commits a mistake, a wiseman always accepts his mistake and then amends himself, too. He is a winner.

But if a stupid man commits a mistake and then he persist on it too, he commits suicide then.

PART-B

THE RELIGIOUS LEADERS' NEGATIVE ROLE

Our religious leaders, Popes and Priests, Rubbies, Mullah, Pundit, Guru, Budoos, etc. They always persist on their mistakes and the result is, that the whole world, all the human beings have ever been under the fire throughout the human history.

The human beings from the very beginning have irrigated this land with their own blood. They/we are still busy in fierce bloodshed and will continue under the heads of the Popes and Priests, Rubbies, Mullahs, Pundits and Gurus, etc, till the dooms day absolutely foolishly.

Millions/billions people have given their lives before and after the sleeb wars. Millions of the Muslims lost their lives highly brutally on the Spanish land only. The leaders of this proxy war were the Popes and Priests, Rubbies only. Some of the so-called religious scholars, philosophers and intellectuals like Bill Lindsay and Halington whose criminal minds were influenced by the Popes and Priests and Rubbies, have also fueled the heavy blood shed over here on this earth.

How many Million people gave their lives in the first and second world wars?

Who were those criminals who committed these blunders/masacars?

Who are those criminals who have launched the 3rd World Nuclear War now, in the year 2001? They have already swallowed up Iraq and Afghanistan and are just in a quiet hurry to over run the Pakistan and the Iran too, and what ex will be?

In the meantime, they have demolished the Misser, Libia, Tunis, Sham, very hurridly under the banner of the Islam recently.

The Mullahs are sweating very impatiently to play havoc in the Pakistan too, under its banner, before the sun set/rise instantly.

The Popes and Priests and Rubbies are not only heavily budgeted/funded by their governments but they are also taken alongwith the raiding armies to raid the faith of the Muslims especially.

What the hell these Priests and Rubbies are playing in the Muslim World?

They are catching and enrolling the young babies and boys for corruption/fornication generally.

These characterless mentally sick black sheep in the religious cloaks/mitres, have ruined their own nations already. Their followers are homosex sick, and they are even worst than the animals, too.

So much so the European and the American countries/Governments have passed the homo-sex bills under their Holy command very proudly.

So, we can well imagine the character and the intellectual powers of the Popes and Priests around the world.

On the other hand, they are putting all the pressures on the Muslim governments that:

1. Close down your all the religious teaching centers.
2. No public/private funding for these centers, at all.
3. Bring out your ladies in the fields, offices and industries for the corruption/fornication, homo-sex, animals sex absolutely mischievously.

CHAPTER NO.9/2,3

ALLAH ALMIGHTY HAS A CHAIN OF DIVINE SOVEREIGNTY

Allah Almighty needs not to have any direct contact with any of His creature at all. He has a chain of His Divine Sovereignty.

3. The Angels
4. The Holy Prophets
5. His Holy Revelations
6. His Saints and Popes/Rubbies/Muslim Ulama's.
7. Holy Masajid/Temples/Churches

His angels had never any direct contact with the common man normally at all.

The Prophets:

Allah Almighty has been nominating some special people/the human beings, to convey his messages to the common man, absolutely comprehensively.

Allah Almighty has been sending His angels to them for this purpose who used to deliver them very huge volume heavenly scriptures too, the Zaboor, Torah, Bible, Ingil and the Holy Quraan are the few of them which are available here today also, very commonly.

Allah Almighty has set up such a foolproof chain of His Divine Sovereignty that He needs not to move at all from His Holy Emyrean/Kursie at all. He is enjoying the operation/function of His marvelous wonderful universe absolutely enthusiastically.

Mr. Popes/Rubbies, Guroos, Pundits, Bagshoos etc. have misled their nations so madly that-!

They have given Ram, Buddha, Paras, Uzair and Eassa Misseh gods to their nation-! Who were not born only on this earth but they were born some millions/billions years later than the marvelous smooth functioning of this entire universe already. The gods of all the non-Muslim nations had a very short cursing/struggling lives over here on this earth really. Their gods died away long long ago, even then their clergymen have not felt shame over their absolutely foolish doctrines upto now at all.

What a great tragedy is it?

CHAPTER NO.10

ALLAH ALMIGHTY LIVING ROUTINES – COMPARISON

When we talk or view about this entire universe, many questions arise in our mind. One of them important is, the age of this whole universe.

Our Scientists say, it was created some millions/billions years ago. So, what could be the age of the founder of this universe, our Lord/Allah/God Almighty.

So, if some one believes and preaches it also, that Buddha, Ram, Paras, Guru Nanik (all Indian gods) Uzair and Jesus/Eassa is or were gods, it exposes here their childish ideas only. The fact is....

1. *They all themselves were given birth by some one else.*
2. *They all lived here, just for a fraction of a second only.*
3. *Whereas this universe is running since billions of years ago, already.*
4. *This universe is still running after the death of your so-called gods even, as ever before, very smoothly.*
5. *These your so-called gods had been lying in the cradles and weeping/crying for the milk, foods (help) from their mothers.*

What a funny baseless ideology is it?

How could God/Allah be dependent of some one else at all, absolutely?

We all, including those who believe in mortal human gods, believe it expressly that this entire universe is solely absolutely dependent on the mercy of our God/Allah Almighty all the time, day and night, everyday.

Could we be the dependent of the Jesus, Uzair (Buddha, Ram, Guru Nanik or Paras) Indian gods, who were helplessly dependent of their mothers in their cradles. These so-called gods used to shit even, in their cradles and cry for the help of their mothers, helplessly.

I feel it shame to express any more here but Alas!.... On the part of the Popes, Priests, Rubbies, Pundits, Bughshoos and Gurus who are misleading and are dragging their followers/nations into the hell evilly.

None of your gods was Master of his life and death, and even of his own food, too.

So, why not to accept the truth that there is only one God who is ever-living, the Lord of the whole universe, the resurrection day and thereafter, too?

Why to hesitate to embrace the truth?

Why to persist then on our blunders?

You will not be Popes and Priests, Rubbies, Pundits, Moncks, Bagshoos, Gurus, Paras or Muslim Mullahs/Allamas on the day of requital, so why to resist then foolishly?

Moreover, you will be questioned about the misconduct, evil faith of your followers too, on the dooms day helplessly.

So, hurry up and accept the Truth, immediately.

CHAPTER NO.11

THE RELATIONSHIP – COMPARISON

All the creatures are having multiple relations mostly.

[1]

Look at the plants. They have relations with the-

- Roots, stems, flowers, heads, seeds.
- Earth, water, air, sun rays.
- Human, birds, animals, insects, butterflies.
- Storages, bags, containers

[2]

The human beings carry some thousand years old relationship carriers:

- -Wrong or right some people are calling themselves Syed, Mughals, Rajpoots, Burmans, Shooders, Hashamie, Qurashie and so on countless other generations.

[3]

A The Water:

It has relations with the hydrogen, Oxygen, Ammonia, Clorean, Nitrogen, etc.

- B. Earth
- C. Air
- D. Streamlets
- E. Sea, etc.

Not with the human beings only, but the life of all the creatures depends upon it basically.

[4]

The Air

It carries near about all the same relations which water is having for the life of all the living creatures.

Besides all Above

Allah Almighty has no blood relations with any of the creature in this entire universe at all. He has greater relations with all his creatures.

Creator	He alone is the Creator of everything in this entire universe.
Modeler	He alone is the Modeler of everything in this entire universe.
Designer	No one is His partner, in designing each and every particle, germ, tissue of the structure of all His creatures at all.
Artist	Everything is singing the song of His artistic glories.
Decorator	You touch anything small or the ghost in this universe, everything sings the sweet songs of its decorator's glories.
Flourisher	Sustainer
Breeder	Grower and what else not.
Lord	Master
Controller	And - !

Alas, I am unable to relate any more here, His relations with the each and every creature in this whole universe at all.

No body had ever His full particulars. Even the Prophets too had absolutely little knowledge, about His Majesty, very helplessly.

CHAPTER NO.12

ALLAH/GOD ALMIGHTY GREAT/MIGHTY NAMES

Allah Almighty has several countless great names. His names are also as Mighty as He Himself is incomparable, unmatched, unimaginable Almighty.

- 1: **Al-Mighty:**
He alone is Al-Mighty. Rest everything is Zero in all respect, surely.
2. Creator.
3. Nourisher.
4. Grower.
5. Breeder.
6. Artist.
7. Designer.
8. Engineer.
9. Inventor.
10. Decorator.
11. Scientist.
12. Doctor.
13. Scholar.
14. King
15. Beneficent.
16. Merciful.
17. Lord.
18. Master.
19. Possessor.
20. Greatest.
21. Ever-living.
22. Forgiving
23. And many more so as greatest names.

No Comparison to Him in Any Case at all

I mean did any of your gods. Eassa Misseh, Uzair, Buddha, Ram, Paras or Guru Nanik had any such un-comparable names.

Are such Their Names in your Religious Books

**Lovely, Beautiful, Handsome
God/Allah Almighty**

When we witness/view this universe, its beautiful artistic designing, graphing and colouring, we sing a beautiful song and praise the loveliest beauty of its originator, **"the Creator"** Allah Almighty.

Look at the colours of this beautiful universe. Their attractive shine and dozing flavour, compel us to realize the beautiness of their Originator/Creator. The Lord, The Master Allah/God Almighty.

Did your gods Uzair, Jesus, Ram, Buddha, Guru and Paras, etc. Carry such handsomeness?

Buddha, Ram and Guru were Indians. The Indians are usually black and with bad cuts. So, a question does not arise of their a minor beautiness even, at all.

And same is the story with a very minor ignorable difference of The Uzair and Jesus Christ, the Arabians. They all were also basically human beings in all respect absolutely.

CHAPTER NO.12/2

**THE GREAT NAMES OF ALLAH
ALMIGHTY**

His unbelievable, unimaginable Great Names:

Creator	Creator of this entire universe, including all the creatures also.
Master/Lord	The Lord of the whole universe, including all the creatures, too.
Nourisher	He alone is the nourisher of all the creatures.
Breeder	The breeder of all the creatures.
Lord/Master	<ul style="list-style-type: none"> • Of all lives and death. • Of all the goods and evils • Allah Almighty alone is the Lord/Master of the requital day. • Of the hell and heaven too.
No Death to Him	Death is also His creature and it will also vanish, before the requital day.
Age – Ever Living	He was already all over, everywhere, even before the birth of this entire universe and is no death to Him at all.
	All the prayers are for Him only.
	All the praise are for Him only.
	All the best names are also for Him only.
	None is rival to Him.
	Family bio-data – Monotheism

Master	Of all the knowledge.
Master	Of the divine knowledge, too.
	He alone is the encyclopedia of all types of the knowledge, the total knowledge of the requital day and there after too..
Master	Of all the languages, of all the creatures, too.
Lord	Of all the powers and sources also.
Lord	Of all the Prophets.
Lord	Of all the Angels.
	He has colourful body, scent flavour, and glowing light.
	All the Prophets/messengers are His blessed people.
	He has highly powerful majestic eye sights.
	He never sleeps and twinkle His eyes even, too.
The Greatest Designer	He has not designed only but modeled and then created also different types, over eighteen thousand creatures, independently.

Designing, modeling and then creating are the matchless beauties of Allah Almighty

	Master of Engineering knowledge
Decorator	He is the greatest Decorator.
Artist	He is the greatest Artist.
	Among all, He is the greatest Beneficent, the Merciful

- **All the greatest names are His only.**
- **All the best names are His only.**
- **All the beautiful names, He posses only.**
- **He is forever greatest king.**
- **His kingdom is everlasting.**
- **His kingdom is boundaries.**
- **There is no end of the list of His greatest/best names, Glories and Characteristics at all.**

PART -3

CHAPTER NO.13

THE HISTORY/PARTICULARS OF THE NON-MUSLIMS gods

When this universe is having unlimited, unimaginable huge dimensions, how great its owner/creator must be?

Of course, He is having very huge body. I shall give some of His details here, a little later on, ahead. But let us discuss, a little about the so called gods, like Jesus Christ. The Christian god,

The Eassa, the Christians god, Uzair The Jews god and (Ram, Buddha, Paras and Guru Nanik – the Indian's gods).

They all were born by the human being/ladies. They were so tiny helpless dependent on their birth that they were unable even to change over their body side, themselves, absolutely helplessly.

They used to cry for food and their mothers, human beings have been feeding them on the cradles.

1. Could such person be a God who were helpless, needy themselves and crying on the cradle for help, food and protection from the flies and mosquitoes even, too,

They were afraid of human beings. They had

been hiding themselves for the protection of their own lives even.

2. Could those persons be God whose own life was in the danger?
3. Could these people be God who needed food from their mother for their livings?
4. Could they be God who were attacked, even by the mosquitoes and the flies?
5. Could they be God whose lives and death was in someone else's hands?
6. Could they be God who were buried by the human beings except Jesus Christ who was carried alive over the sky?
7. Could they be God whose graves even are not traceable anywhere on this earth now?
8. Could they be God whose dead bodies were put on fire by the human beings and burnt to ashes?
9. Could they be God who did nothing when they were alive over here on this earth?
10. Could they give life to a mosquito even? No.
11. Were they owners of anything on this earth? No.
12. Were they owners of their own lives even? No.
13. Did they create anything new on this earth? No.
14. Could they protect their own mothers, fathers, sisters and brothers even from the sickness and death? No.

THE SIZE AND WEIGHT OF ALL THE SO-CALLED GODS

They all were absolutely human beings in all respects.

- The size of the body.
- Their weights.
- Their livings.
- They all were very small, tiny like other human beings as usual.
- They all had a few inches height only like all other human beings.
- Same goes to their weight, a few pounds/kilos only like other human beings.

Could these small, tiny people be God of this so huge universe?

This entire giant universe no doubt is in the control of its Creator., The Master/Lord of it, since its creation. Everything is in His eyes, under his strict control as well.

Was it possible for the Jesus Christ, Uzair, Buddha, Ram, Paras and Guru Nanik, etc.?

Could these people see behind the walls? No.

All the creatures are in the watch of Allah (God) Almighty all the time, day and night, in and outside the rooms, under the water or in the stones/earth, too.

Had these so called gods (Jesus, Ram, Buddha, Guru Nanik and Paras, etc.), this beauty with them?

No.

They used to weep and cry for food lying in their cradles even. Their mothers used to be nearest to them but they never knew it that their mother is sitting beside them.

Could a weeping child, be a God?

(God) Allah Almighty and weeping what for?

Could a weeping person, be a (God) Allah Almighty?

The Popes, Priests and Pundits, I believe were sleeping, while manufacturing this lame story of the so called gods.

Some devils must have dreamt them this, surely.

Allah Almighty and weeping in the cradle helplessly, what a funny fabricated story is this?

Allah Almighty (God) was afraid of the public, His own creature. Is not it another evil baseless story?

Allah Almighty (God) died and was buried also but His universe is still running smoothly as ever before, is not it an other senseless story.

The entire universe is running smoothly as usual since its birth some millions billions years ago, but its creator has died after a few years of his life only. Is it not an other baseless senseless story of some devils.

This huge universe was created first but the owner, The Master, The Lord, The Creator of it, got his birth some billions years after its creation, Is it not absolutely a foolish story?

This story itself illuminates the foolishness of its originators.

It seems, the fabricators of these funny stories must be the residents of some mental ward of any great mental hospital, surely.

PART-B

Indian/Hindoos Believe in Over One Hundred gods

The Christians and the Jews are beaten here by the Indian Idolaters. They have raced across the Trinity doctrine of the Christians here. Indian Hindus beside Ram have a separate god for all the matters of this world/life:

- God for storm
- Fire god
- Rainy god
- Crops god
- Earth quack god
- Winter god
- Summer god
- god for life
- god for death
- And so on, uncountable gods
- Sun god
- Moon god
- Etc. no end to it.

Indian (Hindoos) goddess

And Christians goddess (Maryyam) Nuns

Besides gods Indian believe in goddess also. How many?
.... Countless.

Indian Hindus have a very high score of their gods and goddess.

The Christians are far behind them in this race.

The Christians should not be ashamed of it or feel sorry for it.

1. Your Popes and Priests have been a little slow over here whereas the Hindoo Pundits have been working day and night very hard to reach this goal.
2. Besides this, the Hindoos are very old in the religion race. Their religious history is very old. It is more than the double even, of the Christians history.
3. By the passage of the time, the Christians, may cross their toll even. So nothing to be sad or ashamed of here; just do not loose your heart, work hard and put your best only.

There are some very interesting religious stories of The Indian Hindus.

One of their doctrine is that sometime their gods, quarrel among themselves, and it is due to their wars that - !

1. Earth quack takes place.
2. Cause Hail storms, also.
3. And so on other tragedies.

This doctrine of the Indian (Hindus) is very worrying really – because - !

Because when the gods of the Indians' fight among themselves, there must be some very serious fatal injuries among the warring lords/gods definitely.

(A)

1. They might be receiving serious head injuries.
2. Legs or arms broken.
3. And such other fatal injuries.
4. Besides injuries, there might be some fatal incidences also.

5. It may be, quiet a large number of the Indian gods, might have lost their lives very miserably.

(B)

1. The Indians burn the dead bodies of their relatives.
2. They might be following the customs, rules and regulations of their gods, who burn their dead colleagues.

Graveyard:

That's why there should have been "a graveyard" of the gods of the Indian people surely.

(C)

There is another tragedy here, when the Indian gods fight among themselves, they must be loosing their limbs too.

Hospital:

What about the treatment of those disabled gods.

There may be any special reserved hospital for them.

Where is that special hospital, is not known to the general public upto now.

(D)

Are those disabled gods yet of any value on their stretcher? Or they become rolling stones in the public streets there?

(E)

A very soaring question is?

Why Indian gods fight so furiously, that the hail storms, earth quacks, etc. follow their fights?

Sex Rivalry Wars:

The goddess must be the black sheep over here, that's why sex hungry Indian gods disrupt the peace of this planet, so occasionally, absolutely satanically.

Charity House of the Indian gods:

A charity house is a must for the disabled Indian gods, otherwise, they may go roiling – stones in the streets, and the mad boys may drag hem foolishly

Allah Almighty has never Direct Contact with the Human Beings

I have already stated/explained here in another Chapter that Allah Almighty has never remained on this earth. He never landed here and has not stepped on it even, also.

He lives some billions miles away up, over and above the skies, since the creation of this entire universe.

We can just imagine His Glories, His powers, His greatness for controlling this huge entire universe untiringly, uninterruptly, independently.

All praises are for Him only, and rest all is just Zero, absolutely.

He never talked to the human beings, including the Prophets, Jesus Christ, Uzair, Ibrahim, Nooh and others also, directly.

We all know a sad story of the great Prophet Moosa (P.B.U.H) in this connection. It is not a matter of a jock to face a slightest glimpse of Allah Almighty, directly.

I shall put down the exceptional meeting of the Prophet Muhammad (P.B.U.H) with Allah Almighty in the next Chapter here. Whereas Jesus Christ, Uzair, Ram, Buddha, Paras and Guroo, they all have a different common stories.

They were given birth by the human beings. They had not their ancestors, decedents, nearers and dears, families and tribes only, but they had their communities, citizens and countrymen also. They were absolutely the members of this world community. They did not live only in the human community throughout their lives but they had been availing all the human necessities thoroughly here, also.

This all above does not match at all. It is against the Glories of Allah Almighty, absolutely.

CHAPTER NO.13/6**THE NON-MUSLIMS
TOSS FOR A COMMON GOD**

Those nations who believe in the mortal human regional gods, could toss for a common single god. And when you toss for a single god, these fabricated baseless theories will automatically be vanished alongwith your dead gods, also. And the correct answer will be that Allah Almighty is all alone ever living; This entire universe will crash/vanish one day, but He alone will be there untouched highly majestically.

..... And the result will be that he will call for the resurrection, to end His loneliness, once again.

CHAPTER NO.13/8

LIMITED gods OF THE NON-MUSLIMS

Allah Almighty is the Master/Lord of the whole universe, including all the creatures, the human beings also. Whereas so-called gods of the Indian Hindoos, Budhoos, Sikhs, Parasies, Jews and the Christians were limited to their own limited nations, areas and of course for a very short limited time, too.

Universal Truth:

The universal truth is, none of these nations ever believed in others gods.

Each of them is having his own regional god, Ram, Buddha, Guru Nanik belonged to the Indians, the Jesus Misseh and Uzair to the Middle East, and the Paras to the Iran only.

So, the non-Muslims gods are limited really. This all very widely clarifies it, that the faith of all the non-Muslims is absolutely baseless completely.

CHAPTER NO.14**ALLAH (GOD) ALMIGHTY WARNINGS TO
THE JEWISH RUBBIES (POPES,
PRIESTS)**

God/Allah Almighty says in the Holy Book of the Muslims 'The Quraan', that the Jewish Popes and Priests failed in checking/controlling to their followers/masses, why have they not checked their followers of their misdeeds and disobedience to God/Allah Almighty?

Such religious chieftains will be leading their followers in the hell on the dooms day. God/Allah Almighty is not questioning on that day for their prayers and worships; they are being charged there of their negligence of not checking the wrongdoers. Their blunder mistakes are declared here. They will be punished for this crime severely. So they will lead the miscreants in the hell helplessly.

Question is that, why the blunders of the Popes and Priests of the Jews are mentioned here, in the Holy Quraan?

It is not a warning to the Jews only, it is a great lesson for the Muslims and Christians Popes, Priests, Mullahs, and an eye opening for all of them/us too.

When it is pointed out, in the Muslims book, it must have been there in the Ingil too, for the warning of the Christians, religious leaders also.

**Alas! A Sad Story of the
Christian Popes and Priests**

It is not a sad/bad story for the Christians and The Jews only, the Muslims are in the same shoes also. There is a historical true incident and an evidence too of the Prophet Loot (P.B.U.H), that his wrong doer nation fell in the evil homo sex crime, and was not destroyed only by Allah (God) Almighty chastisement but it was wiped of the earth by a sheer jolt completely.

• The question is why this incident is mentioned in the Holy books especially in the Holy Quraan.

The Jews and the Christians have gone so extremists in the homo-sex character that some of their ministers, and head of the states, are also found homo-sex hunter nowadays.

It is not the end of this shameful story here, homo-sex has official status in the American and European countries nowadays.

They are worst nations than the animals even, because none of the other creatures have gone so mad, and characterless historically. They are not committing this evil crime only but they are highly proud also of their evil character shamelessly. In this way they are multiplying their sins, exactly.

What to talk about their general public and states officials, their Popes and Priests have not even a different story, too.

Above all this is surely, the character of their Popes and Priests. Why are they mum over such a disastrous/morale of their nations?

1. Will they (Popes and Priests) not be questioned of their duties on the judgment day?

The disastrous mention of the Prophet Loot's (P.B.U.H) nation in over Holy book, is it mentioned just for our fun sack only?

2. Why we "Mullahs/Mufities, Shah and Peers" are so foolish criminal that we all are committing suicide willingly intentionally?
3. Is it not, that our cloaks and mitres which are over our heads and shoulders, are dragging us into the hell, with full pump and show, openly.

It has appeared in the Press in the first week of December 2009, that a homo-sex lady Rev Mary Dakie Sindra of Los Angelus (America), has been promoted to the rank of a Bishop. What a shameless story of the church it is?

So we can well imagine over all character of the European, American the Christian/Jews nations.

The President of America Bill Clinton was caught red handed misusing sexually his lady secretary in his office. Look at your shameless morale character, this is what you want to gift the Muslims around the world?

A Sad Story of the Muslim Popes, Priests/Mullahs here in This Connection

Same this chapter, I have written and published in my previous book (Kalma go Muslman). A Mullah at Lahore tried his best to stop me of its printing. His logic was let it be under the covers, otherwise it will bring a bad name for the Mullahs especially, as our Madrasas, Masajid/Mosques are itself gutted with this shameful – homo-sex crime.

My argue was, if there is a fire, it must be extinguished and if we cover it with a blanket, it will not be hidden, but will flame of engulfing everything in the surroundings/vicinity. He did not agree with me and tried his best to stop me, not threatening only but with even applied force also.

Anyhow, I shall keep my pen full with the ink and running it against the great notorious criminals/religious leaders, very heroically.

As the Muslim religious leaders Mufties, Allamas, Sheik-ul-Islam and Peer/Shah Gees are also on the foot prints of the Jews and the Christians Popes and Priests too, nowadays.

This evidence has already engulfed/swallowed us and a little portion of our body feet or head is luckily escaped yet out of its clumsy jaws, gracefully.

If we all Muslims, put our efforts jointly and struggle collectively too, we will reach safe to our destination, and get the merciness of Allah Almighty (God) otherwise no excuse will be accepted and we will be helpless to accompany the big Mullahs, Shah and Peers weeping into the hell sorrowfully, of no use then, absolutely.

Beside (God) Allah Almighty, all the Prophets have also ever threatened to the Popes and Priests, Rubbies, Molanas/Mullahs, of the serious consequences of their misdeeds.

1. But the religious merchants of all the nations, the Jews and Christians including the Mullahs of the Muslim nation, have ever turned their deaf ears to such guidance. All of them have ever been playing in the hands of the devils, very freely.

Just imagine the Popes and Priests of the Prophet Moosa (P.B.U.H) the Jews nation, have managed a cow for their worships in the absence of their Prophet who was away on the Toor Mountain for just forty days only.

2. The Popes and Priests of the Christian nation have declared the divinity of their Prophet Eassa Misseh (P.B.U.H) within a short period of 50/100 years or so, after his departure from this planet, hurriedly.

- ii. Another group of the Popes and Priest of the Christianity nation fabricated another story of Trinity doctrine.
- iii. While a third group of the Christian nation was still standing on the basic original doctrine of the Prophet-hood of Prophet Jesus Christ (P.B.U.H).
- iv. A fourth group divided into two:
 1. One Popes and Priest party said Eassa (P.B.U.H) was hanged to death.
 2. While the other group of Popes and Priests did not agree them.
- v. The Popes and Priests have marched forward on much faster paces that the Christian nation is divided at least in seventy two (72) pieces/sects now, excluding or including hypocrites, idolaters and polytheists into it.

The Muslim Mullahs (Popes & Priests) also broke the Muslim nation into two sects, just within forty years after the departure of their/our Holy Prophet Muhammad (Silat for him).

Since then this poor folk (creature) has turned the Muslim nation into minimum seventy three (73) sects, till today.

But they all are fail upto now and forever even, Insha Allah!

1. They are absolutely fail upto now, in challenging, not only the Monotheism but the Divinity Supremacy of Allah Almighty around the world nervously.
2. All of them have failed, even in challenging the Prophet-hood of their Prophet upto now. No devil can dare even to open his mouth, on this topic. The Muslims will not chop his tongue only but head also directly. It is because millions of the Muslim nation, is custodian of their

faith/Islam. They all are hardly, very minorly, superior to each other. The throat of their Popes and Priests "The Mullahs/Shah/Peers" is always in the dangerous terrifying grip of the true faithful Muslim scholars.

The Popes and Priests have ever been challenged by the true followers/faithful of all the Prophets

Louther King:

What was his philosophy or doctrine, that is different chapter, but he rose to the height and challenged fiercely, the Popeship of their self fabricated doctrines?

Mirza Quadianie:

A Mullah type misled person, rose with an evil doctrine, and the result is that his followers have lost the identification. No country accepts them. The front runner top class anti Islamic country, 'The Britain' is the only their hoist lastly. It is for this reason certainly too, that he was a well known britisher agent in the Popeship clothes really.

- ii. All the non-Muslim forces including Britain have ever been trying to massacre the Muslim nation and their doctrines as well but it is not a child play to dislodge the Muslim nation from its ideology truth.
- iii. All the non-Muslim nations especially England and America can do this only, that they can hire some generals and mullahs only for muting against any Muslim state. Generals and Mullahs are of course very cheaper and are easily available too, to set on fire the Muslim countries/nation heroically.
Example –
- iv. Boum-Din of Al-garia.
- v. Sokarno of Indonesia.

Let us all, bestow to one God/Allah Almighty and bring peace on this earth unanimously.

- Can a Mortal be a God/Allah Almighty?
- Can God/Allah Almighty be caught by His own creatures?
If so, then how he is entitled Almighty? Either he is not Almighty or no doubt you are headless people surely.
- Can God/Allah Almighty not only be caught but hanged also?
If so, then surely neither he is God/Allah nor Almighty, too.

What I feel you all (Indian Hindus, Buddha's, Sikh, Paras), Jews and Christians, have not undertaken the exact meanings of God and Almighty and some one else is making you fool surely.

On one side you say God/Allah Almighty and on the other hand you claim that He was caught by the few men and women, the general public nervously.

Are you sure, you are not joking with yourself, personally?

It is said, "There are about twenty thousand creatures of Allah Almighty around the world all over the universe".

If only few people can catch Allah Almighty and hang Him!

Then how could He face the entire creature's anxiety.

And how could He run this universe so smoothly?

Alright your God was or were caught and hanged to death.

Who is running this universe after His or Their death since then now?

- i. Jesus Christ according to you, have died about two thousand years ago.
- ii. And Uzair of Jews might have died about ten thousand years ago.
- iii. Indian Ram and Buddha, about 4/5 thousands years ago.
- iv. And so is the others history.

Who is running and managing the whole universe since then now?

Are not all these funny fabricated doctrines/idolaterus only?

Its are not only funny doctrines, but these are full of funs, too.

- Just look at your these shaky doctrines:-
 1. All the creatures got birth first and your gods got their birth millions/billions years after them.
 2. Better ask your scientists what is the age of the Sun only?
 3. Any how, all the creatures and whole universe is running still smoothly whereas your gods have fairbed it long long ago, already.
 4. Did they die themselves or someone has taken their lives?

God/Allah Almighty is that who took their lives. And who has taken their lives, He is the perfect authority who gave them birth too, surely.

I find you all are not even sure of the authority of Allah Almighty which he commands independently all alone only.

What to talk about of catching Him, all the creatures in the entire universe can not move even on their own, of their places without his grace, surely.

He is the alone Lord of this entire universe. All the powers rest in his hands, absolutely.

This entire universe can be vanished of with just a twinkle of His eye brow, even only.

He is all alone, the single source of power absolutely.

Allah Almighty – Glimpse

Gega Watts Shining Rays

You people, the Christians (Indian Hindoos, Buddha's, Sikh, Parasie and Jews) talk about the murder of God/Allah Almighty by the human beings?

Why don't you remember, the fate of The Holy Prophet Moosa/Moses (P.B.U.H) which he met on the Toor Mountain.

He was very anxious to see Allah Almighty with his naked eyes closely. So, he prayed for that to Allah/God Almighty.

God/Allah Almighty accepted his pray and he could not face the powerful shine of a very lean laser ray even, of his Lordship. He fell fainted lean and could not gain conscious for several hours or days continuously.

Although it must be a very lean laser ray far from millions/billions miles away but even then it was so power packed that Prophet Moses/Moosa (P.B.U.H) could not face it helplessly. Can you/we imagine, how powerful that ray might be, of the shine/light of Allah Almighty glimpse. Not Mega Watts but beyond Gega Watts, surely.

**That's why He holds the title of
God/Allah Almighty**

God/Allah Almighty means Allah Almighty who is the absolutely single source of all the powers, what so ever it may be, entirely.

Did Jesus Christ had that Dignity?

Had Uzair, Buddha, Ram, Paras, Guru or any such other person' been of so such high intensity glowing majestic personality?

Had Jesus Christ been a God/Allah Almighty, no one ever could dare even to face him at all?

Had Eassa Misseh those powerful flayers of light which Moosa/Moses (P.B.U.H) faced and fell fainted? No one could ever face him, even at all.

Had any of them including Jesus Christ that high power glittering personality?

1. They could never remain among the public.
2. In other words, people could never be able to face them/him at all.

This might be one of the major cause that Allah almighty is putting up over and above the skies, some millions/billions miles away from our planet.

Jesus Christ, Uzair or any other did not carry any such dignity. I mean they did not match practically or even theoretically those majestic and charismatic facts and figures which Ingil, Bible and Torah/Torait have explained us very clearly.

1. The wordings of Torah/Torait, Ingil and Bible contradict your claims, itself, Mr. Popes.
2. Glories, dignities and powers of God/Allah Almighty, which are laid down in these Holy Books, do not match with the personalities of your gods, at all, Mr. Popes.

Surely, you are misled. It is nobody mistake. It is your own fault. You have not taken interest to find out the fact yourself, personally.

You have just listened it from other misled people. You have taken up just cooked up doctrines, without any investigation of its reality.

Any how, don't persist any more on your mis-concepts, just hurry up to catch the reality.

CHAPTER NO.14/1**BLUNDERS OF THE POPES AND
PRIESTS OF ALL THE NATIONS**

They fell slaves to the devils usually.

A very patent and famous story of The Jews is here:

Prophet Moosa (P.B.U.H) went to the mountain to have a meeting with Allah Almighty. He remained there praying for forty (40) days only. When he came back, he found his Jews followers/Rubbies have taken a cow as a god and they worshipped her, too, daily.

Oh, my Allah (God).

Just imagine how hurriedly the rubbies have gone in the hands of the devils. They could not resist the devils and fell to them within forty (40) days so cheaply.

Allah Almighty has been sending his Prophets one after the other regularly, and the Jews have not been betraying them usually, but most of them lost their lives even, in encounter with them, very miserably.

1. Jesus Christ and Yahya (P.B.U.H) both cousins, met the same fate, in the terrorist hands of The Jews.
2. Yahya (P.B.U.H) was murdered and Eassa (P.B.U.H) was hanged by them as per their doctrines.

It is a sad and shameful story, which was played by The Popes and Priests/Rubbies of The Jews joyfully with pleasure.

What I mean this to narrate it here is, that the Popes, Priests, Rubbies, Pundits and Mullahs of all the religions, have always been playing in the hands of the devils, since the start

of this world, they have ever been cheating and misleading to their own followers/nations, very mockingly.

All the Prophets were forced to migrate or they gave up their lives in the hands of the Popes and Priests, Pundit or Mullahs, usually.

The last Holy Prophet Muhammad (P.B.U.H) was also attacked by the Popes and Priests/Rubbies of the Christians and the Jews nation many time. The Pundits of the idolaters also shared the attacks with them and forced the Prophet Muhammad (P.B.U.H) to migrate from the Makka to the Madina permanently.

Even then they followed him there too and had thirty five (35) fights with him in just 10 years only.

This makes it clear that Popes and Priests, Rubbies and Mullahs, Pundits and Gurus of all the nations have not been only accepting the Messengers of Allah Almighty every time willingly but they had ever been misleading the general public regularly, mischievously, too.

Just imagine if religious ring leaders can betray Prophet Moosa (P.B.U.H) in just 40 days only, what the hell they must have not played for the last several thousand years, to their nations upto now?

So much so, that they have taken Prophet Uzair (P.B.U.H) as their god.

Their younger brothers/partners, the Christian Popes and Priests have over taken them by declaring Jesus Christ (P.B.U.H) as their god in rivalry.

They were praying him even before the birth of the Prophet Muhammad (P.B.U.H) who was born about 600 years after the departure of the Jesus Christ (P.B.U.H).

Since how long ago, Christians were worshipping Eassa (P.B.U.H) before the birth of the last Prophet Muhammad (P.B.U.H) is not known exactly. Since 10 years, 50 years, 100 years or so, we can not guess it even, exactly.

Jesus Christ was taken as a son of god by another sect of the Popes and Priests of the Christians.

And the third sect believed in the trinity, which means the Divinity is shared by the three:

1. Allah Almighty
2. Maryyam &
3. Eassa jointly

We find a big wide gape not among the three but four major sects of the Christians here. It is absolutely a contradiction of the each other actually.

This is the blunder of the Popes and Priests mainly, who are in the big cloaks and miters, very proudly.

The question is, why it happened so?

It happened so because the Christian public as a whole nation gave up their religion in the hands of the Popes and Priests, who played hell with it on their will in rivalry with each other, very evilly.

The Mullahs/Allamas and Mufties/Zakars of the Muslim nation are also trying their best to forge their doctrines for the Muslims, at their own will, in their rivalry.

The Muslims are lucky here, Allah Almighty honoured them individually, as each of them is a custodian of their Islamic doctrines personally.

- There is no popeship in the Islam, in The Muslim nation, at all.
- Millions of the Muslim people learn the Islamic doctrine/Holy Quraan, by heart since the start of its revelation, regularly.

No one can dare it to change the single word even, of our Holy Book, "The Holy Quraan", at all.

Because several Million Muslims all over the world have it in their memory – by heart, absolutely thoroughly.

So, the Makkan and the Madani, the highest authorities among the Muslims world can not dictate them as each and every member of our nation is self dependent in his religion by birth, and he does not need at all any dictation, really.

- Everything, the teaching and the guidance is locally available and is arranged too easily, to become self sufficient, for the whole life of a Muslim completely.
- The Muslims do not bow or bestow to any of the highest religious authority locally or internationally at all.
- Their/our Holy Book, The Quraan is free from any illusion since its very first revelation upto now.
- No one is authorized and can dare even to subdue or add some part or portion of any smallest word/letter of our Holy Book, The Holy Quraan at all.
- This is the first and last reason, that the Muslim religious leaders could not bail out us, of the main stream of the Islamic doctrines, as there is a strict check and balance over it, by Allah Almighty himself also, very strictly.

The Non-Muslims Blunders of their Original Subscriptions

The Popes and Priests and Rubbies of the Christian and the Jewish religions have ever been playing with their books, The Torah, Bible and The Ingil, on their devil will absolutely joyfully.

They have been adding their own evil prophecies into their original revelations. That's why, the fact is, that the Torah, Bible and Ingil have lost their originality, absolutely.

I repeat here the wordings of the Christian Priest which I have mentioned earlier, that they have been raping their original doctrines "The Original Books" cover over the cover respectfully, and the time has reached that they have nothing in their hands, except the covers only.

If you feel that the wordings of the Priest and my writing here are not true or it is baseless - !

1. Then can you produce a single copy of the Torah, Bible or Ingil in its original, please?
2. If everything is oky, then why there are very wide some basic differences among the Christian sects mostly?

So much so that they contradict each others basic doctrines.

- i. One claims trinity doctrine.
- ii. The other rejects it very brutally.
- iii. And so on,

Why has it happened so?

CHAPTER NO.14/2

TWO WRONG CONCEPTS THE EVILNESS OF OUR RELIGIOUS LEADERS

[1]

FORGIVEN, HEAVENLY PEOPLE

First Jews Doctrine then Christians and non-Muslims have formulated this doctrine that we **are in advance forgiven heavenly people.**

Allah Almighty offers all such mad people to commit suicide and walk over in the heaven as they declare themselves and are sure also that they are heavenly people. So, why to be in hardships here, go/come there, but they are least interested to quit this world?

Holy Quraan warnings.

[2]

HELL FOR A SHORT PERIOD ONLY (DOCTRINE):

Firstly who confirmed you this?

Secondly, do you think, hell is a some garden? Is it not a mad, evil idea basically?

Hell is a terrifying huge flaming fire. I don't wish, to see it momentarily, for a fraction of a second even, too.

You are preparing your nations and pushing them also into the hell fire voluntarily.

How mad people you are?

How stupid you are?

How evil your preaching's are?

Oh people, of all the nations, please wake up.

Do your best to save yourself from the hell fire. Your religious leaders, the Popes and Priests, Rubbies, Pundit, Bagshoos, Gurus and Muslim Mullahs are pushing/dragging you all into the hell absolutely foolishly/evilly.

So wake up and save yourself.

CHAPTER NO.15

THE JEWS/CHRISTIANS HISTORY TERRORIST/CRIMINAL NATIONS

Their major achievements have been - !

1. The Prophets murder.
2. The blasphemy. The Jews have not several hundred but some thousand years old terrorist/criminal history.

Prophets Murder:

They have not murdered a few hundred but several thousand Prophets in their bloodiest history.

Murdering is a great crime or blasphemy, which of these two is a greatest criminal blunder?

When the Jews have been murdering the Prophets what the hell they must not have been playing with their heavenly revealed Holy Books Zaboor, Torah, Ingil and Bible, etc?

Blasphemy:

For your information, near about each and every Prophet had been blasphemed by this criminal creature, "The Jews nation".

There are hardly a very few people only among the Muslims who know this historical tragedy of the humanity that "The Jews" had not been blaspheming only but murdering the Holy Prophets also, who were sent one after the other for their survival/safety especially.

- i. The Jews bewildered nation
- ii. Worst than the animals
- iii. Sex merchants

The Jews are not the originator only of the homo-sex; they are the merchandisers of it also, internationally.

- iv. They have dragged in it, mother and son sex, brother and sister sex, father and daughter sex relations, there is no end of their bewilderment.
- v. Animal Sex: They have not spared even the animal, bitches and dogs, etc. too.

Advance Nations:

They are so proud of their bewilderment that they call themselves, advance nation nowadays.

Is there any other creature on this earth who has gone so wild?

1. Do the donkeys and monkeys inter change their sexes?
2. Do they have homo-sex relations?
3. Do the goats and dogs interchange their sexes?
4. Are they homo-sex merchants?

So, there is no doubt about it that they are worst than the animals. They call it in their language "**Goyam**".

The "Goyam" which must be the Holy Bible/Ingil, or Torah wording, addressed to them particularly.

Christians and Jews Emergation:

The Christians have taken over the Jews. Satanic life style in all sphere of their lives nowadays.

- i. They are sister nations actually.
- ii. And they have emerged themselves completely.
- iii. The Christians are leading the Jews nowadays not in their satanic lives style only but in the terrorism, the world over also.

Blasphemy:

The Jews Double Acting:

1. The Jews have been murdering the Prophets one after the other in hundreds/thousands numbers.
2. Blaspheming them on the other hand.
3. And manipulating the Holy Books Ingil, Bible and Torah, etc.

These satanic nations have maligned the character of near about all the Prophets.

The Holy Prophet Loot, Suleman, Ibrahim, Nooh, Haroon, Yousaf, etc. Silat for all of them, they have not spared any of them.

Look at their own Satanic Bewilder Character:

It is nothing what they are doing today. The Holy Prophet Muhammad Silat for him had ever been under their heavy artillery attack since his advent.

The non-Muslims had been abusing him, throwing garbage on him, beating and even stoning him, attempting his murder very severely.

Whenever any dead enemy accepted Islam, he did not congratulate him only but embraced him also whole heartedly, very vehemently.

He never mentioned even his blasphemy character, thereafter throughout his life, absolutely.

Blasphemy Definition/Clarification:

Our highly respected Popes and Priests/Mullahs, should have taken pain to define the blasphemy.

Is it restricted to the non-Muslims only?

- What the hell Muslims are playing with the blasphemy?

- What about the highly dangerous character of the hypocrites?
- Are not our Mullahs, Peers, Shah, Syed, Mufties and Sheikh-ul-Islam, etc. committing blasphemy very openly but daringly also, usually?

[1]

A person whose family belonged to the sub-continent, some thousand years back originally, when he shifted from one town to an other town, he declared himself a Syed. He was *Mochie*, *Marasei* or *Mosalei* etc. is damn bothered about it. He never knows what sin he has committed and what would be its consequences on the requital day?

The prostitutes are calling themselves "The Syed".

Hay Allah Hay

- i. Is not it a blunder blasphemy?
- ii. A person knows, he is not from the race of the Prophet Muhammad (Silat for him).
- iii. Still he pro-claims, he is the children of the Holy Prophet family.
- iv. Have you ever calculated the intensity of this blasphemy?
- v. Did you ever try to know what does it means and how severe this blasphemy is?
- vi. Why there is no check over such highly worst blasphemies, why?

Alas!

[2]

A person really belongs to the family of the Holy Prophet but -!

- i. He/she is a non-prayerer.
- ii. He is a dacoit.

- iii. He/she is a hypocrite.
- iv. He/she is a homo-sex player.
- v. He/she has turned up a prostitute.
- vi. And so on etc.

- 1. Did you ever pay attention over it?
- 2. Have you ever measured the scale of its intensity?

Alas!

- 3. We are the defaulter of the "Sunna" and we are least bothered about it at all.
- 4. Some people claim that the Holy Prophet had one daughter only and they reject rest of the children of the Holy Prophet (Silat for him) blindly.
 - Have you ever watched its blasphemy intensity over the scale, for your safety from the flaming hell fire.
- 5. Some people reject some of the women, that they were the wives of the Holy Prophet (Silat for him).
 - Have you ever watched its blasphemy scale?
- 6. The great Satanic Mufties/Mullah all over the Muslims world are leading the Friday prayers only and they are not traceable anywhere on the earth, till next Friday, except leading processions, agitations and wrong (long) marches.
 - i. Some of them have even their personal property Masajid where they have some hired prayer leaders/mullahs.
 - ii. Many of them have their Madrasas and their students or Khadams/ Servants are leading the daily prayers.

- iii. But they do not honour their Masajid in leading the daily prayers-! Because they are the big Mufties/bosses, and they take it against their satanic prestige to lead the daily prayers.
7. And so on many other Satanic costumes in the Muslim world.

CHAPTER NO.15/1

THE JEWS AND THE CHRISTIANS – ENEMIES OF THE HUMANITY

Their wonders are fatal blunders

They are sex and sophisticated weaponry merchants.

Sex Merchants:

They have developed sex so extremely wild that animals even are ashamed of them.

They have made their women, daughters, sisters, wives, very small little babies and mothers even a sex symbol only.

And the resultant is that the homo-sex, and the animal sex are their favorite games, bitches for the men and the dogs for the women, absolutely brutal sex.

Alas!

But they are very proud of their bewilderment. No, not bewilderment! But worst than that even, too.

Their top class lawyers, judges, ministers, prime ministers, presidents, so much so that even their-Priests and monks are also deadly homosexual merchants.

Every one of them needs some deadly psychology therapy

They need beyond psychology_____ some super treatment which Prophets by the grace of Allah Almighty could manage for them only.

In the very recent days some very stunning cases have crept up that their monks and Priests are also not lacking behind their masses in homo-sex evil play.

I have been writing on this issue in the past also but it need not any further enquiry because the matter has gone on the air now.

Besides this all the European and American Parliaments have passed the homo-sex bill with thundering applause very proudly.

Homosex Priests are being sworn in .

Even the Supreme Courts of these countries have enjoyed it highly pleasantly.

1. Bush, the President of America has to say, Yes, Yes.
2. Clinton and Cartor ex-presidents of the America have also honoured White House with their some sweet sex scandals, routinely.

Fatal Sophisticated Weapon Merchants

I need not to tell this, their anti-human criminal story because the people are already watching its havoc on their TVs. So -!

So, the Jews and the Christians are the uncontested champion enemies of the humanity internationally.

CHAPTER NO.15/2

DRAMA OF THE ROMAN AND IBRANIE LANGUGAES

The Questions is!

1. Did Ibranie language ever existed somewhere on this earth?
2. Where does it exists nowadays?
3. If it has vanished, how is it possible?

If the Bible and the Ingil were in the Ibranie language, then how could it be vanished off the earth, as its followers are in millions all over the earth around the world, permanently.

4. Does Ibranie language differ with the Arabic very widely?

It seems to be not correct but impossible too. Because Turkey is far of the said Ibranie Area and it is yet in complete command of the Arabic. The religion Islam rose about fourteen hundred and fifty (1450) years ago and it spread beyond Turkey also.

The Turkish people bear their names widely in Arabic. The black sheep who changed the Turkish alphabets/language, his name was Mustafa Kamal Pasha Atta Turk, his name even is also totally Arabic origin.

Current President of Turkey is Abdullah Gill. This is an Arabic name. His Prime Minister's name is Tayyab, this too, is the Arabic.

Over all majority of the Turkish people, bear the Arabic names. So your claim/doctrine is totally hollow. It has no legs to stand upon, my dear (Popes and Priests and Rubbies).

Was there any cave in between Turkey and Arabs where Ibranie people used to live?

The Turkish far of the Arabian region do not bear it!

David in place of Dauood and from Yaqoob to Jacob, Ayoub to Job, Younis to Johna, Maryyam to Mary, Haroon to Aeron, Eassa to Jesus and so on.

Then these are not the common names of the common people.

They all are graceful names of the Messengers of Allah Almighty, the super human beings.

These all are very ancient historical religious names, gifted Himself by the grace of Allah Almighty.

Did Allah Almighty not nominated Yahya, before his birth even?

And Eassa was also named, even before his birth, too.

Such religious historical evident indicate very clearly, that you (Jews and the Christians people) have been playing with their basic religious books absolutely blindly.

You (Popes and Priests and Rubbies) have changed your heavenly books on such a high scale that their originality is absolutely lost completely.

1. You have murdered several thousand Prophets.

So you have to change their heavenly revelations too obviously; because the heavenly books Torah, Ingil, Bible, etc. carried the same wordings/messages which their respective Prophets were preaching you exactly.

2. Not only this, you changed the names of those all Prophets also.

3. Your anger still did not cool down, and you splashed their characters absolutely mischievously.

If they were not Holy then how holy you all are?

Do you Rubbies and Popes surpass the Holy Prophets?

CHAPTER NO.15/3

IS THERE ANY DIFFERENCE IN BETWEEN THE JEWS, CHRISTIANS AND THE INDIAN IDOLATERS?

1. What is difference in between the Jews, Christian and (Indian) Buddha, Hindus, Sikhs & Parasies
..... You all are same and one basically?
2. You all believe in the mortal gods, the human beings.
3. No difference at all among all of you.
4. There is a difference of the names only.
5. You all are polytheists and Idolaters, the non-believers.
6. You all are fundamentally; religiously politically and economically jointed together historically.

Look at your history?

You all were enemy of the Islam/Muslims more than fourteen hundred years ago, collectively. You all still stand together today even, against the Islam/Muslims, all over the world, every where, very firmly

Look at the Iraq, you all are their mutually?

Look at the Afghanistan, you all are destroying it unitedly?

Look at the Pakistan, you all are raiding it jointly? Every one of you from far East Australia and New Zealand to the Western America, Brazil are assembled here to crush Pakistan madly. History itself speaks of it that your faith is the same and one (Polytheism and Idolatry) only. That's why your enemy is also common, same and one, the Islam/Muslims only.

Take it guaranteed, Muslims are not going to be wiped of this earth in any case, as you all are the slaves of the

devils. The owner of this universe is Allah Almighty. He alone is the owner of it and everything is only in his control safely.

No one ever will be defeated and none is going to be winner over here, on this earth, surely.

And the war between the evil forces and the servants of Allah Almighty is going to continue, till the requital day, continuously. There will be no end to it at all in any case definitely.

It is proved geometrically in figures here that you all are same in all respect, your faith idolaterism and polytheism along with the economic and political strategies are also absolutely the same. So my humble request and advice to you all here is ...!

Better is, you all toss for a common god as Uzair, Buddha, Ram, Paras, Eassa, Guru Nanik, etc. are all human beings, the mortal, the names are different but still you all are the same and one only.

Am I not friend of you all, because I am calling you for your unity?

So, better is, you all toss for a common God. It will be yours a great unity.

CHAPTER NO.15/4

POLYTHEISM AND IDOLATERISM ROMAN/CHRISTIANS HISTORY

As I have said before that Polytheism has been first lesson of the Satan/devil since the start of the human life on this earth.

And Idolaterism has followed the Polytheism. It's mean Polytheism is the root cause of the Idolaterism.

1. Idolaterism is very old in the human history. Although, we don't have enough record of it, anyhow we can take it from the period of the Prophet Ibrahim (P.B.U.H). It was his mission to wipe of the idolaterism in his era and he did it highly courageously. He entered the idol-house one day and smashed all the idols with his sledge, instantly.
2. Then we have some idolatry information of Prophet Moosa (P.B.U.H) era.
3. The last Prophet Muhammad (P.B.U.H) also carries some what similar history. He was born in an idolatorist town in the middle east in his era. He faced enmity to wipe out the idolaterism from the Arabian sub-continent, lastly.

The Holy Prophets Ibrahim, Moosa, Muhammad (P.B.U.H) and rest of all other Prophets fought against the polytheism and the idolaterism throughout their lives.

1. This has been the common message of all the Prophets that there is none else but one Allah/God Almighty. He is all alone Master/Lord of His divineness.

2. All the creatures pray Him without any break and excuse as well, around the clock, regularly.
3. The human beings are the only nasty creature who disobey Allah Almighty and invite punishment, so let us be His faithful to beg His mercy.
4. Be peaceful and do not harm anyone.

This common message/preaching for which some Prophets have been sacrificing their lives even, is known as "Islam". It has always been same with all the Prophets, what's so ever or who's so ever it may be, there was no change in it at all, absolutely.

It is shameful for all of us, the human beings, that none of the other creatures is a Polytheist or Idolater. Only we human beings are the black sheep who have very close friendly relations with the cursed devil/Satan foolishly.

What interesting to note here is that all the Prophets have been landing in the Arabian territory only, and they all had been struggling to wash-off polytheism and idolatry in that area, particularly. Whereas, Europe and sub-continent India have ever been under the total control and stress of the idolaterism permanently.

It is interesting to note here that Prophet Eassa Misseh (P.B.U.H) took birth in the Arabs lands. He lived struggling throughout his life in the same territory till his ascension.

The fact is that at the rise of the Islam, the Christians were the rulers of the Yoroshlum/Falestine. But as the Islam spread out in the whole of the Arab territory, the Christians, not most probably but surely migrated to the Europe permanently where the idolaterism was in full swing as ever before, usually.

It was the major destruction of the Christianity because it fell in the hands of the European idolater rulers helplessly.

The European, Roman and Greeky idolater Popes and Priests changed the basic ideology structure of the Christianity brutally. Same happened with the Jews also. The European

idolaters were the rulers and in full power also, they took over their command and control and started demolishing the basic ideological structure of both these nations, the Jewish and the Christianity forcibly.

We must go through the Torah, Ingil and Bible, but they have lost their originality completely. Every Pope has been starring/staffing and this practice is still on the free will and wish of them currently also. There is no watch, no check, no control over it. So no end or stop on this foolish practice till the requital day definitely. If you do not agree then listen me. It is in your benefit to listen me.

1. The names of the weekly days, in the Christian doctrine and Holy Books, are the names of the Greeky/Roman idols/rulers.

For example!

Sunday for Sun and Monday for moon the Sun and Moon were the gods of the Roman and Greeky, in those days.

2. August Augustine/August tope was the ruler/king of the Roman Empire in those days, whom Greeky/Roman people believed that he was their god, as they used to pray him also.

In those days, Roman/Greeky people used to worship their rulers/kings and queens, too, faithfully.

3. It is not that the name of week days and months of the Christianity are Greeky or Roman, only.....,

You take the Bible, Ingil and Torah, The names of Prophets were also changed in Roman tune....!

Prophet		Prophet	
Daud	David	Yaqoob	Jackeb
Yousaf	Joseph	Loot	Lot
Moosa	Moses	Zikiria	Zakiria
Eassa	Jesus	Suleman	Solomon
Maryyam	Mary	Nooh	Noha

Zubaida	Elizabeth	Shoaib	Jelhro
Younis	Jonah	Haroon	Aaron
Yahya	Yo-hanah	Ayoub	Job
Ibrahim	Abraham	Misser	Egypt
Ishaque	Isaac	Sa-ey-Rah	Sarah
Imran	Amran	Masjid	Mosque

4. The words, God and Christian are also not heavenly words. These are the words of the Greeky/Roman languages. When these basic great changes are there in the Jewish and the Christianity religious literature doctrines, then what else is not changed? So much so, they have taken the mortals Uzair and Jesus their God also.
5. Prophet Loot era is common in all the heavenly books.... Torah, Ingil, Bible and Holy Quraan. Homosex is not cursed and condemned only but the people of the said era were also showered with the stones to death very miserably. After several thousand years of this dreadful incidence, the European and the American. (The Christians and Jews) have not come up with this homosex shameful fashion only, but they have started merchandizing it throughout the world very proudly also, and the Muslim countries are their targets, especially.

Most of the European and American countries have passed the bills for it very proudly. Is it not in the knowledge of the Popes and Priests? Why not? They are part and member of that society; How can they be safe and secure of this heinous crime? They themselves are homo-sex hunters, as such news often creep out in the world press, occasionally.

Oh! Allah Almighty, please bless us with your grace absolutely mercifully.

CHAPTER NO.16**THE SATANIC ALTERATIONS OF THE
TORAH, BIBLE AND INJIL BY THE DEVIL
POPES & RUBBIES ABSOLUTELY
FOOLISHLY**

How shameless and tragic story is this, that not even a single original copy is available of the Torah, Bible and Ingil any where on this earth at all, absolutely.

The Jewish Rubbies played havoc with these holy revelations on their will first-!

Then rest of the Satanic finishing patch work denting painting was carried out by the Christian Popes absolutely mischievously.

The Holy Prophet Eassa Misseh, Silat for him, was not a Christian Prophet at all. He was the last member of the several thousand Israelits Prophets who were murdered until his turn lastly.

What the hell Israelits played with him, is a great part of the human history, It's a world record because a new "The Christian Nation" took birth over this tragic blunder, absolutely incidentally.

What I mean to relate this here is that-!

That Torah, Ingil and Bible, etc. all these heavenly scriptures were revealed to the Jews particularly. They are the only heir of these holy revelations unopposed unilaterally. All these holy books carried the same single message that-!

1. Allah is all alone and only one.
2. He has no parents and wife so no son.

3. He is the alone creator, flourisher, grower, feeder of all the creatures in this entire universe.
4. He is the only Master of life and death of all the creatures in this entire universe.
5. He is the Lord of the resurrection day, too.
6. He is the Lord of the heaven and hell also.
7. He is not mortal at all.
8. He is ever living.
9. No one mortal Uzair, Buddha, Ram, Guroo, Paras, etc. were god at all, except Him.
10. And some other cooperative and beneficent instructions for the welfare of the humanity especially.

But the Jews murdered each and every Prophet highly brutally, except the Eassa Misseh, who was lifted alive over the skies highly mercifully.

What a great grace is bestowed upon the Holy Prophet Eassa Misseh, Silat for him.

1. He was given fatherless birth.
2. He is lifted alive over the skies.

What a fantastic glories are showered over the Holy Prophet Eassa Misseh by Allah Almighty, which none else ever shared it at all in the entire human history.

None of the Holy Prophets ever said anything of his own.

Their speeches and character too, had ever been as per the guidance/revelations of Allah Almighty, very strictly.

Look at the Holy Prophet Muhammad, Silat for him. His whole life is the mirror of the Holy Quraan. He never said anything which was not the part and parcel of the Holy Quraan. He passed his whole life as per holy revelations of the Holy Quraan. This is what the characteristic of all the Holy Prophets had been.

Their entire life and speeches too had ever been as per holy revelations of the Bible, Ingil, Torah, etc. absolutely.

When the Israelites did not accept any of their Prophets-! Then, how the hell they could leave the Bible, Ingil and Torah in their original conditions.

Those are no more revelations.

There is no difference in between the Holy Prophets messages and the heavenly revelations at all-!

1. Both of them are coexistence really.
2. Both of them certify each other's truth.

So, to murder the Holy Prophets was absolutely useless really while the holy books could be challenging the brutality of the Jews very authentically universally.

[2]

When the Jews encircled the Holy Prophet Eassa Misseh, Silat for him-!

A group of the Jewish Rubbies differed this evilness and formed a separate wing in protest of this satanic brutality.

They named their gang "The Essaie". Thus a new nation emerged under the title of "Essaie"; The Jewish Rubbies changed their heavenly books Torah, Ingil, Bible, etc. on their will first-!

It was the turn of Essaie pundits now, who called themselves Popes, to bring the changes in support of their rebelling emotions.

1. The Popes blotted of the divine-ness of the Holy Prophet "Uzair".
2. And introduced a new mortal god Eassa Misseh for their misled followers.
 - a. The Popes declared the Eassa Misseh "The son of god first".
 - b. Then another group of the Popes rebelled with their colleagues and declared the divinity of the Eassa Misseh.
 - c. Another divided group of the Popes further

rebelled with their colleagues and announced the trinity doctrine.

d. In this way, the Popes, kept on manufacturing the new sects among themselves. And they raced among the sects, bringing ever new changes, very massively.

e. In this way the wordings of all the Popes have also ever been inducted unchecked in the original heavenly books continuously.

f. Torah, Bible, Ingil have been printed by the regional clergymen on their will throughout the world very massively.

g. Each country is having its own special language.

h. And then all the countries are further subdivided into several other languages.

i. In this way all these holy books are printed unchecked in several thousand languages around the world very massively.

j. None of them match with the others at all, absolutely.

Look at its gigantic tragedy, for which none of the Popes is ever ashamed of really –

See the intensity of the miserable conditions of these holy books. They are categorized very helplessly-!

1. Old testament

2. New testament

3. The Britannic testament

And – and – and – what else not.

The Muslims too are not a good nation at all, at least nowadays, especially. They/we are divided beside very severe early warnings absolutely criminally.

But even then our Holy Quraan by the grace of Allah Almighty very strictly is the same, the world over absolutely. One of its reason may be, our Muslim nation has a very tight grip over the neck of our holy popes very watchfully.

MONOTHISM

Let us embrace the Truth oh men

Allah is all alone and only one

He has no parents and wife, so no Son

He is the Lord, The owner of this universe, else none
Creation, Generation, Rotation, only He knows the fun

He says go, rest everything is done

Each and everything prays to Him alongwith the sun

Let us embrace the Truth, oh men

Allah is all alone and only one

He has no parents and wife, so no Son

CHAPTER NO.17

THE JEWS/CHRISTIANS FABRICATED DOCTRINES

It is a great tragedy really that the gods of the non-Muslims have died helplessly. But question is who took their lives?

Is it not truth?

A person who has taken the life of your (non-Muslims) gods, must be our Lord really.

Can you religious lords (Popes, Rubbies and Pundits, etc.), tell me who gave life to your gods?

Is it not a one man show, that a person who gives us lives, he must be snatching it also?

It must really be one man show, otherwise, this universe could never be run so smoothly.

You have Christians god, Jews god and several Indian gods (Ram, Buddha, Guru, Paras, etc.). Had there been so many gods, there could be a collision and free style wrestling/boxing among themselves definitely?

So, let us embrace the truth, there is only one Allah/God Almighty and He is ever living. He is the Lord of this entire universe and hereafter, the Lord of the resurrection day, too.

Son of God:

What a foolish, a bogus doctrine is it? As per Christianity (Popes and Priests) doctrine, Prophet Eassa (P.B.U.H) was a son of God.

Have you ever thought Mr. Popes, of your Blunders?

It needs a complete big book to mark out your blunders, here. Anyhow very briefly here....!

Allah Almighty is ever living since billion billion years ago.

1. He did not need a wife before Mary, why?
2. He had one wife only, why?
3. Mary died after a very short life, and your god could not save her from death, What a helpless your god is?
4. Your god had only one son, Eassa (P.B.U.H), why?
5. He died very shortly and your god could not save him, too?

Grand Son:

Did your god need some grand sons.

Why not?

Trinity Doctrine Bogusness:

1. The first divine unity all alone single God.
2. Then with Mary birth Your twin godship.
3. And after the birth of Eassa, your Trinity Divineship.

After the death of Mary and Eassa (P.B.U.H), what about your trinity doctrines?

Does it has legs to stand upon or lame excuses/doctrines exist, no more?

Let us embrace the truth. There is only one God.

He is all alone ever living.

He alone is Lord of the entire universe and here after the requital day, too.

CHAPTER NO.18

MR. POPES, ARRANGE THE RE-MARRIAGE OF YOUR WIDOWER GOD, PLEASE

What a tragedy is this?

It is over two (2) thousand years now that the poor wife of your god has passed away, none of the Popes since then, has ever tried for the remarriage of their/his god, sincerely.

The clergymen are enjoying the sex in the holy temples/churches very massively but none of them has ever taken any pain to remarry their widower god upto now, faithfully.

There is a golden chance for you all in it. Your god may deliver a baby and you would avail the son in low chance of your god absolutely luckily.

What a great shot it would be ? So try your luck and arrange the remarriage of your god quickly.

I wish you best of luck sir, most sincerely.

CHAPTER NO.19

POPES CROWN/MITRE VICARIOUS FIDEI

All the religions around the world give us a message

"Oh! Man you are nothing".

Allah Almighty says, Oh man surrender yourself to me.... Prostrate me day and night.

The humbleness is the top class achievement of the poise people.

None of the Prophets ever carried a Crown/ Mitre

Indian idolaters/religious leaders "Pundits and Bugshoos" put ash on their faces and head to celebrate the humbleness.

They rub scale on their faces too. Although, they are idolaters but they too, do not feel only but admit also the humbleness gravity.

All the Prophets used to sit on the earth, they never sat on any type of any chair throughout their lives.

Holy Prophet Muhammad (Silat for him) used to weep occasionally, very deeply, humbly. He had often torn shoes and clothes too.

A Jew came to him and stood his guest. The Jew made shit in the Masjid (Mosque) at night mischievously and ran away. The Jew was caught and brought back in the Masjid. He saw that Prophet Muhammad (Silat for him) is cleaning his (Jews) shit with his own hands. The Jew was so much impressed, that he embraced the Islam there and then, immediately.

"This was due to the glory of humbleness"

Vicarious of Prophet Muhammad (P.B.U.H)

Was a mode of the humbleness?

1. A Christian came to see the Caliph/Vicarious Umer (R.A). He was told that Caliph has just gone out, that way. He followed him and saw that the Vicarious Umer is sleeping on the earth, under a tree. The Christian was so much impressed, that he embraced the Islam there and then, immediately.
2. The war was prolonged over six months on the Yoroshlum. It was sieged by the Muslim forces for six long months. The Christian Ruler called on the Muslim commander finally and requested him to call your Vicarious for the negotiations. Caliph Umer (R.A) left for the Yoroshlum and reached there marching with the rope of his camel in his hand and his servant resting on the camel. The rulers of the Yoroshlum surrounded the camel and its rider. They took the rider, as a Vicarious but they were astonished to know that the rider is a servant of the vicarious Caliph, who has reached the town on foot.

The Christian ruler ordered to his forces, arms down, as he was very much impressed by the humbleness, nobleness and justice of the Vicarious/Caliph Umer (R.A)

Popes' pumps and show life, negates all the forum of the priesthood/vicariousness.

A one meter high Crown/Mitre and a golden cloak, it did not bear ever any of the Prophets of Allah Almighty. They always preached simpleness and humbleness.

Bowing to the Popes

Who taught you this? All the Prophets have always been admonishing the people on this evil action. None of the Prophets ever committed it, Pope does not arise higher than any of the Prophets at all.

You should be an outstanding example of humbleness among the crowds.

Alas! Some tiny Muslim Priests also do this stupidity to please the devil/satan, evilly. Such misled Muslim Priests are on the foot prints of the non-Muslims, as we are nearing the requital day very fastly. This is very critical time, a very large majority of the people is racing toward the hell joyfully.

Who is not doing this?

Every one of us is committing highly heinous crimes willingly/intentionally.

Homosex, non-prayers, nudes and criminal people are marching towards the hell or heaven, you decide it yourself?

We all know that these heinous crimes are not going to be forgiven by Allah/God Almighty at all.

So, we all are racing to the hell very joyfully, surely. Our stupid religious leaders/Popes and Priests of all the nations are leading us to the hell mockingly.

Take care, better watch yourself, be away from the devil/religious ring leaders.

Let us make it our motto that we are not hell merchants at all.

And we are not hell passengers at all, too.

I pray for all the humanity.

Oh! Allah Almighty, please guide us the right path and save us from the hell, mercifully.

A Warning to the Mad Muslim World

The higher/college education.

The nudeness and freedom/service of the women.

English language, are suicide mad actions of the Muslims world, Pakistani, especially.

Naked, sex merchant women are not racing to the flaming hell fire lonely, these devils will drag their poise father, brothers, husband, uncles (grand fathers) and sons into the hell fire.

Because they did not guide and taught them the right path.

They did not bother to check or control their evilness.

So, do your duties promptly.

That will safeguard us from the hell, surely.

Insha Allah -

CHAPTER NO.19/2

HOLY PROPHETS

VICARIOUS FEDEI – HOLINESS – CELIBACY

The Holy Prophets had ever been under the direct control of Allah Almighty so strictly that-!

That even a single milli their zig zag life is untraceable in the human history, absolutely.

Beside all the gracenesses, all of them were ever seeking the merciness of Allah Almighty most humbly.

This is what a great lesson of the Shittan/Satan shameful story is? Shittan/Satan was swollen with holiness pride and he felt himself with vicarious Fedei very foolishly and went astray.

I wish to visit you _____ very occasionally Mr. Popes/Rubbies but-!

But the shit you have splashed over many of the Prophets,
restricts me very strictly.

[1]

Anyhow let us, go through the story of the Holy Prophet Yousaf, Silat for him, what happened there.

It will relate you, not only your holiness, but the height and weight of your vicarious Fedie also.

[2]

A story of the Holy Prophet Suleman, Silat for him, is also displayed in your all holy books,

which narrates his celibacy story.

How great you are?

Even then none of you is ever ashamed of your mischievous madness absolutely.

The celibacy is against the ideology of our Creator, Allah Almighty basically, sir.

All the Holy Prophets are exceptionally super human beings.

None of the Saints ever surpassed has them,

because all of them have ever been, the followers of their respective Prophet, not honourably only but very vehemently also.

It appears to be, you people are some super human creatures, not to the Saints only, but to the Holy Prophets also, absolutely mischievously..

CHAPTER NO.20

THE POPISM IS A ONE MAN SHOW, A CHALLENGE FOR ALLAH ALMIGHTY – MONOTHEISM

Christianity doctrines are insulting attacks on the Holy Personality of Allah Almighty.

All the parameters, all the sciences confirm it that there is only one God/Allah Almighty. To believe in any mortal god other than God/Allah Almighty, is a misleading an evil doctrine. But to say that so and so is wife and son of God/Allah Almighty is a very severe direct assault on the Holy Personality of Allah Almighty, which is not highly annoying only but no room is also left for the forgiveness of such stupid criminals at all.

It is not a minor mistake.

It is a big criminal blunder, which is setting on fire, all the chances of forgiveness, madly.

Look here, if some one is enjoying his solitariness in any Holy place and you start throwing filth on him,

to what scale he will loose his temper, you can well imagine it easily.

It is such a dangerous crime that every one of us must think over it, not twice only but repeatedly. The Popes and Priests must take pain to think over it. It is not a minor mistake and the punishment for it will also not be minor surely.

It is not difficult only but absolutely impossible also, to surrender the evil pump and show.

It was Mitre/Crowns and Cloaks of the

Farooq/Ferouns which led them to the insulting disaster.

They knew that they were wrong;

They were not gods they knew it. But it was the question of their Thrones/Mitre and Crowns, their cloaks and their evil pomp and show which they were enjoying evilly.

The devils/Satans did not let them step down and instead, they dragged them into the hell fire eternally.

So the Popes and Priests, Rubbies, Pundits, Bugshoos, Gurus and Muslim Mullahs are never going to admit their evilness and quit their sweet posts, honourably at all.

It is for us, the general public that we must try our utmost to save our skins from the hell fire.

Are you sure that these our misled religious leaders will help us on the requital day?

Will they be anywhere near us on that day?

They themselves will surely be facing some very serious annoying consequences not for their own misdeeds/crimes only but they will face the charge sheet of misleading the general public also.

So, first I request you all, whether you are a Muslims or non-Muslims,

and then I warn you also indiscriminately, that please save your skins, from the flaming hell fire, very positively.

No one is going to help us, except the Prophets, that too for our minor mistakes only.

We have to face our misdeeds/crimes ourself individually.

So, take care of your every action and make sure of your safety from the blistering hell fire, please:

CHAPTER NO.20/2**THE CHRISITANS/JEWS ARE WORST
THAN THE IDOLATERS**

The Christianity doctrines are insulting attacks on the Holy Personality of Allah Almighty

All the parameters, all the sciences confirm it that there is only one God/Allah Almighty. To believe in any mortal got other than God/Allah almighty is a misleading evil doctrine. But to say that so and so is wife and son of God/Allah Almighty is a very severe direct assault on the Holy Personality of Allah Almighty, which is not highly annoying only, but no room is left for the forgiveness of such stupid criminals at all absolutely. It is not a minor mistake. It is a great criminal blunder which is setting on fire, all the chances of forgiveness, very madly.

Look here, if some one is enjoying his solitariness in any Holy place and you start throwing filth on him, to what scale he will loose his temper, you can well imagine it easily.

It is such a dangerous crime that every one of us must think over it not twice only but repeatedly. Popes and Priests must take pain to think over it. It is not a minor mistake and the punishment for it will also not be minor surely.

It is not difficult only but absolutely impossible also, to surrender the evil pump and show.

It was Mitre/Crowns and Cloaks of the Faroooh/Ferouns which led them to the insulting disaster. They knew that they were wrong; They were not gods they knew it, but it was the question of their Thrones/Mitre and Crowns, their cloaks and their evil pump and show which they were enjoying evilly. The devils/Satans did not let them step down and instead they dragged them into the hell fire.

So the Pope and Priests, Rubbies, Pundits, Bugshoos, Gurus and Muslim Mullahs are never going to admit their evilness and quit their sweet posts, honorably.

It is for us, the general public that we must try our almost to save our skins from the hell fire.

Are you sure that these our misled religious leaders will help us on the requital day? Will they be anywhere near us on that day? They themself will surely be facing some very serious annoying consequences not for their own misdeeds/crimes only but they will face the charge sheet of misleading the general public also.

So first I request you all, whether you are a Muslim or non-Muslim, and then I warn you also indiscriminately, that please save your skins, positively from the flaming hell fire.

No one is going to help us, except the Prophets that too for our minor mistakes only. We have to face our misdeeds/crimes ourself individually. So, take care of you every action and make sure of your safety from the blistering hell fire.

CHAPTER NO.21

THE POPES/RUBBIES WARS AGAINST THE EASSA MISSEH (SILAT FOR HIM)

The first thing must be cleared that there was no body Christian in the Eassa Misseh (P.B.U.H) period on this earth here at all.

1. It was the Jews or the idolaters period all over the Arab territories in those days.
2. The Christianity took birth after the departure of the Holy Prophet Eassa Misseh (Silat for him).

Those people who were the followers of the Eassa Misseh, they too, used to call themselves "The Muslims" also the followers of all the previous Prophets history.

3. The Jewish too, used to call themselves "The Muslims" before converting the new title for them "The Jews".
Any how -!

First War

The Rubbies/Popes launched their war against the Jesus Christ (P.B.U.H) even before his birth, absolutely madly. They challenged the chastity of the Holy Maryyam (Silat for her) and chased her from street to street and town to town absolutely blindly.

Second War

Birth Challenged

The Popes and the Rubbies went mad on the birth of the Holy Prophet Eassa Misseh (Silat for him) and tried their best to finish him along with his mother very cruelly.

Third War

Prophet-hood Denounced

The Popes and the Jewish Rubbies went mad again when the Holy Prophet Eassa Misseh announced his Prophet-hood and declared-!

1. God/Allah is all alone and only one.
2. No mortal can ever be a God. He is ever living.
3. The Uzair (Silat for him) is not at all a God, but His Holy Prophet only.

The Popes and the Rubbies were already tired of the Holy Prophets Zikiria and his son Holy Prophet Yahyah (Silat for them), and now his cousin Eassa Misseh (Silat for him) also carried the same flag-!

- i. Allah Almighty is all alone and only one.
- ii. No mortal can ever be a God. He is ever living.
- iii. The Uzair (Silat for him) is not at all a God but His Holy Prophet only.

All the Israelits Prophets had the same common declaration. The Israelie/the Jews had ever been killing them very brutally. They have killed hundreds of them continuously. And now the Holy Prophets Zikiria, Yahyah and the Eassa Misseh (Silat for them) were in a row their last prey finally.

Fourth War

Son of God

One of the Jewish gang master Rubbies sect announced later on that the Eassa Misseh (Silat for him) was not a Prophet but son of God really.

Fifth War

Eassa Misseh Divinity

Another sect of these Rubbies gang who called themselves the Popes marched forward and declared his divinity.

1. Eassa Misseh (Silat for him) was not at all a son of God.
2. But he himself is a god very surely.

Sixth War

Trinity

Another gang of those sectarian Rubbies/Popes declared the trinity doctrine later on, under the official

command of the Roman kings. It took three hundred years to finalize the Trinity doctrine lastly.

Roman Catholic:

These Popes call themselves the Roman Catholic, because this sect of the Christians was officially formed under the continuous pressure of the Roman Empire really.

The Vatican City/Empire

The Roman kings scarified a piece of land to establish their founded doctrine in the Italy finally, which is called the Vatican Empire, nowadays.

There are seventy two (72) sectarian wings of the Christians, that's mean Roman Catholic are the seventieth (70th) in the serial numbers of its nation; Even then, it is the only religious tycoons wing among all the religions on this earth, which is graced with the membership of the CNO (UNO) officially.

1. No other sect of the Christians.
2. No Jewish.
3. No Muslims.
4. No Hindoo.
5. No Sikh.
6. No Buddha etc. has this crown in their feathers very indiscriminately.

Final Round Seventh (7th) War

Return Refusal

The Popes and the Rubbies will refute the return of the Holy Prophet Jesus Christ this time again. He himself will launch the war against them.

1. He will attack and destroy the Vatican Empire.
2. And smash the sleeb under his feet finally.
3. He will enforce the Islam religion on this earth completely.

CHAPTER NO.22

TRINITY DOCTRINE

The faith of the one sect of the Christians that this whole universe is run by the three, Allah Almighty, Maryyam and the Jesus Christ collectively – Jointly.

The Trinity (gods) Doctrine

1. More than one person can never be in unity of mind, at all.
2. Two means – two different people in all respect, including mentality also.

Two persons can never be in 100% unity of mind for ever. They will differ some day on some matter that may be even absolutely minor one too. The difference of opinions is always dangerous. It causes some time serious differences which always play havocs.

A war is going on in the each and every house among the husband and the wife throughout the world. Not a single house is spared of this tragedy. One can not help it. It goes on with the man, in the grave, finally.

The simple cause of it is the division of the mind into two. Each and every house is shaking on this earth, only due to the difference of the mind among the two, the husband and the wife.

3. What terror will be played there, if the house is run by three (3)?

You can put this question to a person, who is having two (2) wives. It is a miserable story to hear it even. And the reason behind this is

that the ownership of the house is among the three (3) persons.

A very very tiny small house is playing hell for its residents, because its owners are more than one, with the difference of their opinions only. The house is flaming and boiling, all the time.

So the Trinity Doctrine is fabricated by some mentally sick person only.

Whose wordings are Trinity?

Are these Jesus Christ wordings?

Which holy book carries these wordings?

The Popes and Priests and the Rubbies of all the religions including the Muslims, have always played hell with the original heavenly doctrines.

Although, the Muslims are quiet lucky in this respect because we Muslims, share our religion equally irrespectively of the Pope-hood, very strictly.

False-Hood of the Trinity Doctrine

There are seventy two (72) Sects among the Christians. Out of these, there are some major sects, as under:-

1. Some Christians believe in the Prophet-hood of the Jesus Christ (Silat for him).
2. The second one is, who believed that Jesus Christ was a son of God.
3. The 3rd one is, who believe in the Trinity, which means the ownership of this entire universe consists of Allah Almighty, Maryyam and the Jesus Christ.

4. Although the Muslims are heading all the religions in The Sectarianism but, still all the sects of the Muslims believe in one single Allah Almighty (God). There is no difference of opinion in it at all,

since the last more than 1400 years, now.

5. Secondly, all Muslims believe it also collectively, that Muhammad (P.B.U.H) was a Prophet only.
6. He was of course a super human being, but he had nothing to do with the ownership of this universe, at all.
7. He does not share anything with Allah Almighty in this world and here after too. He was a Messenger of Allah Almighty only as were his predecessors Eassa, Moosa, Yousaf, Ibrahim, Nooh and others, etc.
8. Although the Muslims are also divided into the sub-sects, badly, having some minor or major differences among themselves, but they all stand united on the basic doctrines of their/our religion firmly.
9. No one can dare even to go out of the step here, because each and every Muslim is himself a custodian of his faith/Islam very strictly.
10. Millions of the Muslims are master of their faith/Islam, the Holy Quraan, even by heart too.
11. They/we are not dependent of any of the Pope and Priest, Rubby or Mullah at all. I believe it whole heartedly that there are thousand hidden jewels among the Muslims who are gifted with the faith Islam better than the world known famous scholars of their/our nation, surely.

Trinity with the Non-Muslims

It is shocking that all the non-Muslim nations gave up their religions in the hands of their Popes and Priests, Rubbies, Gurus, Pundits, etc. who played hell with it so desperately, that their original doctrines are washed off completely.

I may code a shocking story in the wordings of a Christian Priest here. I met him to make some religious enquiries from him. He came out boldly with the shocking truth and said, "we, the Christians (Popes and Priests) have been raping our religion cover over cover to keep its prestige up/high and have reached now to a spot, when the cover only is left in our hands, and rest all has gone with the wind, totally."

You may dismiss this truth here but the glitterness of the illuminating shine of its reality is not in your hands any more.

Some Quotations for the Jews & Christians Popes & Priests/Rubbies

- viii. *Does Torah, Ingil and Bible carry any physical sketch of Allah Almighty?*
- ix. *Does Allah Almighty has similar body as that of human beings, Exactly?*
- x. *What evidence do you have to support your above foul ideas?*

Allah Almighty is all over here and there from billions billions years ago, even before the birth of this entire huge universe also, because it is He who created this all.

Some billions/millions years later on, the Adam (P.B.U.H) was given birth by Him personally; And several thousand creatures were given birth by Him, even before the birth of Adam, too, already.

I have taken this all, from your books. This is a universal truth, you can not deny its reality

unilaterally, as it is prescribed in all the heavenly books – widely.

Many questions and answers surface here in these few above lines:

4. These lines put a cross over the doctrines of your so-called gods existence, who took birth, just a, few thousand years ago only.
5. Allah Almighty is all over here and there even before the existence of this entire universe, really.

My question to the Christian Popes and Priests here is

Did Allah Almighty had any wife before the creation of this whole universe or not?

Who was his wife in his solitary lonely life at that time?

None, no one –

Why not?

Your claim/faith is that Maryyam/Mary (P.B.U.H) was the wife of your god. Who was born some billions years after the birth of this universe. According to your doctrines, does this question claim some solid answer?

6. It is more than two thousand years now since Maryyam/Mary (P.B.U.H) has died away. Who is wife of your god after her death now?

None, no one.

Why not?

7. According to Christians doctrine, Maryyam was the only wife of god.

Why it is so?

8. Why not millions billions wives?

He is not short of any thing. This entire universe is his property. All the sources are in his hands. If so

is the reality as per your claim, then your one/single wife philosophy is absolutely hollow, and it has no legs to stand upon it, except that you should be ashamed of your fabricated doctrines.

9. You, Christians claim that Eassa (P.B.U.H) Jesus Christ is a son of god.

Only one son That too, of Allah, who is called Almighty.

10. Its mean you do not understand even the meanings of Almighty, at all.

11. Had Allah Almighty been in need of any wife and son. He could have and should have millions/billions wives and sons very joyfully?

I am sure we human beings do not have the sense even, to understand the doctrine behind the family system! Husband, wife and the son, etc.

The Family System of All the Creatures

All the living creatures whether they live on the earth, under the earth, over the earth or in the water, are in the pairs husband and wife and then son and daughter and so on

.....

1. First purpose of the family system is !

Automatic breeding of all the living creatures.

2. The joint family system. of the human beings – what for ?

i. To help each other in their emergencies.

ii. To condole each other and share sorrows.

A. Allah Almighty is Allah Almighty

1. No emergency for Him

2. And no sorrow to Him. Hence He needs not any condolence. So, He needs not any family system at all, naturally.

- B. On the other hand, this entire universe including all the creatures are His family.
- C. He is all the time watching and enjoying it gracefully.
- D. The function of this universe is a just TV show for Him.
- E. He is so committed to it that He never sleeps.
- F. He even, never twinkles His eyes, too.
- G. He is always watching the services of His servants, the angels especially.
- H. The angels present Him their roasters daily.
- I. And they present Him the facts and figures daily. He calls them Himself occasionally, also.
- J. He is very much busy. He is watching each and every occurrence all over the universe all the time. He is watching all the time, the performances of His all the manufacturing's, inventions, creations, moldings and castings, joyfully.
- K. He must be very proud of his charismatic deeds. He really, is so over joyed of His un-matching wonderful deeds, that He declares it very proudly.
- L. He could repeat such performances hundred (100) and thousand time much better than ever before even, too.
- M. The question is why He will quit His un-matching, un-contesting extremely and highly respected post of Master/Lordship of the entire universe, He is alone Rub/Breeder from web to death of all the creatures, unilaterally.
- N. Why He should select one lady and one sononly, And loose His highest top rank, Titles bluntly. Is it not against His honour and titles, really?
- O. Jesus Christ had not mother only, he had uncles and aunties also.
- He must be having some assets, his house and land properties, its share holders and friends and foes, which your god had to share it also, alongwith mother-in-laws, father-in-laws, brother-in-laws and sister-in-laws, etc. too.
- P. I think I should quit writing/discussing anything more

on this topic.

As, this Trinity doctrine is not highly ashaming but paining also really.

If I scratch/struck/pull it any more, it is going to be highly annoying and shameful for every one of us who so ever we are, the Muslims or non-Muslims, surely.

1. What I observe here out of this discussion that the originators of these doctrines were not the sensible person at all, and such lackness of the mental capability is with all the religious authorities, all over the world, very commonly.
2. It is not their mistake, they come from very low families and they are mentally retarded, rejected disabled persons usually. They climb up to the higher ranks uncontested with the passage of the time without growing much, mentally.
3. Whereas the general public of all the nations all over the world is religiously blind especially, who are carrying the play cards of their single eyed religious leaders, shouting very proudly.
4. Those common people who have some religious knowledge, keep themselves mum, for many reasons.

Any how, with this discussion, we come to the conclusion here, that the said doctrines are not only entirely false but baseless also completely.

1. The (Jesus Christ) Eassa P.B.U.H was not at all a god.
2. It is not he only, but no one else also, is ever a son of God, absolutely surely.
3. So, the trinity doctrine is also baseless, totally.
4. Same goes to the Uzair (P.B.U.H) Ram, Buddha, Guru Nanik and Paras as well. None of them was

ever God at all, really.

5. There is a very wide gape between the doctrines of the three (3) major Christian sects.

They all cancel each others doctrines themselves. So no need to pay any heed to it, as it is not worthy of it at all, very clearly.

Did your gods claim the sovereignty of this universe?

Please produce some evidence of it, literally.

Did Your gods Declare their Divinity

1. Did Uzair (P.B.U.H) said, that he was a God?
Is it mentioned in Torah and Bible, etc?
2. Did Eassa (P.B.U.H) said, that he was a God?
Is it mentioned in the Ingil?
3. Did Buddha claim that he was a God?
Any proof of it?
4. Did Ram said, that he was a God?
Show us the revelations?
5. Did Nanik, Paras, etc. was declared their divinity personally?
Any evidence of it?

The Fact

The fact is, none of them proclaimed this at all. It is, cover, over the cover story which I mentioned earlier here.

These are the Popes and Priests, Rubbies, Pundits and Gurus mental fabrications only.

CHAPTER NO.22/2**THE TRINITY – A FABRICATED, BOGUS DOCTRINE**

Ah what a non-sense this idea is?

This universe was created millions of the years ago by Allah Almighty Himself, all alone.

1. He did not felt any weakness in creating this universe at that time.
2. He did not need any help at that time.
3. He did not require any helper, colleague, partner at that time.
4. He was running this universe all alone since its birth so smoothly that not a single accident ever had happened since then.

He was running this universe since millions of years ago, before the birth of the Maryyam and the Eassa/Jesus Christ (P.B.U.H) very smoothly, all alone, very splendidly.

When the Maryyam and Eassa (P.B.U.H) were born, it was the trailing edge before the expiry, of this universe, finally.

1. The question is did Allah Almighty need any partnership at the dying hour of this universe, especially?

2. The next question is, what type of partnership Maryyam and Eassa (P.B.U.H) could offer or afford to Allah Almighty?
3. Maryyam and Eassa (P.B.U.H) lived very shortly on this earth before their departure. What was their contribution in the operation of this universe before their expiry?
4. According to this gaspe of the Popes and Priests and Rubbies, Gurus, Pundits, Bagshoos and Parasies, etc.... Allah Almighty must be over burdened of the functioning of this universe since the expiry of the Maryyam and Eassa (P.B.U.H) or Allah Almighty has any other new dual or trinity pact with some new clients?

But no....?

The Trinity partnership in between Allah Almighty, Maryyam and Eassa is still continuing as the Popes and Priests, Rubbies, Pundits, Bagshoos, Guru, Parasies, etc. are the guarantor of this pact, personally.

The Maryyam and Eassa must be helping/sharing the operation of this universe continuously from their graves motionlessly since their expiry.

Is it so, Mr. Popes and Priests and Rubbies?

Better is, accept your blunders and prostrate to Allah Almighty divinity, for your immunity.

I have given some very glorious dignities/glories of Allah Almighty, shortly in this book occasionally.

Did Maryyam and Eassa (P.B.U.T) had even a single such glory of them?

No, Not – at all

The Holy Maryyam, Silat for her, was devoted and lodged in the Masjid by birth. She used to to pray there, to whom?

The angels came to her at the time of delivery of the Eassa Misseh, Silat for him, where from those angels came to her? Who send those angels to her?

The Maryyam and Eassa (P.B.U.T) had been praying to some one, to whom they have been praying?

To whom they have been praying, He alone is the God/Allah Almighty. And that is the end of this briefing.

Had they or anyone of them been a god, then why had they been praying, and to whom they had been praying, Mr. Popes/Rubbies Sir?

All the misled guilty person do not resist only but always persist also on their evil fabricated doctrines, very sharply.

All the ring leaders' opponents of all the Prophets had ever been resisting the truth brutally. Sooner or later many of them had been realizing it that they were on the wrong foot; even then they had never been resisting only but attacking the holy messengers also, absolutely bluntly.

You know the fate of the Ferouns/Pharoooh; Have you learned something out of those incidences? If not, please prostrate Allah Almighty, hurriedly.

CHAPTER NO.23

A GREAT TRAGEDY NON-MUSLIMS GODS DEATH

**What a great tragedy is it!
That the non-Muslims gods have died?**

[1]

The Non-Muslims Charismatic Life

Is it not really a charismatic life of the non-Muslims that they are still alive, even after the death of their gods?

[2]

The non-Muslims Charismatic Births

Is it not really a charismatic birth of the non-Muslims that they are still breading rapidly even more than ever before?

Whereas some thousands years ago, their gods have, died, already.

[3]

Fantastic Jews Settlement over the Arabs Lands

The Jews had no home land of their own for the last several thousand years.

Their god has died some thousand years ago. They have their own home land now, even then.

Their dead god has given them a country to live

Or

They are blessed by the Allah Almighty who is ever

living, the Merciful

The Jews country will exist now heroically till the arrival of Jesus Christ, before, the last moment of demolishing this world finally.

[4]

The Food Supply for the Non-Muslims

The food grains/crops have increased in the non-Muslim countries abruptly than ever before.

Are these, the blessing of your dead gods?

Or

The merciness of the ever living (God) Allah Almighty?

CHAPTER NO.23/2

Mr. Popes, heartiest condolence over the death of your gods, sir.

CHAPTER NO.24

**Mr. Popes,
Heartiest condolence over the death of
your trinity.**

**Your gods have died away, so poor
trinity must be washed away with its
member's death.**

Is not it so, Mr. Popes?

CHAPTER NO.25

HEARTIES CONDOLENCE OVER THE RESIGNATION OF THE POPE BENEDICT

He had to resign over the homo-sex issue in the churches/Vatican empire.

How great is he?

He did not try to shun the demonstrators.

He did not try to come out with, the lame excuses.

He could not bear the bad smell of the Vatican empire/churches.

He felt it impossible to wash away the splashes of the fornication over the holy Vatican chair.

We pay salute to the nobleness of the great Pope Benedict whole heartedly.

CHAPTER NO.26**A SWEET GIFT OF THE POPES FOR
THEIR CHRISTIAN NATION**

- What a sad story is this?
- What a shameful story is this?
- The shame and the sense are closely related.
- A senseless person is never ashamed of at all.

A latest live case of it is the Pope Benedict. He felt shame, he resigned the top most chair of the Christian world.

[1]

The day, Greekie lady Pope Jone 6th was caught illegal pregnant in the Holy Chair of the Vatican empire-!

- How many Bishops/Cardinals were shocked over her evilness that day?
 - How many of them were ashamed of over her evil character?
 - How many of them committed suicide over there that day?
 - What about the criminal cardinals and the Bishops who had been raping her in the holy chair of the Vatican Empire?
 - Were those criminals traced or not?
 - Why they were not traced off?
- Was not the next Pope, the same criminal who had been raping her permanently?

It is the personal matter of the Christian nation, so I leave it aside most humbly?

1. But the question of the holiness of the Popes, is no more ignorable.
2. And the question of the holiness of the Vatican Empire/chair is also no more trustworthy since then.
3. When the Popes and their chairs are under a coma, then how can we embrace the holiness of the Vatican Temples/city?

[2]

When the protestors from all over the world were marching and shouting in the Vatican empire streets against their childhood raping in the Churches last year in 2012 and Pope Benedict had to resign over this shameful scene!

Was the sacredness of the holy chair of the Vatican City shattered or not Mr. Popes?

- Is it still a holy chair?
- And are you still the holy Popes?

[3]

The South African Bishop tou tou has declared himself not the dealer only but a homo-sex merchant also very proudly.

So much so, the CNO (UNO) is so overjoyed over it that it has honoured and nominated him the homo-sex Ambassador around the world immediately.

I feel his success as a next Pope of the Christian world surely.

But I am surprised over here, a homo-sex merchandiser American lady Rev Mary Bakie Sandra of Los Angeles has scaled over the Bishop chair too. Her chances of capturing the holy chair of the Vatican Empire are much brighter really.

1. The women rights flag of the CNO will flatter all over the world more shiningly.
2. It will be another crown in the Vatican empire feathers.
3. As the chances of her being pregnant in the holy Vatican chair will also be absolutely Nile really. She hates the euphemism with the men. She is crazy of the women sex very madly.

But the question again comes to the point that-!

- i. What about the sacredness of the Vatican chair.
- ii. What about the holiness of the past, present and future Popes?
- iii. Or/and how long will you be able to befool the Christian nation?

I feel, it is better to wait and see the near future drama. It may really be very charming future drama.

A lady from the America and a man from the South African, both senior clergy person of the Christian nation have exploded their homo-sex PhDs.

We may see many more such nuclear homo-sex explosions in the Vatican empire near future surely.

Don't worry the holiness of the Popes and the Vatican chair is kept in the safest lockers of the holy Vatican city under the holy day and night security of the Nuns there, whose own chastity is in the hands of the devil wolfs there absolutely miserably.

What about your holiness, Sir?

**THE CELIBACY A GREAT CHARACTER OF THE
CHRISTIAN CLERGYMAN**

Alas!

1. The Popes should have not at all challenged the heavenly doctrines.
2. They/you should have thoroughly studied the collapse of this un-natural drama of the Indian Pundits who are ever shattering the chastity of their goddess in the temples very heroically.

But, even then they are ever hoisting the flag of their heroic celibacy.

The chastity of all the Prophets had ever been in the direct control of God/Allah Almighty.

Even then, they all had more than one wife, mostly.

No human being can ever scale the character/carrier of the Holy Prophets at all naturally. There may be hardly one or two persons out of the millions people who by the grace of Allah Almighty, can go on this suicide mission successfully.

It is not a child play at all, my dear Holy Popes.

Has it not shattered your bogus celibacy doctrine absolutely, Mr. Popes?

Alas!

Nobody has ever felt shame at all among the Christianity world, over this evil doctrine. It is somewhat same drama which the three criminal stooges played with a king. They undressed the king and took him in the streets pretending that he was dressed with the top most super dress, someone ever had the chance to be in that, so splendidly.

The people were chatting him with the thunderous applause most fearfully.

Is not it the same case here that the Popes are completely undressed due to the failure of their bogus evil doctrines?

But their Christian nation is chatting them everywhere absolutely fearfully shamefully.

Did the effigy of the chastity not absolutely shatter on the pregnancy of the lady Pope in the holy chair of the Vatican empire satanically?

Several hundred years before, when this incident took place, were the Churches being purged of this evil, since then?

What about the mighty flames of the homo-sex which are surfacing in the Churches around the world very occasionally?

The Bishop, the senior most clergymen of your Churches are declaring their homo-sex championship all over the world very proudly.

How many their fellowmen, the cardinals etc. are in the same boat, but are silent over it most mischievously?

Mr. Popes, it is still better to lower down your bogus flags of the celibacy/holiness/chastity e.g.

And declare the flushing of the evilness of your Churches absolutely thoroughly.

Will the Muslim Mullahs also care for it in their institutions, please?

A CATHOLIC PRIEST INDIAN FILM "SIN"

An Indian Catholic Priest raped a woman in the church and murdered her also in 1988.

The Indians have picturised a commercial film "Sin" over this evil story in 1988, which has torn out the holiness

and celibacy of our devil Popes, Rubbies, Sheikh-ul-Islam/Hidees, Mufitees, Allamas, Pundits and Bagshoos, etc.

The Pregnant Nun

Agitations/Processions against the Pope Benedict on his England Visit.

On 10th September 2010, the Pope Benedict visited the England And had to face banners, play cards agitations for the pregnant Nun.

The news papers/the media displayed the photo of that nun worldwide, who is taking the icecream there.

What a great power of bogus holiness, chastity and celibacy is this true story?

Provided the papal people around the world are not shameless at least.

CHAPTER NO.26/2

A SWEET GIFT OF THE POPES & RUBBIES FOR THEIR NATIONS

It was a love letter of the Jewish Rubbies for their bewilder nation, that - ?

1. The Jews are the children/sons of god.
2. The Jews are the lords of the heaven.

If the Jews are the sons of god, then what is your position/post, Mr. Rubbies?

That's why, you may be calling yourself "The Rubbies".

Mr. Rubbies, if your claim/verdict is really a heavenly wording, then!

Then why your nation has been under the great chastisements?

1. Were not your national turned out to be!

[1]

The dogs, bitches, sparrows, monkeys, donkeys, elephants and so on, under severe heavenly chastisement?

If you deny this - ?

Were not you burnt alive by the Hitler?

Are not you still celebrating his butchery, annually?

If you deny this also - ?

Were not your nationals shunted out from each and every European country absolutely brutally?

If you still persist on your madness then - ?

Were not you blotted of from the Arab territories?

[2]

Leave all this Mr. Rubbies?

Could a prostitute be the children of god?

Could a homo-sex merchant be a son of god?

Could an illegitimate child be a son of god?

Anyhow, your all such rubbish doctrines were snatched by your nest of kins, the Holy Popes and hence they have also declared their Christian nation-!

1. Son of god.

2. And Lords of the heaven.

Due to the sweet songs of the Rubies and the Popes, the Jewish and the Christian nations have gone so wild, that even the Satans are ashamed of their/your evilnesses highly sorrowfully. The Jewish and the Christian nations have gone so wild that they have beaten all the animals' characteristics absolutely most joyfully.

So much so their/your world class top tycoons are also homo-sex merchants.

Leave this all above, let us review your latest marathon over this globe.

David Peterson of the "BBC" has drawn the curtain of your evilization:

[3]

4. Seventy thousand (70,000) kids raping sceneries are loaded on the website. These small figures cover a very small area of the Europe only.

[4]

5. Twenty thousands (20,000) of such figures, cover the Britain area only.

[5]

6. The Canadians have also shared you with the raping sceneries on the websites.

[6]

7. Bishop Tou Tou of South Africa is hired by the (UNO) CNO, its homo-sex Ambassador most honorably:
8. Rev-Mary Bakie Sandra of Los Angles America, a homo-sex custodian/merchant is honoured/crowned with the Bishop by the Vatican Empire/Popes very gracefully.
Mr. Popes/Rubbies how majestically you have dumped the Holy revelations of the Torah, Ingil, Bible, permanently.

WORST THAN THE ANIMALS/GOYAMS

Allah Almighty says in your those Holy Scriptures: Some/most of the people are worst than the animals even, very surely.

1. The Rubbies are using the word of "Goyam" for the animals in their literature. None of the animals have ever committed the homo-sex Satanic blunder in the human history universally.

[6]

2. None of the animals had ever cross sex relations with any of the other creatures, absolutely.

[7]

But what the hell the Jews and the Christians are playing on this earth, is really worst than the animals, the dogs and the bitches even, too.

Will not you, Mr. Rubbies and the Popes be asked for these highly heinous evil crimes??

[8]

The clergymen will be dragged into the hell by their followers on the day of requital, what would be about such Satan Mullahs?

The clergymen of all the nations have ever internationally closed their eyes over such highly valuable holy revelations, absolutely evilly.

CHAPTER NO.26/3

HEARTIEST CONGRATULATIONS MR. POPES

Bonus Airs/Para-Gouv-ey, a one hundred and three (103) years old "Manol" – and ninety nine (99) year old Martyan have announced their marriage lastly.

- They have eight (8) children.
- About fifty grand sons and daughters.
- And over forty their grand kids so far, too.

It must be a very cheering news for the holy Popes that the Christian nation has created some marvelous new records on this earth as per holy guidance/preaching of their holy Popes really.

The pair remained together over eighty years. They produced an army of their children without marrying even, and have declared their marriage in the church now finally.

What a holy that church and the priest is? I congratulate you Mr. Popes, over this matchless historian occasion, sir.

CHAPTER NO.27

THE NEXT UNOPPOSED POPE AMERICAN LADY BISHOP REV MARY BAKIE SANDRA

She is a homo-sex merchant/custodian. She rose to the holy post of the Bishop on the same ground. As the homo-sex bills under the kind sponsorship of the Holy Popes are being unopposed approved by the European/American, legislatures most vehemently.

The chances are absolutely bright for the next unopposed Pope-hood of the lady Bishop.

It is more over certified by the homo-sex merchant, African Bishop Tou Tou, who is crowned by the (UNO) CNO, the homo-sex ambassador, the world over.

CHAPTER NO.28

HOWARD UNIVERSITY INVITES YOU MR. POPES TO EMBRACE THE ISLAM

The abacus of the main gate of the Howard University, lawyer department, carries a title over it -!

Holy Prophet Muhammad, Silat for him, a Great Reformer

A GREAT EDUCATOR, TOO.

1. Who forced the Howard University management to engrave this Islamic Truth on the main gate of this worldwide famous institution?
2. Was it founded by some Muslims?
3. Has it ever been in the control of some Muslims?

No – Never, Dear Popes Jee.

Truth is always a universal truth. It always scales all the artificial boundary walls of the stupid clergymen, the world over.

**Was it written by the Sword there,
Mr. Popes, Sir?**

If you do not admit the truth, what does it looses?

A day will come "The Resurrection day" when you will embrace the Truth/Islam very surely, but absolutely fruitlessly.

CHAPTER NO.29

MR. POPE BENEDICT ADVANCE ANNOUNCEMENT OF EMBRACING THE ISLAM

Mr. Pope Benedict announced in the year 2010 that Islam is spreading very rapidly in the Italy and it will occupy it by 2030. The Vatican City/Empire is a very small patch of land in the Italy which too alongwith it, is going to fell to the Islam in the near future obviously.

I appreciate the courageous honesty of the Pope Benedict, that he felt it necessary to announce the fall of the Vatican City, in the hands of the Islam, very helplessly.

1. Mr. Pope Benedict may soon announce in the very near future this also, that the Islam is spreading with its holy characteristics alone very surely.

2. His, this declaration is carrying a very sweet lesson for the overall humanity.

He has condemned the foolish doctrine of the whole Christianity too, -!

That the Islam has spread by the Sword.

The Popes have ever been singing around the world since last fourteen hundred (1400) years, that-! Islam has spread by the Sword.

He is the first person/Pope who has rejected

the bogus doctrine of his all predecessor Popes for the last fourteen hundred (1400) years.

His this declaration, is the announcement of his acceptance of the Islam in the near future, very clearly.

I congratulate you my dear Mr. Pope Benedict for accepting the Islam whole heartedly.

Don't worry Mr. Pope Benedict-?

The European and the American countries too are making a hue and cry of spreading the Islam there also.

But where is that sword which all Popes have been waving around the world to discriminate the Islam absolutely mischievously.

CHAPTER NO.30

THE NON-MUSLIMS ARE THE GODLESS NATIONS

What a great tragedy it is?

The mortal gods of the Jews, Christians and the Indian Hindoos, Buddha's, Parasio and Sikh, etc. have expired since long ago, its about more than two thousand years over now.

The clergymen of all these nations have failed very badly, to dig up any new god to befool further their misled nations dramatically.

It may be, the clergymen of all these nations have taken up the divineness post themselves permanently.

We can't help these nations except condolence whole heartedly. The tragic death of the gods of these nations is really an alarming severe warning for their followers, to embrace the truth/Islam immediately.

PART -4

CHAPTER NO.31

THE PROPHECIES OF THE HOLY PROPHET EASSA MISSEH (SILAT FOR HIM)

[1]

It is repeatedly mentioned in the Jews/Christian's scriptures that truth, the Holy Prophet Muhammad/Ahmed, Silat for him, will come.

[2]

So for so, "Ahmed", one of his name even, of the Holy Prophet Muhammad, Silat for him was also mentioned in the Holy Books of the Jewish/Christians.

There are about one hundred (100) names of the Holy Prophet Muhammad, Silat for him, which Allah Almighty Himself has mentioned mostly in the Holy Quraan, e.g. –

1.	Muhammad	2.	Rahim
3.	Karim	4.	Shafi
5.	Aziz	6.	Nazir
7.	Bashir	8.	Rahmat-ul-Alameen
9.	Rasool	10.	Nabi
11.	Khatam	12.	Etc.

And Ahmad is one out of them.

[3]

- i. Mirza Kadyanie was misled over here absolutely foolishly. He took the cover of the Jewish/Christians holy scriptures-!
- ii. And the Quraan as well too.
- iii. Where Allah Almighty has mentioned "Ahmad" to clarify the evilness of the Jewish and the Christians clergymen "The Popes and Rubbies" who befooled and misled their nations about the prophecy of the Holy Prophet Eassa Misseh (P.B.U.H) absolutely, mischievously.

[4]

- i. The Holy Prophet Eassa Misseh, Silat for him, was so much in advance impressed by the holy characteristics of the Holy Prophet Muhammad, Silat for him, that he appeal to Allah Almighty, he wished to be among the followers of the great messenger, the Holy Prophet Muhammad (Ahmed), Silat for him.

[5]

- ii. Which turned to be another prophecy of the Holy Prophet Eassa Misseh, Silat for him.
- iii. His appeal was accepted by Allah Almighty. He is lifted alive above the skies and is returning here on this earth to lead/join the Muslims, the followers of the Holy Prophet Muhammad, Silat for him, a little advance near the requital day.

In-Sha-Allah

CHAPTER NO.32

THE IDENTIFICATION MARKS OF THE EASSA MISSEH, SILAT FOR HIM

1. He will land east of the Dimishaq (Shaam), "it may be some nearest ex-Russian Estate, also".
2. His hair will be falling over his shoulders.
3. His sweating drops will be shining like silver over his face and the hair.
4. His this lovely condition will be the same during his holy Makka pilgrimage, too.

CHAPTER NO.33

HOLY PROPHET EASSA MISSEH MATCHLESS GLORIES

1. **The Prophet Eassa Misseh (P.B.U.H) has no father. This is an exceptional case of the human history on this earth.**
2. **Prophet Jesus Christ is taken alive over the skies. This is another matchless glory for him. Holy Prophet Muhammad (P.B.U.H) met him during his ascension there and had conversation with him, also.**
3. **Prophet Eassa (P.B.U.H) will return on this earth once again a little before the resurrection day.**
4. **He will not denounce the sleeb only but he himself will break it, also.**
5. **He will fight against the anti-Christ Dijjal and kill him too.**

Is it not honour for him that he is taken alive over the skies? Whereas Christianity persists on his hanging baselessly?

Just Think Over it?

Each of the Prophet (P.B.U.H) had something super than the others.

CHAPTER NO.34

THE HOLY PROPHET EASSA/JESUS (P.B.U.H) DEATH AND HIS GRAVE

[A]

1. As we all know Prophet Eassa Misseh (P.B.U.H) was lifted alive above the skies.

[B]

It is his an exceptional honour

2. He will return again on this earth and appear here somewhere east of the Dimishq (Damascus), Sham.

[C]

This is his another exceptional honour

3. He will smash the sleeb himself.
4. He will fight against the evils (Jews, Christians and Muslims).
5. He will pray for the death of *Gog Mgog* and they all will vanish completely.
6. He will murder the anti Christ/Dijjal.
7. He will be pilgrim to the Makka.
8. He will marry also.
9. He will be buried in or near Madina Tomb, Saudi Arabia.

Prophet Eassa Misseh (P.B.U.H)

Nationality & Language

1. Prophet Eassa Misseh (P.B.U.H) birth place/area?
2. His hanging/sleeb place?
3. And His returning place/Area, these all places are near about the same area/Arabia.

1. What was his language, when he was born and brought up here in Arabia?
2. What will be his language when he returns here in Arabia,
Will His language be English/Roman? As Christianity religious literature is in English/Roman language nowadays.

You have changed everything from.....!

Maryyam	Mary
Eassa	Jesus
Dimishq	Damascus
Shaam	Syria
Missar	Egypt
Falestine	Palestine
Urdan	Jordan
And above all Allah, Rub	God

The Jews religious leaders call themself Rubbies. It is from Rub to Rubby. That's mean this is a Torah and Ingil wording, which you Popes and Rubbies have totally eliminated (This word) it out of your religious literature foolishly.

What else blunders you have not played with your religious literature/religion?

You have changed the names of your basic faith..... TRINITY From... Rub to God, Maryyam to Marry, Eassa to Christ. These are the only three powers of your basic faith.....TRINITY.

You have demolished them yourself, with your own hands, pens and speeches.

Have you not done these blunders?

If these three names Rub, Maryyam and Eassa are

not safe in your hands then what else the hell, you are not playing with your religion?

If someone tells me, a snake is underneath your chair. Is that man friend or foe of me?

If someone tells me, your house is on fire. Is he my friend or enemy?

If someone tells me, there is some filth on your shirt. Is he my enemy or friend?

Moreover, if someone races to save me from the death. Should I oblige him or shoot him?

My brothers, whatso ever your religion/faith is, I have honestly tried to save you all, from the hell fire. So, I am not your rival, your enemy at all.

Look here-!

A man digs out a well on the road for the travelers, to quench their thirst. You must not doubt his loyalty at all. You can only advise him to shift the place of well, or, you take care yourself and protect yourself from any hazard.

1. I am ever ready to amend myself.
2. If you find some mistakes, please help me in writing, I shall correct it in the next addition, thankfully.
3. If you find something short here in my writing, please help me in my struggle in writing. I shall be thankful to you.
4. I have tried my best to pull you out of the tsunami hell tides honestly, but if you try to be headache for me madly, I will never be sorry for it, absolutely.

Thank you all, sir,

CHAPTER NO.34-B

JESUS/EASSA (P.B.U.H) BIRTH AND RETURNING PLACE

Prophet Eassa (P.B.U.H) was born near the Yoroshlum (Palestine) and his returning area is also near about the same, east of the Damascus/Sham.

The Rome/Vatican city is several thousand miles away from the mother city of the Prophet Eassa Misseh (P.B.U.H).

Rome has always been centre of the darkness, polytheism. It has been centre of the idolaterism ever before also.

Allah Almighty has never blessed it by his grace. We must think over it. It is some what very peculiarly, astonishing matter.

We must always embrace the truth, we have to pay penalty, otherwise, for it, too.

MONOTHISM

Let us embrace the Truth oh men

Allah is all alone and only one

He has no parents and wife, so no Son

He is the Lord, The owner of this universe, else none

Creation, Generation, Rotation, only He knows the fun

He says go, rest everything is done

Each and everything prays to Him alongwith the sun

Let us embrace the Truth, oh men

Allah is all alone and only one

He has no parents and wife, so no Son

PART - 5

CHAPTER NO.35

HIGHLY CRITICAL TASK OF THE LAST PROPHET MUHAMMAD (P.B.U.H)

Has Allah Almighty been sending His messengers just for fun sack only, uselessly?

No..... there have always been many sound and solid reasons behind it.

Prophet Muhammad's (Silat for him) task and achievements have proved his worthiness. He was given very tough task by God/Allah Almighty. He was given the declaration that!

1. Uzair (P.B.U.H) is just a Prophet as usual.
2. Eassa (P.B.U.H) Jesus is also a fatherless as Adam, (by the grace of Allah Almighty) the father of all the human beings and he too is a Prophet as usual.
3. Loot (P.B.U.H) is also graceful Prophet by the mercy of God/Allah Almighty.
 - ii. They all are devoted innocent poise people.
 - iii. No devil has ever dared to come near to any of the Prophets, as God/Allah Almighty Himself protected them directly.
4. Clear the Arabian territory of the Polytheism.
5. Finish of the idolatry in the Arabian Peninsula.
6. And raise a nation who should pray to Allah Almighty day and night regularly, permanently.

- A. Was it not the requirement of the time in those days?
- B. Did Prophet Muhammad (Silat for him) complete his task/mission heroically or not?

It is more than fourteen hundred (1400) years now that his candle is glowing like sun all over the world as usual as ever before.

The non-Muslim forces have ever been trying to extinguish the flame of Islam from the very first day of its lightening, collectively/jointly but they all failed in vein extremely sorrowfully.

7. Correction of the History, the Life of the Prophet Loot (P.B.U.H).

I am ashamed of to mention the mud slugging of the Jews and the Christians, upon the life of the Prophet Loot (P.B.U.H) very shamelessly.

I am shocked to see that Bible, Ingil and Torah are brutally changed by the Popes and Priests and Rubbies, so massively that they have lost their originality, completely.

The major function of the heavenly books is to condemn the Polytheism and Idolatry, bluntly. Whereas current Ingil, Bible and Torah are themselves full of Polytheism and Idolatry.

There is always a time in the hands of everybody to beg Allah Almighty, the grace and mercy.

We all must try our best to save ourself from the hell fire. I am not interested to be a Pope or Rubby at all;

My interest and try is to save my skin from the hell fire, absolutely completely. I am calling you all also, please save your skins from the flaming hell fire untiringly.

No Popes and Priests, Rubbies, Pundit, Guru, Bagshoo or Mullah will never be our assistants on the dooms day.

They themself will surely be in trouble there, of misleading their nations foolishly. So better is, wake up and work hard, to save your skins from the flaming hell fire, please.

ALLAH HAFIZ – GOOD BYE

CHAPTER NO.35/2

THE MOST TYPICAL ASSIGNMENT OF THE HOLY PROPHET MUHAMMAD, SILAR FOR HIM

1. It was the time when the devil Jewish nation was the colour holder of the murdering the thousand Holy Prophets in a row absolutely evilly.
2. While the Holy Prophets Zikiria, Yahyah and Eassa Misseh were their prey lastly.
3. The Christian nation has emerged, the top class leaders of all the polytheist nations most bluntedly.
4. The Makka was the center of the entire Arab Idolaters.
5. The pagnum was reigning entire bewildered world, over helmingly.
6. The heinous crimes were the most honourable fashions of the day.
7. The previous Prophets were allocated to curb the Jewish nation only.

But the Holy Prophet Muhammad, Silat for him, was deputed to crush/curb all the bewildered nations/people on this entire earth completely.

He was born, grown and honoured with the Prophet-hood at the center of the idolaterism.

And then shifted to the Madina, the strongest den of the Christians and the Jews polytheist nations. Anyhow, He swept away all type of the evils forces from the Arab Peninsula, before his departure most honourably finally.

CHAPTER NO.36

HOLY PROPHET MUHAMMAD (P.B.U.H) SILAT FOR HIM – MIRACLES/GLORIES

As people used to ask some what difficult new questions to a new coming Prophet, so the Arabian/Makkan people asked some very peculiar typical questions to the Prophet Muhammad (P.B.U.H), too.

[1]

A Makkan leader came to the Prophet Muhammad (Silat for him) and said "tell me, what is in my fist?"

The Holy Prophet Muhammad (P.B.U.H) pointed out to the first of that Makkan and the material (pebbles) containing it, started praying/praising God/Allah Almighty loudly.

[2]

Another person met him in the fields and said, "Split that tree from the peak to the roots, into two parts".

The Holy Prophet Muhammad (Silat for him) pointed out the tree and it splitted into two parts.

The Makkan said to him again, "tell those split parts to come to you walking".

The Prophet Muhammad (P.B.U.H) ordered the tree and it came down walking to him.

The Makkan said to him third time, "Alright tell these two pieces to join together again".

And those two split pieces joined together in their original shape sharply.

That man said to the Prophet Muhammad (P.B.U.H), "tell it to go back to its original place."

It went back to its proper place, on the whisper of the Prophet (P.B.U.H).

What a fantastic miracle it is?

[3]

The Holy Prophet Muhammad (Silat for him) heard the cries of a deer, in the farm house of a Jew, while he was passing by it. He went that side and saw a deer is tied up with the ropes there.

The deer told to the Prophet (P.B.U.H) that she is caught and tied up by a man. My kids are there in the jungle and they must be hungry now. Kindly release me. I shall come back with my kids here hurriedly.

The Prophet Muhammad (P.B.U.H) released her and he stood there, waiting for her return.

In the meantime, the Jew, the owner of that farmhouse reached there. He saw, the deer was missing. He shouted at the Prophet Muhammad (P.B.U.H) and said, "How the hell the deer will return here. While he was quarreling with the Prophet Muhammad (P.B.U.H), the deer returned roaring with his kids, there.

What a fantastic miracle is this?

[4]

Some person asked the Prophet Muhammad (P.B.U.H) Silat for him, "you call the moon here". He pointed toward the moon. It broke apart into two pieces, came down to him and returned to its original shape and place as well again completely.

How embracing this scene must be on that occasion?

Anyhow, all the Prophets (P.B.U.H) did have many many wonderful miracles in their lives, that showed that

they were Prophets of Allah Almighty undoubtedly. With so high fantastic embracing miracles. Holy Prophet Muhammad (P.B.U.H) never claimed that he is a God.

If someone shows some miracles, never mind how great those may be, that does not claim his divinity at all.

Heavenly Books and The Quraan

All the heavenly books are not a great gift only by (God) Allah Almighty but those are really a wonderful ever lasting asset also for all of us, the entire human community around the world commonly.

No illiterate person can ever manage even a single such page manuscript at all, Holy Prophet Muhammad (P.B.U.H) was absolutely illiterate, how he could arrange such a huge book "The Holy Quraan"? Then, the language of it is also not at all a human language. It is over 1400 years old book now, even the current Super Modern people can not arrange such a high class book jointly/collectively, too.

The non-Muslims had ever been trying their best to change this book, "The Holy Quraan", but they will fail in the future too, as before very shamelessly.

CHAPTER NO.36.1

THE GLORIES OF THE LAST PROPHET MUHAMMAD (P.B.U.H)

The Ascension = An invitation by Allah Almighty

His flight over and above the skies that is an unmatched glory/honour for the last Prophet Muhammad/Ahmad Mustafa (P.B.U.H) in the human race/history.

1. Allah Almighty sent an angel entourage under the head of the Jibrael, to take up Prophet Muhammad (P.B.U.H) over and above the skies to His court/throne honourably.
2. He is the last Holy Prophet of Allah Almighty.
3. He led the prayer of all the Holy Prophets' at Aqssa Masjid during his ascension entourage there.
4. He had the honour to crush the rebelling Jews nation who had been not refuting only but murdering also, hundreds/thousands of the Holy Prophets, one after the other continuously.
5. "The Trinity" is a false doctrine, he declared.
6. The Holy Prophet Eassa Misseh (P.B.U.H) is lifted alive over the skies, he prophecised."
7. The return of the Eassa Misseh (P.B.U.H) was also briefed by him very comprehensively.
8. And so on several others, numeral fantastic glories/miracles in his roster highly gracefully.

CHAPTER NO.37**THE PROPHECIES OF THE PROPHET
MUHAMMAD (SILAT FOR HIM)**

1. The Holy Prophet Eassa Misseh (Silat for him) was born fatherless.
2. He was not hanged even, but lifted alive.
3. He will return again on this earth.
4. He will restart, and complete his Prophethood entourage.
5. He will land east of the Dimishq (Shaam).
6. He will kill the Diggal anti-Christ.
7. The Ya-Jooj Majoog (Gog Mgog) will be destroyed by him finally.
8. He will destroy the Rome and break the "Sleeb" under his feet.
9. He will take up the Islamic system of the Holy Prophet Muhammad (Silat for him).
10. He will enforce the religion Islam on this planet overwhelmingly.
11. He will be on pilgrimage to the Holy Makka Maukarma.
12. He will marry and,
13. He will have children, too.
14. He will be buried at the Madina.

CHAPTER NO.38

ALL THE PROPHETS HAD SOME MATCHLESS GLORIES THAN THE OTHERS

All the Prophets have splendid Glories in their crowns.

- We have no right to match them.
- We have no enough knowledge for it, too.
- We are not in that position, to point out them 1st or 2nd, also.
- No, Not at all.
- No Pope and Priest ever has this authority.
- We should keep our lips tightly closed and be mum on this matter.

This is not our duty. Our duty is just simply to obey and pray to Allah Almighty.

All the Prophets are the Jewels of Allah Almighty; only He knows their sequence in the glories.

- Prophet Adam (P.B.U.H) is having matchless performance of his life.
- Prophet Nooh (P.B.U.H) has a different astonishing memorable story.
- Prophet Ibrahim (P.B.U.H) has a splendid life history.
- Prophet Ismael (P.B.U.H) has a wonderful record among the Prophets (P.B.U.H).
- Prophet Moosa (P.B.U.H) has many messages for us to follow them.
- Prophet Daud and Suleman (P.B.U.H) have different good tales in their lives.

- Prophet Yousaf (P.B.U.H), tragic/wonderful style of life.
- And our Prophet Eassa (P.B.U.H) has a special gifted fantastic life from God/Allah Almighty.
 - Birth without a father.
 - He is lifted, alive up into the skies.
 - He will be sent back on this earth once again before the resurrection day.
 - What we observe they all had some what common era.
 - Tragic birth incidence, like Ismael, Moosa, Eassa and Muhammad (P.B.U.H).
 - And the migration is also common to all of them. They had confrontation/wars with the non-believers.
 - All of Them were confronted by the followers of The departing Prophets.
 - They all were beaten up by the people to whom they were assigned preaching by God/Allah Almighty.

They all had charismatic powers too.

Above all none of them betrayed their assignments. Each of Them was suffered badly in the hands of the non-Muslims and many of them lost their lives, even then they did not broke their loyalty with their lord, Allah Almighty (God).

All the Prophets had a Common Message of Allah /God Almighty

All the Prophets had a common message from (God) Allah Almighty.

- God is one only.
- He is single and all alone.
- He has no parents, no wife and so no son.
- He is the creator of this universe, so He alone is the owner too, of this entire universe.
- Not this all only, but He is alone the Lord of the resurrection day also.

- All the creatures pray/prostrate to Him day and night twenty four (24) hours around the clock regularly daily. None of the creatures ever hesitate or delay in their prayers, except the human beings.
- Some orders are for the human beings too.
- Do not grab other's properties and their rights, also.
- Obey your parents, respect your elders and be humble to the youngers.
- Help the poors and fight against the evils.

Those who follow God/Allah's message, they will be honoured with the heaven in the next world, and those people who reject or ignore His message, will surely be dumped in the hell fire, and they will never be released or eased out of their very severe punishment.

All the Prophets had Some very Wonderful Miracles, too

- Prophet Ibrahim (P.B.U.H) faced a big fire heroically..
- Prophet Suleman (P.B.U.H) had a flying throne.
- Prophet Moosa (P.B.U.H) had a magical stick.
- Prophet Ismael (P.B:U.H) scarification story.
- Prophet Eassa (P.B.U.H) gave life, to the clay made animals and the birds.

They all have many more miracles in their diaries. With all such miracles. They all used to proof to the general public that they were super human beings.

The general public used to ask/demand such miracles from them for their confirmation and satisfaction too.

Different people of different era had been testing the Prophets, with their different questions and demands particularly.

CHAPTER NO.39

SOME MUSLIM CLERGYMEN MAY REFUTE THE ARRIVAL OF THE EASSA MISSEH (SILAT FOR HIM)

It is the human historical record that they have ever been opposing the new coming Prophets usually. We have such lately occurrences in the Islamic history already also.

1. The Jews had ever been refuting the new Coming Prophets very wildly.
2. The Christian Popes and Priests did not deny only the Prophet-hood of the Muhammad (Silat for him), but attempted to murder him also throughout his whole life.
 - ii. They are still crying throughout the whole world and are denouncing his Prophethood.
 - iii. The Christians have joined hands with the Jews and started boosting up the devil homo-sex crime.
 1. It is the insult of the humanity.
 2. It is a severest chastisement of Allah Almighty as per Holy Quraan.
3. It is the human history, that every new Coming Prophet has ever been facing the severest opposition of the devil human beings, particularly by the followers of the ex-Prophet.
4. So there are great chances of some deadly opposition of some Muslim Pundits, at the arrival of the Holy Prophet Eassa Misseh (Silat for him), surely.

CHAPTER NO.40

A VERY WIDE DIFFERENCE IN BETWEEN THE HOLY PROPHETS AND THE CLERGYMEN OF ALL THE NATIONS

All the Prophets of Allah Almighty were just similar in their life style. They had a very simple life.

They all were highly sincere to Allah Almighty. They devoted their lives for preaching and faced worst hardships in the hands of the evil forces. Many of them lost their lives even in their struggles, but it is a historical record that not a single person out of them had ever betrayed their Lord in the human history.

All the Holy Prophets had absolutely a different mission of their lives, as compared to the religious leaders of all the nations, the Popes and Priests, Rubbies, Pundits, Guru and Mullahs of the Muslim nation.

Whose character and life style is just the same, irrespective of their religions or nations usually. We can view here, a wide difference of their carriers:

The Holy Prophets		Popes, Priests, Rubbies, Pundits, Guru & Mullahs	
1.	They all belonged to a respectable simple family. One after the other, definitely.	1.	Majority of them come from very low families, orphans, homeless, bewildered, mentally/physically disabled and illegal child in the American

			and European countries nowadays, usually.
2.	Holy Prophets are Prophet by birth, so they are taken care from the very beginnings by Allah Almighty himself directly. ii. They remain ever innocent by birth totally.	2.	Popes, Priest, Rubbies, Pundits and Mullahs are never innocent.
3.	Prophet-hood is the highest honour blessing by God/ Allah to some person.	3.	Pope-ship is a professional carrier.
4.	Prophets do not demand any money for their preaching.	4.	Religious leaders of all the nations are always crazy for the wealth.
5.	Prophet hood is not a carrier.	5.	These people climb up step by step.
6.	Prophets are never employee of anyone.	6.	These people seek employment from the childhood till death.
7,	They never tell a lie.	7.	Telling a lie is a no guarantee of them.
8.	The knowledge is always gifted to them by the mercy of God. ii. No human being is ever a teacher of the Prophets.	8.	The religious leaders always join some institutions and seek knowledge.

9.	So, Prophets never join any teaching institution.	9.	They get knowledge by learning from some one/institution.
10	All the Prophets had ever been condemning the sectarianism.	10	The sectarianism is the child play among their lives.
11	They are never lazy in their objects/ missions.	11	The laziness is mostly observed among them and they are opportunists mostly.
12	The Prophets will head their nations on the dooms day.	12	The Popes and Priests will head their sectarians on the dooms day.
13	All the Prophets will march to the heaven, unquestioned.	13	Majority of the religious leaders will lead their sectarians to the hell.
14	The Prophets are always faithful to their nations.	14	Faithfulness is not guaranteed of them.
15	It is necessary for the faith, to believe in the Prophet-hood of some Prophets, blindly.	15	Faithfulness is not necessary in the case of a Pope; you can differ with him really.

Prophet-hood/Mullaism

Anyhow, Pope-ship is a great honour in this world and here after too. They are the custodians of their respective nations. We must respect them whole-heartedly.

But take care among them are the idolaters, polytheists, hypocrites and sectarian black sheeps, too. Among them are the butchers also, who betray their nations and fell very cheaply in the hands of the enemies.

The Muslims all over the world are in the deep crises nowadays due to the hypocrisy of the so-called religious leaders Mullahs/Popes, Priests/Shah and Peers.

Pakistan is a baby toy in their criminal hands since its birth. They have not missed even a single chance since its birth. These ghosts were hired before its creation even and they have not changed their tracks still, since then. Some more innocent devils have fallen in their nets. They have trapped some uniformed sheep in their folk too, successfully.

So, keep an eye always on them and be careful of them. They are not our enemies in the mitre in this world only, but blind faith on them could be highly dangerous for us in the next world, too. So take care, and be careful of these devils, permanently.

PART -6

DUMMY MUSLIMS AND
THE HYPOCRISTS

CHAPTER NO.41**ONLY ONE PERSON OUT OF THE ONE THOUSAND WILL BE GRACED WITH THE HEAVEN**

A very vast majority of the human beings will go to the hell surely. Only a very narrow margin of the people will be honoured with the heaven, mercifully.

The ratio is one out of one thousand men. From one thousand (1,000) people, only one man will be honoured with the heaven gracefully.

Many popular misled criminal religious leaders will lead to their stupid followers into the hell. They will fight among themselves, blaming and cursing each other there, before marching into the hell, helplessly.

Oh Allah Almighty forgive us and bless us also with the heaven, gracefully.

CHAPTER NO.41/2

THE DUMMY MUSLIMS AND THE HYPOCRITES

A large majority of the Muslims world is by name Muslim only, nowadays.

Allah Almighty in the Holy Book Quraan has declared such Muslims, hypocrites.

Ch No.1, V-8, 9-10

Ch. No.4, V, 142

Ch. No.74, V-43

Ch. No.107-3 Holy Quraan

And a long briefing of it is in the Chapter No.9, immunity/Toba. I have said in my previous book "Kalma go Muslman" that there are hardly two (2%) percent Muslims in the Pakistan and if my calculations are wrong then there are not more than five percent (5%) Muslims in the Pakistan surely. Same is the over all condition of the whole Muslim world nowadays, definitely.

A Truth is always very soaring and it is very difficult also to swallow, willingly voluntarily.

- If you do not agree me, look at the faces of our high gentry.
- Just go in any of the Masjid/Mosque and count down the number of the prayers there, who are also fifty fifty Muslman.
- And worst of them are the Peers/Shah/Mullahs/Religious leaders.

- Look at our ruling lot, civil, military, police and judiciary officials.

Can a true Muslim be corrupted?

The corruption devil has grasped up our Masajid/Mosques and religious institutions even; also. What else is left behind then?

Religious leaders and government's civil and military officials, all of them are ring leaders of the hypocrites.

What I mean to include this Chapter here is!

Those non-Muslims who embrace Islam by the grace of Allah Almighty must take care of it.

1. Embracing Islam means to accept the truth, that there is only one Allah Almighty who is ever-living and Lord of the resurrection day, too.
2. Embracing the Islam means, to pray and live our daily life as per Holy Teachings of The Holy Prophet Muhammad (Silat for him).
3. Do not follow any of the Muslim Mullah (Pope and Priest). Be careful majority of them is misled nowadays.

Try your best to save your skin from the hell fire, that must be the aim of our life. We must leave every thing what so ever it may be, to save our skins from the hell fire.

Do not copy the other Muslims. Do not copy the Muslim Popes and Priests, the Mullahs. Copy the Holy Prophet Muhammad (P.B.U.H) only.....

I wish you all good luck, freedom from the hell fire.

Story of the Seventy Third (73) Sect:

The Holy Prophet Muhammad, Silat for him, said there will be seventy three (73) sects of the Muslims, out of which only one (1) sect will be heavenly people, rest all will be hell merchants.

Is-ha-bah, the disciples of the Holy Prophet Muhammad, Silat for him, are the pre-hand allottees of the heaven who were neither Sunni nor Shia or Wahabee.

So, only non-Sectarian Muslims will be graced with the heaven very mercifully, rest all Sunni, Shia, Wahabee, along with their sub Mullah parties will be pushed in the hell very surely.

CHAPTER NO.41/3

REJECT ALL THE MULLAS/ALLAMAS (POPES & PRIESTS) BLINDLY

I wrote a book (Rah-Nima-e-Moulana and Peer-o-Murshid) a guidance to the Muslim Popes and Priests about 18 years ago, in 1995. It is not me only, several hundred Muslim Saints, Scholars have ever been warning the Muslim Popes and Priests/Mullahs who never pay heed to any of such mournings, what so ever case it may be. They always play in the hands of the devils not happily but very voluntarily also.

They were warn by the Prophet Muhammad (Silat for him) himself very severely but they never paid heed to his warnings even, also; The result is that the Muslims today are in bloodiest worst cryings, as never before:

1. The suicide of the kids (bombar).
2. Flogging of the women.
3. They are mostly enemy's (Indian, American, Israeli, Britain and ?Russian) agents.

Such Popes and Priests of the Muslims are not friends but foe in the Muslim gowns

The Majority of them/us are Hypocrites nowadays, truly. Same goes to the Jews and the Christians Popes and Priests. So, the general public of the Christians and the Jews must not take it ill at all on the condemnation of your guilty giant religious leaders, because I am cursing the black sheep in our own crowds too. Look at the evil governing structure of the Saudi Arabia, Pakistan, Missar (Egypt), Shaam (Syria), United Arab Emirates (UAE) etc. the so-called Muslim countries.

They are Muslim countries alright, but there is not even a single Islamic country at all on this earth nowadays.

Who is playing hell with the Muslim countries nowadays? They are our Popes and Priestŕ/Mullahs only.

Take the example of Pakistani Mullahs here, when they had wine glass from the Zia and Musharaf, the enemies of the Pakistan, they all were with them. Sooner the glass was broken, they all started long/wrong march at the hands of the safety and fate of our country, Pakistan. They all have been playing such dramas, even before the birth of this poor country, Pakistan, and they are still on their toes as ever before, very voluntarily.

So, let us the Muslims, Christians, Jews, Hindoos, Sikhs and Budoos) have a common joint long march against our common enemies, the Popes and Priests of our religions/nations.

What I mean here is, the Jews and the Christians general public, must think over it that you too are misled and misguided by the Popes and Priests, not surely but truly also.

1. The claim of your Popes and Priests and Rubbies is, that Emphyrean is the living/resting/commanding place of God/Allah Almighty.
2. But what your Popes and Priests have divinized, Uzair and Eassa (P.B.U.H) for you, they were not borne only but were buried here on this earth, also.
3. Allah/God Almighty is He who has created this entire universe, which was already existing, even before the birth of your so-called gods, too.
4. What your gods did in their lives? They did not create anything in their lives at all.
5. When your gods have died, this world should also have been finished, if they were really true gods?

The birth of your gods here on this earth, and then their burial here under this earth by the human beings.

This story, does not speak anything about the

Empyrean truth. These are two different stories, and a contradiction of each other.

My discussion with you proofs it clearly here that your Popes and Priests have misled you. They have divinized (Buddha's, Ram, Uzair, Eassa, Nanik and Paras, etc.) gods for you.

That is their criminal action, and it is dragging you all, along with your Popes and Priests, into the hell fire. I advise you all, wake up and save your skins from the flaming hell fire.

CHAPTER NO.42

A GREAT FUNERAL PROCESSION OF THE LATE, HERE MUSLIM NATION

It is very difficult to check the tears after going through the Muslim history.

- A. They carried the matchless characteristics of the human history.
- B. Alas! We, "The Muslim nation" were dumped up in the very deep ditches by our rulers since long ago.
- C. It is over several centuries now, that the rotten smell of our Rulers, is being further pumped up into our nostrils, for fatal faintness of our Muslim nation permanently.

[1]

It was a time, when our holy rulers used to have several patches on their dresses. They used to sleep on the floors/earth and the non-Muslims used to be proud of embracing the Islam absolutely joyfully.

Whereas, the Muslims are fleeing from all over the Muslim world into the America/Europe to embrace the evilization homo-sex, animal sex highly joyfully, very vehemently currently.

[2]

There was a time, when our holy rulers had not even a single penny in their fist and they all ever died pennilessly too. They all had hardly 10x20 feet their residences, most humbly.

Then came over the devil kings/rebelling generals who squeezed the throat of the Muslims, the world over internationally.

- i. They started building their castles in the each and every town of their regimes.
- ii. They started dumping their national treasures into the Europe and the America for property, which was never returnable at all to these devil kings finally.
- iii. Where are the treasures of the Irani king, Sadam Hussain, Hasanie Mubarik, Kaddafi, etc?

How long it will take that rest of the Arabs/Muslim Rulers will also be kicked off their treasures/wealth absolutely brutally, there?

[3]

There was a time, when the true Muslims used to refuse the sweet offer of the post of the judges and the generals.

[4]

There was a time, when our Holy Muslim clergymen used to march off most humbly for preaching from Bulikh to Rome "Turkey" from Bukhara to the Tashkent, from Arab territories to the Lahore, Ajmair, Multan, Pak Pattan and Sehwan, etc. But we are switched off to the Satanic evilness now so highly mischievously that - !

[5]

Our judges and generals are not ashamed of breaking of our holy country Pakistan, at all.

[6]

The throat of the Pakistan is still in their Satanic hands since that bloodiest tragedy of the world history:

What should I write over, our these ceremonies!

How much should I mourn over it?

[7]

Leave aside the evilness of our stupid politicians and the hypocrisies of our Mullah/Peers.

[8]

Let us load the dead body of our late holy Muslim nation on the cart and put its effigy on the fire with more than twenty one (21) gun fires, sweating tears over it absolutely helplessly.

PART-B

THE FUNERAL PARADE OF THE LATE MUSLIM NATION

[9]

The Pakistanis/Muslims are committing suicide for the American/European nationality. So for so, they/we are deserting their/our religion also absolutely willingly.

[10]

It is not the general public only, look at our big Popes/Sheikh-ul-Islam, Mufties and their nearer and dearer, who want to enforce Islam on our nation, how crazy they are for Western nationalities?

[11]

The Pakistanis/Muslims all over the world are swallowed by the Indian/English culture.

- English foods
- English residences
- English talking
- English sleeping
- English walking
- English names
- English sex
- English dresses
- And so on etc, all sort of the kuffer, Papa, Mama, Aunty, Uncle, every thing kuffer, here very clearly.

[12]

The holy Muslim Popes, Allama Jee, Mufties, Khateeb-e-Azam Jee, Sheikh-ul-Islam/Hidees Jee are

still sweating hard to enforce the Islam on the bier of the late Muslim nation here.

Where to enforce the Islam?

Who will enforce it? Mullah Jee;

Have not you ever glanced in the mirror, but alas.

You are mentally blind absolutely.

[13]

You/we are carrying English posters on our backs, knees, thighs, hips, shoulders, chests, arms and, and, and what else kuffer is not there?

[14]

So for so, many of these wordings printed on the dresses are very clearly abuses. The devil people know it very well also, that these are the abuses which they are carrying on their bodies, for which they are not ashamed of at all but they are highly proud of it very enthusiastically.

[15]

This is what the devil kings, the rebelling generals and their supporter Satan Mullahs/Parties, the judges, the journalists, the devil nonsense TV anchors/scholars have gifted to our so-called Muslim nation very untiringly.

The Stan Mullahs want to build/erect the Islamic structure our this rubbish.

[16]

No one is left here on this earth now, who could lift the effigy of this criminal Satanic Muslim nation with all the pump and show to the cemetery.

Hay Allah Hay

Hay Allah

CHAPTER NO.43

THE MUSLIMS MUST CELEBRATE THE CONDOLENCE DAY OF THE "JANA-TUL- BAQEEH" MASSACRE JOINTLY, THE WORLD OVER EVERY YEAR

1. What can I classify it, whom Holy Prophet Muhammad, Silat for himself, has named Jana-tul-Baqeeh?
2. Hazrat Jibrael, Silat for him, awoke up and took Hazrat Muhammad, Silat for him, to the Jana-tul-Baqeeh at night.
 - ii. And Hazrat Aisha, Silat for her, too, followed them there at mid night.
3. There are graves of the children of our Holy Prophet Muhammad, Silat for him.

1. Hazrat Fatima, Silat for her	2. Hazrat Roqia, Silat for her
3. Hazrat Umm Kalsoom, Silat for her	4. Hazrat Zaineb, Silat for her

- All the four daughters of our Holy Prophet.
4. Hazrat Ibrahim, Silat for him, the son of our Holy Prophet.
 5. About ten wives of our Holy Prophet, Silat for all of them.
 6. The Caliph "Usman", Silat for him.

7. Several (about a hundred) top most devotees the disciple/companions of our Holy Prophet Muhammad, Silat for all of them.
8. Several were the martyrs also, over there, Silat for all of them.
9. And many more countless highly top class beauties/honours of the holy Jana-tul-Baqeeh.

I admit here, there must be some devil criminals who must be disgracing the holiness of the Jana-tul-Baqeeh.

That does not authorize someone at all to bulldoze our that holiest cemetery.

We condemn all those devils who did share this blunder. There could be many other measures to protect the sacredness of our this holy shrine definitely.

PART -7

CHAPTER NO.44

THE SECRETARIANSIM IS A TERRORISM THE NATIONAL ENMITY

Muslims are warned against the sectarianism several time in the Holy Quraan repeatedly. A very severe punishment of hell fire is also already guaranteed in advance for this heinous crime.

Even then majority of the Muslims especially Mullahs are very proud of their sectarianism. And the ring Leaders of these Sects, are very proud of their religious scholar hood. They are called Allamas and Sheikh-ul-Islam/Hidees, Mufitees, etc.

[1]

The Sectarianism is everlasting Chastisement

Allah Almighty has not only threatened but has announced a severest punishment for the sectarian devils, but Satan is pumping Sectarian ring leaders, that you are a big Scholar/Allama, really.

[2]

Holy Prophet Muhammad (P.B.U.H) warned of (72) Sects of the Muslim.

The Holy Prophet Muhammad Mustafa (Silat for him) has also warned such devils and he has given the examples of the Jews and the Christian's stupidity too, but even then a big Muslim Scholar is he only, who has manufactured a new sect very promptly.

[3]

The Sectarianism – is a National Terrorism.

Sectarianism is such a great heinous crime that all the good deeds of sectarian Popes are washed off – totally. None of their good work is accepted, they are stamped and black listed for ever permanently.

So, it is my appeal, for all the new Muslims that please be aware and away also from the sectarianism, as it is not strictly forbidden only but its severest punishment has also been declared by Allah Almighty already.

No lame excuses are accepted at all for this evilness. I pray for you all success Allah Hafiz.

Sectarian Deenie Madrasas:

Be away from the sectarian deenie madrasas, those are the breeder of the Terrorism/terrorist.

(4)

Beside the seven (7) obligatories, there are some other fundamental duties too for the true Muslims.

Honest hard earnings and its expenditure justifiably, parents, wife, children, needy relatives, widows, orphans, beggars, handicap, sick people and such other needy people are also your/our legal obligations.

(5)

Be away from the bad habits, people/societies:

1. Do not harm any individual at all.
2. Be away from the corruption, no bribery at all.
3. Sex control.
4. Never abuse, as an abuser is a hypocrite.
5. Control your wife and children, you will be asked about their misdeeds on the requital day. Lacking of their education and prayers default, you have to answer for that too.

6. A lady must be completely faithful to her parents and the husband too, surely.
7. The ladies current way of living is absolutely dangerous.

No (Pope and Priest) Mullah, Peer or Shah is going to be your/our guarantor on the Dooms day.

Every person is going to face Allah Almighty himself on that day for his own conduct personally.

(Pope and Priest), Mullah, Peer and Syed/Shah will themselves be questioned there that day. We have a bad or good example of Pope John sixth, who was a bad character lady. She climbed to the Popeship and was stoned to death by the Christian Mob of her misconduct, very miserably.

So, always follow the Prophet Muhammad (Silat for him), not the Mullahs or Peers/Shah, at all.

I repeat it once again here.... !

1. Daily five time prayers are must.
2. Hard earnings no corruption/bribery, etc.
3. Look after your dependents humbly.
4. Help the poors/needy.
5. Pay the Alm/poor rate regularly.
6. No drinks, club life, gamblings, etc.
7. Don't harm anyone.
8. Be humble with the non-Muslims especially.

[6]

Veil – Hijjab/Burka

- The veil is not the proper Islamic dress at all.
- Burka is the perfect dress for the "Hijjab".
- Eyes are the master of all the evilnesses.
- So, as long as, eyes are naked, the veil is useless absolutely.

Ladies must take care of it completely. I am sure veil-less ladies prayers are not accepted at all. This is a few days life. We must be very careful here, to safe guard ourself from the everlasting hell fire, untiringly.

Protection ... Safeguard from the Hell Fire

It must be the motto of every individual, to make sure his freedom from the hell fire. One can not bear a very little, match stick fire. Hell fire is extremely intensive flaming fire, we must try our best to safeguard ourself from it by the grace of Allah Almighty.

1. Only, he is Muslim, who obeys Allah Almighty, with his best efforts regularly:
2. And lives as per the Sunna (characteristics) of the Holy Prophet Muhammad, Silat for him, very strictly.

(C)

- i. A true Muslim is he, who believes in Allah Almighty unity.
 - ii. He is all alone and ever-living.
 - iii. He is the Lord of the resurrection day too.
 - i. Five time prayers a day are must without any failure regularly.
 - ii. A regular non-prayerer is not a Muslim at all but a hypocrite, who is worst than a non-Muslim even, very surely.
1. One must pay alm/poor rate punctually.
 2. One month fasting annually.
 3. Performance of the pilgrimage once in a life possibly.
 4. Preaching permanently.
 5. Jihad/defence services whenever, it is required, very promptly.

CHAPTER NO.44/2

THE MUSLIM MULLHAS ARE ON THE FOOT PRINTS OF THE NON-MUSLIM POPES & PRIESTS & RUBBIES, VERY MADLY

Polytheism

The non-Muslims Jews and the Christians, did the same initially as the Mullahs are sweating hard nowadays.

[1]

The Jews and the Christians religious leaders, Popes and Priests & Rubbies had been upgrading their Prophets Uzair and Eassa (P.B.U.H) similarly as the Muslim Mullahs are trying hard to match the Prophet Muhammad (P.B.U.H) with Allah Almighty absolutely foolishly.

The Mullahs are marching on different roots, which will catch the same path of the Jews and the Christians, finally.

[2]

1. Matching of the Names:

The Muslim Mullahs match the names of the Prophet Muhammad (P.B.U.H) with Allah Almighty in such a close wordings emotionally, that they put them on the same scale together foolishly.

[3]

The Mullahs are afraid of the common Muslims that they may break their necks, otherwise, they are highly emotional to declare that Allah Almighty and Prophet Muhammad (P.B.U.H) are two different names only but they are bodily one truly.

Oh! God/Allah Almighty forgive me/us mercifully.

[4]

2. Quallie/Naat/Poems/Marciay:

The Holy Prophet Muhammad, Silat for him, condemned it and Allah Almighty has declared in the Holy Book Quraan, that the poets are not sensible person usually.

Although poets and poetry, both are condemned by Himself, Allah Almighty...!

Even then our Mullahs are celebrating the poetry massively. Without any knowledge, without any check over it, without any certification of it, Mullahs are celebrating it deliberately.

Prophet Muhammad (P.B.U.H) himself condemned the Poet and Poetry.

A. A poet Abdullah/Malik came to the Madnie Masjid (Mosque) and requested Prophet Muhammad (P.B.U.H) that he want to sing a poem in his honour (praise worthy), and he started it singing.

B. Meanwhile, an aged gentleman came at the door of the Madnie Masjid, and the Prophet Muhammad (P.B.U.H) walked down to the door to receive him, who disappeared momentarily. This happened thrice that the Prophet Muhammad (P.B.U.H) rose to his seat and received the old gentleman at the door of the Madnie Masjid repeatedly. Meanwhile, the poet was upset on this scene, he murmured.

The Prophet Muhammad (Silat for him) disclosed, that the visiting noble aged man was the angel Gibrael, who has condemned your poetry, he pointed out.

[5]

C. Prophet Muhammad, Silat for him, was received by the Madnie people with the band and songs, on his arrival at Madina, cheerfully.

Although he must be very sad on his migration, and the situation was not normal for him but tense here to. Even then he did not care of the matter there at all, without any hesitation he said "Always avoid such polytheism".

Is there any check on our poets and poetry nowadays?

Is there any person like Prophet Muhammad (Silat for him) among us, who has that top class authority to differentiate polytheist poetry for us nowadays?

This matter is not that simple as we have happened to be irrelevant/irresponsible to it. This matter unintentionally leads us to the mischievousness/polytheism.

[6]

Therefore, Allah/God Almighty has not left this matter in the hands of the Prophet Muhammad (Silat for him) alone, He directly took it Himself and condemned it there and then instantly,..... Holy Quraan.

[7]

C. Look at the character of your world known poets and singers.

1. They all were dead drunkers.
2. They all were non-prayers.
3. So, question of their being follower of the last Prophet Muhammad (Silat for him) does not arise at all absolutely.

[13]

1. They are non-believers basically.
2. Most of them belong to the prostitution areas.

[14]

But the Mullahs, Shah and Peers are collapsing and dancing on their tunes extremely joyfully, on the Darbars and Urses/Mailas foolishly. Actually these religious Pundits are themselves non-prayers and misled completely.

[15]

Look at the evil faces of the current famous poets of our era. Most of them are pressmen, you can see their devil faces in the newspapers daily.

They claim themselves anchormen and scholars. They are dancing on the TVs proudly as if they were the only genius Muslim, people on this earth nowadays.

[16]

Do they not look like hinoods absolutely? They all are non-prayers too permanently. Most of them are drama producers. They pass their nights with the actresses prostitutes mostly.

I request you all Muslims to be away from these devils. We must pray five times daily regularly. Do not harm anyone. Help the poor with honest earnings, this is the only way to get rid of the hell fire, In-Sha-Allah.

[8]

But our Mullah and Mufties are dancing around them in the open streets, not foolishly but absolutely madly also.

[9]

D. There are so many other evil activities of our Mullahs/Mufties/Scholars which are dragging us/the Muslims into the evil polytheism/idolatry.

[10]

Non-prayers are rushing day and night every day to the tombs (Mukburas, Darbars and Khankahs under the leadership of their non-prayers peers and shahs) for their own booty only.

[11]

ii. Giarveen Sharif is top priority of our Mullahs and Shahs/Peers and rest forget all about the prayers.

Our (Muslim) Mullahs, Shahs/Peers are dragging the Muslim nation into the evil polytheism & idolaterism, absolutely mischievously.

Oh! Allah Almighty bless us the right path mercifully, gracefully.

[12]

A. Look at the dirty faces of our singers. They are mostly traditional musicians/Meracies from very low family by birth.

What to talk about them? Their fore-fathers even have never stepped in the Masajid (Mosques) in their whole lives at all.

[13]

1. They are non-believers basically.
2. Most of them belong to the prostitution areas.

[14]

But the Mullahs, Shah and Peers are collapsing and dancing on their tunes extremely joyfully, on the Darbars and Urses/Mailas foolishly. Actually these religious Pundits are themselves non-prayers and misled completely.

[15]

Look at the evil faces of the current famous poets of our era. Most of them are pressmen, you can see their devil faces in the newspapers daily.

They claim themselves anchormen and scholars. They are dancing on the TVs proudly as if they were the only genius Muslim, people on this earth nowadays.

[16]

Do they not look like hinooods absolutely? They all are non-prayers too permanently. Most of them are drama producers. They pass their nights with the actresses prostitutes mostly.

I request you all Muslims to be away from these devils. We must pray five times daily regularly. Do not harm anyone. Help the poor with honest earnings, this is the only way to get rid of the hell fire, In-Sha-Allah.

CHAPTER NO.45

THE GOD/ALLAH ALMIGHTY FIRs FOR ALL THE POPES/MULLAHS

1

ULLAMA SOU

My worry is not, who are the Ullama Sou? No, not at all.

I am in the search of some gentlemen who are really not the Ullama Sou, nowadays. If you find any such person somewhere please inform me. I shall be sweeper of his house and clean his shoes too, daily. If you don't find any such person somewhere, please inform me about some person who is afraid of to be an Ullama Sou.

HAY ALLAH HAY

2

It is not the 14th but the worst 15th century now.

Oh Muslims be careful of it and its Mullahs/Shah/Peer Jee.

I have not seen a single Mullah/Peer/Shah worried about his evilness. All of them are on the long/wrong march on the road to Islamabad absolutely mischievously.

1. **Are not those people/mufties/Sheikh-ul-Islam, Ullama Sou, who appear on the masajid stage on the Friday only.**
2. **Are not those Mullahs/Peers/Ullama Sou, who have their personal property Masajid and deenie madrasas also, but they do not lead the prayers themselves**

regularly.

3. There must be over hundred illegal darar personal Masajid from Karachi to Peshawar on the main G.T. Road and railway track absolutely dishonestly.

3

THE DARAR/PERSONAL PROPERTY MASAJID

How many are Darar Masajid in the Muslim World/Pakistan nowadays?

It is really a very pinching situation over the Muslim world, especially Pakistan nowadays. Each and every Mullah is sweating hard for his personal property Masjid attached with a Deenie Madrasa here in the Pakistan currently.

What is the reason of their struggle?

Are they sweating for the teaching Islam/guidance of our nation?

Are they not the commercial centers nowadays?

Are they not the brokerage houses of the Stock markets?

The students of such devil institutions are running in the streets in search of some personal den/Masjid.

4

1. They have very charming example of the devil Lal Masjid at Islamabad. Its Mullah Abdullah, was hired in a very small masjid here. He captured the adjacent park later on, and put a deenie madrasa board there. What has done his sons, the whole world has viewed their terrorism over the TVs internationally.
2. Mullah Tahir was given a small masjid to lead the prayers there.

He captured over a few hacketers land, on two different sites later on illegally there. He is not threatening only to our rulers, he had a long march drama too, last year in 2013.

- **Are not they Ullama Sou?**
- **Are not they darar masjid?**
- **Are not they breeder of the terrorism?**

Hay Allah Hay

3. A Mullah has captured the main G.T. Road here at Lahore-Pakistan. There is an illegal Masjid adjacent to the site already, so he has put a deenie madrasa board over it there.

The captive site, is going to be his children's residence/asset later on permanently.

He intends to open up a few shops over here also, and put them on sale under the banner of the deenie madrasa, business.

**SECTARIANS/PERSONAL ASSETS
THE DARAR MASAJID & THE ULLAMA
SOU**

The Mullah and Peer/Shah:

Are dragging the Muslim into the hell with them extremely massively nowadays.

5

Is it not the most dangerous 14th but the 15th century now, Mullah/Pope Jee?

Why so terrifying FIRs of the - !

- i. Darar Masjid
- ii. Ullama Sou and
- iii. The 14th/15th centuries are cut against you Mullah/Peer/Shah/Pope Jee?

- iv. Why have you not ever care for these severest reports against you Mullahs/Popes Jee?

Hay Allah Hay

- v. Sectarianism is an other in advance FIR against you Mullah/Popes/ Sheikh-ul-Islam/Mufties/Khateeb-e-Azam and Shah/Peers Jee.

Allah Almighty has banned the Holy Prophet Muhammad (Silat for him).

- i. Do not enter even the Darar Masjid.(Al-Quraan.... 9/109)***
ii. Boycott the sectarian people. (Al-Quraan ... 6/160).

Hay Allah Hay

Our big Mullah/Pope is he only, who is a top sectarian head nowadays most mischievously.

Hay Allah Hay

CHAPTER NO.45/2

TWO EXTREMELY SHOCKING SHAMEFUL BLASTS IN THE LAST DAYS OF THE JANUARY 2014

1

THE UNO HAS ISSUED RED NOTICES TO THE MR. POPES

That's mean I am not alone hauling/crying over the evilness of the Popes/Mullahs. The UNO notices to the Popes indicate that a huge revolt is surging up against the evil character of the Popism.

Pope Benedict has not resigned foolishly.

No, not at all.

He knew and realized the evilness of the top gear clergymen, the cardinals and the Bishops even too, in the Vatican corridors.

What could be the miserable condition of the rest of the churches and the clergymen on this earth? He knew-?

- i. Homo-sex
- ii. Kids raping
- iii. Fornication
- iv. Nuns miseries
- v. Nuns miseries

Are the blood cancer of the entire Christian nation around the world, a gift of the devil Jewish Rubbies/nation?

It was impossible to replenish the dirty blood of the entire Christian nation.

So the Pope Benedict stepped down the Popism very wisely.

- a. The red notices to the Popes/Vatican Empire means to flush its complete system around the world.
- b. The Vatican empire is no more holy at all, it's a gutter of all type of the fornications absolutely.
 - i. The Popes and the Priests are no more holy at all.
 - ii. Their celibacy is shattered completely.
 - iii. So the question of their chastity is absolutely a hollow hauling only.

2

A blast has exploded in the Islamabad, Pakistan too, simultaneously.

My mockerly holy face has dumped into its ashes very miserably.

A case has been dug up by the Pakistani Police here last week. The Tableeghie holy party stall-warts registered seventeen (17) fake companies there. They trapped eight thousand (8000) persons/families there. They collected some thirty one billion from them and said "we will see you in the heaven surely".

The Popes of all the nations, the hindoos, bugshoos, gurus, parasies, the rubies, Christians and the Muslim pundits are ever-!

- i. The big cheaters.
- ii. It is the historical record of the human beings, their devil mullahs have ever been misguiding, misleading their nation into hell fire most authentically.
- iii. As all the religious devil pundits have ever been an easy prey of the shatan, very voluntarily.

PART -8

CHAPTER NO.46

ANTI ISLAMIC/MUSLIMS INTERNATIONAL ORGANIZATIONS

The heavenly books are the historical record of the human evilness that they have ever been against the new coming Prophets.

1. The Jews are the history sheeters in this respect.
2. The Christians too joined them against the Jesus Christ and the Holy Prophet Muhammad (Silat for him).
3. The Idolaters also have ever been against the Prophets/Islam.
 - ii. The Holy Prophet Ibrahim (Silat for him) was set on the fire by the Idolaters.
4. The smaller non-Muslim communities like Parasies, Sikhs and Buddhas are also a part of the Indian Hindoos basically.

So when ever any international organization is set up, it will be based on the Muslims and non-Muslim forum naturally. The Muslims and the non-Muslims are organically different in nature, they can never emerge together at all psychologically naturally.

History is the best true record that the non-Muslim forces have ever been joining and planning against the Islam/Muslims very firmly universally. Any how - !

1

UNO/CNO

I call UNO the CNO (Christian Nations Organization). It was formed by the American Allies, under the command of the America unilaterally.

1. Its charter was enforced over the Eastern Europe, the Russia and the German, etc. also the 2nd world war defeated nations.
2. The Asian and African countries were enrolled as a scrape later on into it, gracefully.

2

VETO POWER

1. The CNO was installed by the terrorist Europeans, under the command of the America, so the Veto power was also held by them unilaterally.

2. Not a single Asian or African country is graced with the Veto power, absolutely evilly.
3. The Muslim Countries on this our Planet:
 - ii. There figure is about one third (1/3) of the total world force.
 - iii. The Muslims population is also about one third (1/3) of our globe.
 - iv. The Muslims are the largest nation over this earth.
 - v. Some Muslim countries are the richest states in this world.

But even then not a single Muslim country is graced with the Veto power at all.

3

THE SECURITY COUNCIL

The Security Council also consists of the Veto Power terrorist countries only. A few Asian and the African countries

are recruited into it as a buttman there every year, to realize them their slavery only.

1. This devil organization is based on the terrorism.
2. Its command is in the evil hands of the terrorist nations.
3. It is based also in the America (Newyork).
4. A very vast majority of its employees are also the Americans.
5. The 3rd world, poor Muslim countries officials, are ever in search of mockerly smiles hardly.
6. A monkey (America) is in its driving seat.
 - i. So, how can it deliver us peace?
 - ii. Justification?
 - iii. Brother hood and prosperity?

- The Muslims are in the danger, in the evil hands of the devil CNO.
- Everything is being cooked against the Islam in its corridors.
- It is the centre of the Shatans against the Islam.
- Look at its crocodile tears over the
 1. Human Rights
 2. Women Rights
 3. Child Rights.

Do not stay there but just visit their streets to watch the shit rushing out of their doors so massively that their streets are turned into mighty rubbish pounds, completely.

- i. Their women have gone so wild naked that, even the bitches are ashamed of them horribly.
- ii. Their smallest children are being raped by their fathers even, absolutely miserably.

I am not just chit chatting here, you can visit an Indian court, where a just five (5) year old daughter is repeatedly raped by her own father, a French Embassy official there. Don't go in the European and American streets, you will surely fell sick in that rubbish envious environment surely.

You just go over the web and try to keep your eyes open if you can, for a fraction of a second only.

- These are the women rights.
- Child rights.
- Human rights.

The CNO wants to enforce it over the Muslim world most gracefully.

The homosex is being advertised by the CNO around the world as a most ultra-invention of the devil Christians and the Jews very scientifically.

The overall character of the CNO is to denounce the Holy Quraan revelations absolutely mischievously.

4

INTERNATIONAL MONITORY FUND (IMF)

And-!

5

THE WORLD BANK

These two blood sucker organizations are also in the devil hands of the terrorist Veto power nations. I know nothing about their structural formation and operation at all.

An American who was ex-employee of these terrorist organizations has written a book like the "Stowdon" an ex-spy of the American terrorist CIA Department.

The World Bank American ex-employee has exposed the terrorist activities of these two organizations very massively.

1. How the people are enrolled in these two organizations?
2. How they are coached to terrorize the rulers of the third world poor countries/nations?
3. How the poor countries are trapped for world bank loans?
4. How the poor countries are forced to accept such terms and conditions which are ever against their developments. The Veto power terrorist nations and their European Allies can never match the prices of their industrial products with the poor nations prices at all.
5. So, they force the poor nations to increase prices of their Fuel, Gases, and Electricity. So that the cost of their industrial products goes up and they are unable to match the industrial trading of the Veto power terrorist nations, very miserably.
- 6. The poor nations are forced to drop the value of their currencies.**
- 7. So that their raw materials/commodities prices go down.**
- 8. And the terrorist veto power nations and their allies can loot their products highly cheaply.**
- 9. In this way, the poor people of the poor nations will remain for ever hand to mouth, and could never be able to think beyond the poverty for their prosperity, which is the base of the integrity and solidarity of any nation basically.**
- iii. The poor people/nations are ever fighting among themselves.
- 10. And they are ever available very cheaply to the foreign agents for the conspiracy against their own nation, quite innocently.**

6

INTERNATIONAL OLYMPIC COMMITTEE

The homosex flag barrier. Mr. Diglas, the Chairman of the International Committee has taken the serious note of the Russian Pole Volt world Champion Elena's statement, in which she has condemned the homosex, an absolutely heinous fornication.

There are going to be the European Olympics games at "Chasee" Russia in the next year 2014. Most of the European countries have threatened Russia to expose the homo-sex there, otherwise, they will boycott it surely.

The Russian President had to agree over it last week, Oct-2013 lastly.

Have you judged it here how deadly the Christians/Jews, non-Muslim nations are committed against the Holy Quraan/Islam/Muslim nation, jointly.

We can well imagine from it, how strongly (European and American) the Jews and the Christians are committed for the homo-sex, because it is condemned in the Holy Quraan/Islam very severely.

So for so, some people/ladies are hired by the American Embassy here, not to propagate only but to stage some shows also, in favour of the homo-sex in the Pakistan at Islamabad recently.

7

THE DEATH PENALTY ABROGATION BY THE CNO

It is another conspiracy of the CNO against the Islam, as the Holy Quraan declares, the teeth against the teeth, the ear against the ear, the arm against the arm and the life against the life punishment, very strictly.

Anyhow, I salute the Muslim stupid rules, as they are carrying the effigy of the Islam over their shoulders/heads, under the command of the CNO, most faithfully.

CHAPTER NO.46/2

[B]

THE SAUDI CERTIFICATION OF MY HUE AND CRY OF THIS CHAPTER

[1]

Saudi Arabia is nominated the butt man/dummy member of the Security Counsel/CNO (the enemy of the Muslim nation) for the starting session of 2014.

It is not very astonishing but unbelievable also that Saudia has refused to accept the membership (dummy) of the so-called Security Counsel/"CNO".

Saudi Arabia seems to be the trump card of the (CNO), the American and European Christian nations among the Muslim countries. How terrible the CNO and the Security Counsel character has gone so highly unbearable wild for the Muslims all over the world, that even the Saudia has to say no, for the devil Security Counsel membership, absolutely bluntly.

CHAPTER NO.46/3

[C]

[2]

The Daily 'AWAZ' Lahore-Pakistan certifies my book's note

Special Report

What the game the American/European, CNO (UNO), NATO, The Christian nations have played over the Muslim world, is shortly discussed in its dated 20th October, 2013, issue.

And their near future plans are also exposed in its column that all certify my chapter here in this book.

[3]

Qatar has backed up the Saudi stand over the Security Counsel seat refusal. This is also a certification of my view, and a stamp on international truth that-!

The CNO (UNO) so-called Security Counsel, IMF and World Bank are the dens of the anti Muslim/Islamic nations, very surely.

I am sure our Civil/Military rulers have hundred percent (100%) more information than me/common man, and they are more alert than us, definitely.

Iraq, Tunis, Libya, Missar, Afghanistan and now Sham fell to the evil nations/CNO, NATO, Security Counsel, European Union, very cheaply.

The devil Americans air lifted the explosive tankers from the Libya first and Sham is being white washed by them now currently.

Libya, Missar and Sham were the three countries, who had a little life to crumble over their knees in the Arabian Peninsula, which are shifted over the stretchers with their

serious injuries, under the banner of the Islam in the name of Shatan Mullahs forever now most mischievously.

PART - 9

CHAPTER NO.47

CONGRATULATION FOR THE UNO/CNO BODY/MEMBERS

It is no more a hidden secret that the UNO is a Christian Nations Organization, the CNO actually.

1. It was founded by the Christian Nations.
2. It is ever governed by the Christian Nations.
3. It is the anti Islamic/Muslims organization basically.
4. It has ever tried to over rule the Holy Quraan, that is its basic agenda under the false banner of the-?

1. Human Rights
2. Women Rights
3. Children Rights
4. Etc.

I am not going to open up its Satanic story against the Muslim countries comprehensively here.

No, Sir.

I am going to remove its bogus Satanic veil from its criminal face, here!

1. Human Rights
2. Women Rights
3. Children Rights

The way it has inaugurated the opening ceremony of the Human Rights and the Women Rights which has converted the European and the American countries....

- i. Worst than the animals.
- ii. Absolutely naked.
- iii. The evil societies have emerged there.
- iv. So for so, they are playing the sex games with their mother, father, brothers, sisters, etc. most gladly.
- v. And Animal sex, also.

Those Satanic people are so proud of their filth that they call themselves.

The civilized nations, the advance nations

The (UNO) CNO has taken the charge of this Christians/Jews evilization, not to introduce only but to enforce, **the worst than the animals, the devil culture**, among the Muslim nation/countries absolutely satanically.

- i. Watch the David Peterson Satanic report of "BBC", that over seventy thousand (70,000) kids raping sceneries are loaded up on the website in the Europe only.
- ii. Over twenty thousand (20,000) such kids raping Satanic web sceneries are reported in the Britain only.
- iii. The Canadian nationals too, have shared the raping sceneries on the websites, a symbol of the Christian nations uniform character.

1. Does it not shine the CNO (UNO) Human Rights Charter?
2. Does it not illuminate the CNO (UNO) Children Rights Charter?

3. The Women Rights of the CNO (UNO) have already shun the eyes of the humanity very tightly around the world, with the tidy illumination rays of the dogs sceneries which are being carried on the shoulders of the European/American Prime Ministers and The Presidents wives most ceremonially. It is because you all are very proud of the animal sex collectively.

It must be a great time for the (UNO) CNO and deserve it fully also that we must congratulate it, with the thundering applause, on its evil success internationally.

[B]

It is a high time for the devil Muslim Rulers also, they too deserve the heartiest appreciations on the success of the Satanic CNO (UNO) Charter which they have replaced with the Holy Quraan most vehemently.

[C]

The Holy Popes/Vatican Empire also deserve the thundering applause congratulations on their successful launching of their evil charter that!

1. That the Christians/Jews are the children of god.
2. They are the Lords of the heaven too.

Mr. Popes and the Rubbies may face the protesting processions of their followers in their self-made heavens too, as their followers may demand dogs and bitches for their favorite sexual honeymoons there very anxiously.

The Mullahs/Popes of all the nations must be on high alert of their evil misdeeds which they/you are going to encounter just nearby on the resurrection day, very surely.

CHAPTER NO.47/2**HEARTIEST CONGRATULTION FOR THE
CNO (UNO) BODY MEMBERS**

It is really a very exciting time for the CNO (UNO), its effort have brought ample sweet fruit for it.

1. Human Rights
2. Woman Rights
3. Child Rights

The charter/draft of the CNO (UNO) has prospered most splendidly, at least in the America and Europe very encouragingly, really. The American and the European are the founder of the CNO (UNO) and they were the champion to table this resolution most vehemently.

The main purpose behind this evil resolution was to over rule the Holy Quraan/Religion Islam absolutely mischievously. I table here a congratulation resolution on the success of this CNO Charter.

1. The American and the European women have gone so wild under the banner of this charter that they have not gone absolutely naked only, but their fornication sceneries in the main streets openly, have become the most exciting fashion of the day, nowadays there. This is what for the human rights and the women rights charter was tabled in the CNO? The Christians and the Jews wanted to crush the religion Islam under this evil banner.

But they have gone so wild under this evil/shatan banner, that their men and women have left no more attraction for each other at all there.

- i. **They are running after the dogs, bitches, monkeys and the donkeys, very crazily there.**
- ii. **The homo-sex is the official chastisement by the rage of Allah Almighty there.**

What a great chastisement is this, which is showered upon them/you by Allah Almighty personally?

Worst than the Animals/Goyams:

This verse is revealed in the Holy Quraan repeatedly, and it is there in the Ingil, Bible and Torah too, surely, which are the people who are worst than the Goyams/animals?

The American and the European are the most modern people. Most advance people so they are the super human beings. This is what the Satan has taught them most authentically.

1. They are the super human since they have switched over to the animal sex.
2. They are the super human since they are homo-sex crazy.
3. They are the super human, since they are the kids raping masters.
4. They are the super human, since their bishops even have declared, that they are the flag bearer of the homo-sex.
5. They are the super human, since their churches are engulfed with the homo-sex merchandisers.

Anyhow, after these all excellent achievements of the CNO (The Jews and the Christians)...!

I congratulate the CNO (UNO) Body/Members over the Child Rights massacre, whole heartedly.

The child raping over the website is the top most ceremonial gift for the CNO body/members nowadays.

This is what the David Peterson of the BBC reports. Over seventy thousand (70,000) such heinous scenes/pictures are played on the website of the Europe.

- ii. About twenty thousand (20,000) are displayed in the Britain only.
- iii. Are these figures total and final completely.
- iv. The Canadians have also surged up in this kids raping website sceneries very heroically.

What about those people who were raped in the Churches/Vatican empire during their childhood there. They have been marching on the roads in processions around the world, and the honorable Pope Band-Cutt had to quit the holy chair of the holy Vatican city very shamefully.

Were those people also included in these websites?

1. Those poor children/people were the old army of the Churches/Vatican empire.
2. Could you please come up with the latest score of your holy Bishops/Churches, please?
3. You could get help from the South African Bishop Tou Tou & American lady Bishop Rev-Mary Bakie Sandara most coordinately.

Alas!

No body has ever paid attention on the Nuns miserable conditions, the poor scrap goats.

If the poor people are running over the roads against their raping during their childhood in the Churches, then what could be the horrible conditions of the poor scrape goats/The Nuns there? Are not they the most easy prey of the Priests in the Churches there?

- Who will take care of them?

- Will you take any such survey of their miseries?

A board must be set up to chalk out their miseries!
Before the extreme rage of Allah Almighty.

Will Allah Almighty not chalk out the list of their hunters?

Anyhow, I congratulate the CNO (UNO) members/body whole heartedly really!

1. Over the wonderful achievement of the women rights.
2. The human rights.
3. The Children Rights.

Any person from my nation who so ever tried to dump/rule out the Holy revelations of Allah Almighty, was ever ruined absolutely miserably.

If you doubt about my wordings, please go over the website and watch the most shameful funeral parade of the American/ European evil culture there personally.

Good Bye – Bye

CHAPTER NO.48

THE STUPID MUSLIM RULERS ARE CRUSHING THE ISLAM/HOLY QURAN UNDER THEIR EVIL FEET

When we go to a market to purchase some apples, water melon or bananas, we buy it due to their shape/face, colours, particularly.

1. Why don't we purchase some tomatoes instead of an apple? Although their shapes and colours are somewhat identical?
2. Why don't we purchase some sort of stones instead of the peanuts.

Moreover, if the out look of something is not good, how the hell it will be internally very pleasing?

1. Will a rotten banana be internally very delicious and tasty too?
2. Will you buy a rotten mango, guessing that it must be very high class internally?

So for the identity/sunna of the Muslims is concerned, its guarantee, priority, Allah Almighty has repeatedly exposed of in the Holy Quraan.

- **Attie-ur-Rasool-Ullah**
- **Fata-bay-ow-nie**
- **Muslims must adopt Us-wa-ey-Hus-na**

The Sikh generals in the Indian army are always with a beard and a turban on their head, highly proudly. Same goes to their Sikh Prime Ministers.

All the Muslims state of heads and generals whether they are Arabs or Non-Arabs, when they stand nearby some Indian Sikh, a military, police or civil officials, seems to be some magicians./pagans/pageants.

It is a shocking seen for all the practical true Muslims around the world, absolutely. It is not shame for our state of heads because all of them have gone shameless, but it is really a shame for all the Muslims internationally.

Our state officials have brought a disgrace to our nation, "The Muslim" internationally. They all have become a symbol of disgrace for our great nation, "The Muslim" permanently.

- i. The dictatorship is a major anti-islamic evilness which is ever condemned in the Holy Quraan by Allah Almighty personally. The Pakistani Military Rulers have brought some basic major changes in the Muslims Islamic Laws.
- ii. They have written off, even the Islamic teachings from the educational text books, on the dictations of the American/European (Jews/Christians) the CNO (UNO).
- iii. A major basic change is brought in the services, where women are supplied, even to the fighter pilots too, to keep the fliers dozing in the flights most amazingly.
 - a. The rangers are blessed with the women to

keep the trenches warm in the winter and cool in the burning summer, most pleasantly.

- b. The policemen too are gifted with the sweetheart women who will bursh off, the fear of the terrorism, from our holy police officials.

A police woman was caught with a knife at the assembly hall gate, in the "Benazir" regime, who gave the statement, that she keeps it with her in the defence of the sexual assault of her police comrades.

Some police women reported at Lahore in 2012 that they are being deputed to some of the officials and the wealthy people, to keep their dreams sweet meat absolutely joyfully.

Hay Allah Hay

All the Arabs have abundant the turban, on their heads collectively. They are taking a veil like a little baby, highly disgracefully.

1. The Arabs Rulers have also allowed their women to join the Olympic games last year 2012, under the UNO/CNO pressure lastly.
2. They have gifted their women to the rangers also in their trenches.
3. They have gifted their women for the hotels/restaurants' sweetness, under the UNO/CNO charter, recently.

- | |
|---|
| 4. The Arabs may be the first country among the Muslims to inaugurate the women |
|---|

wrestling/boxing bout on the TVs, the world over by tomorrow very surely.

a. Because, the (UNO) CNO charter is a greater scripture than the Holy Quran.

c. And the Americans/Europeans are their two live gods currently.

Your great Excellency, you claim to be the symbol of the Islamic authority all over the world.

I am ashamed of you, Sir.

Good Bye

One thing is very clear that there is not, even a single Islamic country on this earth, presently.

- Islamic identity for all of us as per our Prophet Muhammad, Silat for him, is a must, otherwise, faithfulness is absolutely doubtful very clearly.

There are two types of Islamic identity defaulters among the Muslim nation nowadays.

1. They are the defaulters of the Sunna identification and are the slave of the satan/Iblees, completely.
2. The second group is a murderer/killers of the Sunna, the Islamic identification, whom the Arabs are leading very proudly.
3. The Arabs beard is very clearly a daring blasphemy.

They seem to be the jokers/cartoons of the Muslim community. And the Arab rulers are the leaders of their joker community. They are not followers of the Prophet Muhammad, Silat for im, but they are the mared of the Mullah Wahab, completely.

- Another main basic reason is that the Muslim rulers are the dictators all over the Muslim World, permanently.

[2]

**AN ARAB WOMAN "REHAM" MOUNTAINEER
OFFICIAL AWARD**

The devil "Reham" mountaineer is awarded medals and cash money too, for her vagrancy evil achievement, very recently..

[ii]

They have also garlanded it's a devil woman, already who took part in the horse race at Qatar last year.

The Arabs so-called Muslim Rulers, are tearing apart the Holy Quraan, to please the American/Christians/CNO, etc.

A safety lock for their chair.

The CNO (UNO) Charter has played a massive havoc of humanity values. Is it greater than the Holy Quraan, the Holy King Jee and Mufitie Jee?

You are crushing the Holy Quraan under your feet/chair, but roaring in your annual speeches, what for-?

Is Allah Almighty not watching your double standard, sir-?

CHAPTER NO.49

WHAT WE LEARN FROM ISLAM/HOLY QURAAN

MULLA/SHEIKH-UL-ISLAM/MUFITY JEE

There is a lesson for us before its touching even Mullah Jee, that -!

1. Dress yourself in neat clothings.
2. Take Wozzo (ablution) neatly.
3. Choose a neat place for its recitation.
4. Cover your heads properly.
5. Face to the Holy Kahbah (Makka) Mukarma first priority.

We can well imagine from it, what does it means?

The Holy Quraan is a speech/message to us, "The human beings" from Allah Almighty.

1. What is that message?
2. What is the necessity of its reciting.
3. What is the need of its "Hifiz" "Memory"?
4. Why should we become "Alam/Fazal"?

Are these all questions/subjects in your Deenie Darases, Mullah/Mufitie Jee?

These chapters are not at all in your syllabus Mullah Jee..

I am hundred percent (100%) sure of it that hardly any of you is having the knowledge of these questions at all.

I leave everything aside here, do you remember the recitation case of the Hazrat Abu Bakar, Silat for him, very well, which you all have taken it, other way round evilly?

That is reciting the Holy Quraan loudly.

No, not at all. That is not the case.

[1]

Hazrat Abu Bakar, Silat for him, used to fear in the recitation of the Holy Quraan so severely that he used to start shivering and weeping in such a hysterically way that his voice used to go up unintentionally.

The Mullahs have learned from this, recitation of the Holy Quraan loudly, and had left out the main theme/sole of this Holy characteristic, as usual absolutely foolishly.

[2]

1. Was not this same case with the Umer, Ali and rest of the devotee companions of the Holy Prophet Muhammad, Silat for him?

Why they all were in such a hysterical condition, in recitation of the Holy Quraan, particularly.

- i. Extremely whole hearted belief in the Diviness of Allah Almighty.
- ii. Extremely firm belief in the truth of the wordings of the Holy Quraan/Allah Almighty.
- iii. "The fear of Allah Almighty" is one of the absolutely primary lesson of their recitation of the Holy Quraan.

[3]

The Educator of the whole humanity "The Holy Prophet Muhammad, Silat for him" demonstrated it himself practically (on the stage) in his recitation, during the prayers even, extremely vehemently.

He used to weep so loudly during the recitation of the Holy Quraan in the prayers that even the last rows of the Commune/"Jammat", used to here it very clearly.

When our Holy Prophet Muhammad, Silat for him, was weeping very loudly in his prayers, what could be the role of his devotee followers, Mullah Jee?

The Holy Quraan teaches us basically-!

1. Fear from Allah Almighty.
2. Extremely humbleness.
3. Begging immunity whole heartedly round the clock from alone Allah Almighty.
4. Praying Allah Almighty most fearfully round the clock permanently very regularly.
5. Pay our all dues too, permanently very regularly.
 - i. Parents rights
 - ii. Children rights
 - iii. Husband and wife rights
 - iv. Relatives and neighbourer rights, too.
6. Pure earnings and its massive distribution among the needy relatives, poors, orphans, widows and disabled/deceased people etc.
7. Never harm anyone.
8. Do not take anything illegal from any of the individual/relatives.
9. Mullahs Gee-!

This Hideos is in my book only or it is in your books too-!

[4]

- i. **That a devotee companion.**
- ii. Who was the servant too, of the Holy Prophet Muhammad, Silat for him.
- iii. And was a member too, of the Muslim force, in the Khandaq War.
- iv. He was serving the camel of the Holy Prophet, Silat for him at that time, when-!.
- v. He was hit by an arrow and died there and

then in the battle field/itself.

The people started mourning over his death and saying, he is a Shaheed, he is a Shaheed, he is a Shaheed. But when this news came to the Holy Prophet Muhammad, Silat for him, he said-!

He is not a Shaheed at all. He is a hell merchant, surely.

All the people/Muslims were stunned over this declaration. All the people gathered around the Holy Prophet Muhammad, Silat for him and someone dared to ask him-!

Why has he gone to the hell?

"He stole a cotton sheet from the national treasure (asset), he observed".

All the services for the Islam?

All the services for the Holy Prophet?

All his scarifications for the Islam.

1. He might have left his parents for it.
2. He might have left his wife and children for the sake of Islam.
3. He must have been beaten away from his home, family, village, area, country for the cause of the Islam.
4. He might be seriously wounded in some previous Islamic Wars.
5. He might have been hungry and thirsty for the Islam.
6. And so on, numerous scarifications, devotions and hardships.

7. Above all, he might be a Hafiz too.

Alas!

Everything is washed off for just a single piece of cloth only. But the head Mullahs/Popes of our sectarian

deenie madrasas are distributing the heaven medals among their Hafiz/Alam/Mufties students, very lavishly.

1. Who never know, what is a Imamat?
2. They are ignorant even of the Mo-azan/Azaan too.
3. They are staying in the masajid alright-! But even then they never pray five time there regularly. Because they have learned it so from their head Mullahs/Popes/Sheikh-ul-Islam personally.

Each and every of the new coming Hafiz/Alam is running in search of their personal Deenie madarsa-! Which are a good business centre nowadays.

A stock broker.

Everyone is carrying a "Jahad" flag in their hands to hoist it over their newly expected deenie madarasa/personal masjid. Again it is another top class business center for the deenie devils.

All the efforts are to collect by hook or crook, the rubbish money and become a religious landlord/tycoon, hurriedly.

It needs a big volume over some thousand pages book to cover a little bit role of our deenie devil lords/popos nowadays.

In short-!

All the deenie dens in the name of Islam must be blotted off totally. And a committee may be formed to establish such deenie darses which may take the Muslim nation assure safely.

Thanks.

Allah Hafiz

[5]

Sheikh-ul-Islam/Hidees/Mufitee Jee, you all are absolutely blank about the religion Islam, practically. You all know nothing about the-!

- The Masjid
 - Imamat
 - Mo-azan
 - Azaan
 - Prayer
 - Zikat
 - Jihad
 - And what else you know
- i. You all are sucking the shit in the name of Zikat.
 - ii. You are kidnapping kids/girls for Jihad.
 - iii. You are making the kids suicide bombers.
 - iv. Were they enrolled in your butcheries for the same purpose?
 - v. Did you inform their parents about your this devil game/Jihad?
 - vi. Do those kids know about Jihad?
 - vii. Are the prayers obligatory for the so small kids?

[6]

8. When the prayers are not yet obligatory for so small kids, then how do you push them on such evil death missions.
9. Do you know what would be your fate on the requital day?

This all above indicates that our masajid and deenie darses are in the grip of the devils nowadays, completely.

[7]

You all are enemies of the Islam/Muslims practically. This is what the (butchers), Popes and Rubbies have played the hell with their Christian and the Jewish nation absolutely foolishly.

Anyhow-!

[8]

Your speeches on the loud speakers are absolutely supper really. No body can compete you at all on this earth very surely. When you dance/long/wrong march on the roads, that too is highly classic absolutely.

I congratulate you all on your such evil national/international dramas whole heartedly.

Good Bye.

[9]

I won't say anything about the kids raping/homosex here. I am sure you all are very poise people, and believe in your holiness completely.

1. But some stupid news men keep on decorating their news papers with such evil stories very occasionally.
2. Your children are silly really, they too, sing such evil stories in the general public and to the doctors very miserably/weepingly.

[10]

Anyhow, I believe in your bravery and I am sure, none of you will go ever so mad like the Pope Band-cutt and close your evil dens absolutely shamefully.

1. No, no, not at all, you are the brave people-!
2. You have not your parties only, but you have the central joint committees, too-!
 - i. To blackmail the rulers.
 - ii. To go on the long/wrong marches.
 - iii. And hoist the flag of your holiness jointly.

But what about the sacredness of your personal/occupied darar masjid?

What about the fate of those poor people who

pray in your leadership absolutely blindly?

Anyhow,

Good Bye Mullah Jee, Good Bye

Mr. Sheikh-ul-Islam/Hidees/Muftiee Jee

You sing sweet songs on the loud speakers, what for?

PART-B

[1]

The Holy Prophet Muhammad, Silat for him, carried the luggage of an old woman on his head-!

- Have you ever tried yourself to stage such a drama?
- Why not?
- Did you ever take your students to stage such a drama for their coaching?

[2]

A Makkan lady used to throw garbage of her house on the Holy Prophet Muhammad, Silat for him, daily. She fell sick one day and our Holy Prophet Muhammad, Silat for him, not knocked only on her door but gave her water and treatment also.

- Have you ever tried yourself to stage such a drama?
- Why not?
- Did you ever take your students to stage such a drama for their coaching?

[3]

The Holy Prophet Muhammad, Silat for him, offered a bowl of milk to his about one hundred (100) devotees, who took it whole heartedly! And then our Holy Prophet Muhammad, Silat for him drank in the same bowl at the end all of them lastly.

- Have you ever staged such a drama with your students, too?

- Why not?
- No, not at all.
- Never
- Are you then devil or Sheikh-ul-Islam/Hidees, Mufties Jee, Sir?

[4]

A stranger non-Muslim stayed his guest in the holy masjid.

- Have you ever taken such risk.
- No, it can never be in your fate.

[5]

That stranger guest made shit in the Holy Madanie masjid. The Holy Prophet himself cleaned his shit.

- Have you ever demonstrated such a scene to your students?
- You all are crazy of wealth basically.
- You all have converted the masajid, "a business center".
- You are the businessmen basically.
- You are the stock broker actually.
- You have commercialized all the masajid/deenie madaras personally.

Leave this all aside.

[6]

Are not you all in the search of any grave? It may be of any donkey, to build a tomb over it.

Is not it true peer jee/shah jee. This is an easy stair to become the non-prayers super Mushaikh who have never turned up in their life in any of the masjid. You may take it against your evil prestige?

Thanks God, you do not step in any of the masjid, and do not ruin its sacredness.;

(7)

Our Holy Prophet Muhammad, Silat for him, always used to say Islam first, irrespective of any cast and crest to every body permanently. Mullah/Allama, Mufitee/Sheikh-ul-Islam, Hidees, Peer, Shah, Mushaikh Jee, have you ever taken risk even once in your whole life, Pundith Jee?

No, not at all.

Then what do you teach in your devil so-called deenie madarasas/masajid, Mullah Jee?

What type of that Islam is, which you all are sweating hard to enforce in the Muslim countries?

1. Do you not mean it chair only?
2. Some sort of power only.
3. To be a Minister or Masheer by hook or by crook very crazily.

This is what your Islam basically. Power and Chair is.

[8]

The Holy Prophet Muhammad, Silat for him, manufactured some matchless majesties, in very short period of ten years only, like-!

1. The Great Bilal, Silat for him.
 2. The Great Abu Hanifa, Silat for him.
 3. The Great Abu Hurara, Silat for him.
 4. There are several thousands such supper most + matchless jewels which he molded in just such a short time, ten years only.
- Have you created, even a single dummy such personality in your dens, since last half century?
 - Have you climbed yourself to touch the holy feet of the Abu Hurara?
 - Have you ever wished it so?
 - Are not you producing sectarian terrorist dogs only in your dens?

- Are not you moulding suicide bombers in your dens?
- Are not your dens a homo-sex trainers?

What the hell you all are not playing in your dens in the name of the Holy Quraan and Islam absolutely evilly.

These your dens must be destroyed totally.

The devil Syed, Shah and Peer Jee must quit their evilness! And open their houses for the teaching of the peace and prosperity of this great Muslim nation once again, absolutely most traditionally.

Can you all do it, Sir?

Will you ever do it, please?

Hay Allah – Hay – Hay –

PART-C

Attehee-ur-Rasool-Ullah/Sunna/Characteristics

How many time Allah Almighty has repeated it in the Holy Quraan?

- Are not you all enemies of the Sunna?
- Are not you all enemies of the Islam?
- - Have Not you all destroyed the Holy Sunna absolutely.

Look at your Beard:

- Are not you all a cartoon only over it absolutely.
- Have not you destroyed it completely?

Look at your head dress/Amamah:

Everyone of you is carrying the topees/caps – the Hindoos/Jews dress. You all hate Amamah absolutely mischievously

Hay Allah Hay

PART-D

The Holy Prophet Muhammad, Silat for him, has not only condemned it very severely but declared hell for him also, who takes money/reward for teaching the Holy Quraan.

But what have you done?

You have not opened the deenie madrasas – but those are your business centers absolutely. Those are yours money markets. Those are your stock exchanges primarily. You all are deadly enemies of the Islam absolutely, but even then you all are the grand Popes/Sheikh-ul-Islam/the Masheikh/Peer/Shah Jees.

Hay Allah Hay

Hay Allah Hay

Sleeping not allowed in the Masjid

Alas-!

1. Most of the Masajid are carrying this board on their front faces.
2. The people are still praying in the Masjid and the Mullahs their kids, start banging/closing the doors absolutely evilly.

The Lock on the Doors of the Masajid

All the Mullahs are very proudy over it, because the keys are in their pockets.

Is not it a severest chastisement of Allah Almighty, Mr. Mullah Jee?

Hay Allah Hay

[1]

As-ha-bey Suffah

About one hundred (100) disciple people were lodging in the Holy Madanie Masjid permanently, due to which they are honoured with the ever lasting matchless title of the Is-ha-bey Suffah in the entire Muslim history.

[2]

Staying in the Masajid for the Longer Hours-!

- i. Is the apprenticeship of the Is-ha-bey Suffah.
- ii. It is one of the shining characteristic of the Olya Allah/Saints, which has turned the Muslim Popes an abuse nowadays.

Hay Allah Hay

[3]

Oh - Abu Turaab

This symbol is the matchless title of the Caliph Hazrat Ali, Silat for him. He was sleeping on the un-cemented matless floor of the Holy Madanie Masjid. He was sweating, so his body became dusty there. In the meanwhile, the Holy Prophet Muhammad, Silat for him, came over there and called him, Oh-!

Abu Turaab

[4]

The Holy Prophet Muhammad, Silat for him, was sleeping in the great Holy Madanie Masjid. He got up on the arrival of the Hazrat Umar, Silat for him, who noticed the spots of the palm leaves over the body of the Holy Prophet, and his eyes started dripping over this scene.

Subhan Allah

Look at the evil character of the Muslim Popes, what the hell they are playing with

- (1) The Religion Islam
- (2) The Muslims
- (3) Masajid, nowadays

[5]

The Muslim travelers used to stay in the Holy Masajid enroot on their way, since the last fourteen hundred (1400) years.

Hay Allah Hay

Have not you all uprooted the basic religion Islam most foolishly.

The reasons of your evilnesses may be,.....

Our Imam Masajid/the prayer leaders were hardly Molvi Jee/Mian Jee in those days very simply.:

Whereas, not 14th but the 15th century's new generation Mullahs have climbed up so massively that-!

They have captured the heavenly posts of the Sheikh-ul-Hidees/Islam, Allama Jee, Mufiite-e-Azam, Khateeb-e-Azam, Doctor, Zakir, Scholar and and and.....

many other devil degrees/medals diploma are hanging over there. They have climbed up further to the Masheikhh Empyrean post.....!

From where they land on the stage of the Masajid directly weekly and – and - and.....

Then they go off from there on the long/wrong marches/the jolly trips, on the foreign or the local generals whistles, all over the Muslim world very faithfully absolutely poisenssely.

Hay Allah Hay

1. Have not you all uprooted the Islam completely?
2. Are not you all the enemies of the Islam?
3. Are not you all the enemies of the Muslim nation internationally?
4. Are not you all the enemies of your all Muslim countries?
5. Are not you all the hypocrites?
6. And, and

Hay Allah Hay

Congratulation all Muslim Popes Jee

A Television channel has broad casted live all over the world that-!

Your world champion Sheikh-ul-Islam is not only sitting in the feet of the Christian Pope at the Vatican Empire but bestowing his feet also, most humbly.

1. What a historical world class your this achievement is?
2. This is not your first and final gold medal.
Your Khateeb-e-Azam, Mufitee-e-Azam has once already bestowed the holy 'Dayna' in the Badshahie Masjid most humbly.

The Christian Pope is the flag bearer of the-!

1. Son of god.
2. Trinity.

3. He is not polytheist only but Idolater also.
4. The homo-sex flag is flattering over his chair.
5. His holy chair has delivered an illegal pregnancy already.
6. And what else not?

So, this is absolutely a high time for you the world over, I should not take it at all niggardly.

So, I congratulate you all, the world over, not very vehemently only but absolutely humbly also.

There is no body else enemy of the Muslims except you. None of the non-Muslims has ever harm the Islam/Muslim nation except you.

THE HOLY QURAAN TEACHINGS – PAYMENTS

When I was a child yet, a man from Sialkot-Pakistan, shifted in our area and opened a deenie madrasa here.

I had the information that he has deserted his family and lodged here helplessly.

I remember it very well that the students of that deenie madrasa used to beg door to door daily/weekly and seasonally too.

An unknown man introduced me, that he is the grandson of the Lord of that deenie madrasa, recently.

1. He disclosed that his grandfather has distributed five (5) kg gold among his sisters/daughters.
2. He has lately build multiple storey building too.

The Holy Prophet Muhammad, Silat for him declared hell for a person who teaches the Holy Quraan and charges/collects any type of bouty/reward/money for it.

Whereas, you all have build the empires not here only but internationally too,-! Under the banners of the deenie madrasas, highly proudly. You have opened the universities under the banner of the deenie madrasas, which are working

as the stock exchanges nowadays. You are honoured with the foreign nationalities too now.

The Holy Prophet Muhammad, Silat for him, had billions in his treasures occasionally, but he did not erected any multiple storey buildings at all there.

His daughter approached him for some relief, but she was turned back very flatly.

All the Prophets are by Birth Innocent

Super Human Beings

Look at the devil Popes & rubbies evilness.

[A]

1. They have altered the heavenly books Torah, Bible and Ingil so massively, that they have splashed all/most of the Prophets lives very bluntly.
2. Whereas they have declared the homo-sex shatans, the Jews and the Christians, the children of god.
3. And the heavenly lords too, most gracefully.
4. they have divinized themselves, near about gods, for their nations.

[B]

The devil Rubbies and the Popes claim themself the holy and the celibacy champions too-!

But they have shattered the Chastity, Celibacy and Holiness of Allah/God Almighty and declared-!

That Allah Almighty has a wife and a son also.

- What a madness is this?
- The devils/shatans even, have not dared it so?
- How criminal these people are?

Any noble gentlemen-! Who has somewhat knowledge/sense? Can not dare even, to touch the current Bible, Ingil and Torah at all.

They are so massively altered absolutely evilly, madly.

CHAPTER NO.50

HOW BENEFICIENT AND MERCIFUL GOD/ALLAH ALMIGHTY IS?

It is an endless subject.

All the creatures including the human beings and jinns can not explain it, even partially too.

Any how, I invite the attention of all the nations here including, the Muslims and the non-Muslims to realize their stupidity, in ignoring the great Merciness of Allah Almighty over us here.

Allah Almighty drew the attention of all the angels and jinns/satan/iblees, that He intends to create a new creature, "The Man".

Every one of the audience argued to avoid its creation.

Any how, Allah Almighty created it and proved it superior to all the other creatures, very surprisingly.

(1)

*One thing particularly to note here is?
That "Adam Silat for him" the human being was
created to settle on the earth,*

but he was lodged in the heaven, first, why?

What is the doctrine behind this incidence?

The MERCIFULLNESS

*Watch the very high tide of the mercifulness behind this
Graceful Doctrine*

Adam Silat for him, remained in the heaven, quiet a long time. He entered in it alone. His couple "Hava/Eve" Silat for her, was too, later on created there.

What this Whole Story is?

The hell nearby it, was not even shown to him, but he was lodged in the heaven for quite a long period, why...?

1. I claim, he was taken to the heaven, on an un-scheduled trip, to familiarize him with its colorful glorious beauties..... so that he keeps on struggling and sweating for it throughout his life on this earth, for his re-entry into it, by all means.
2. He should tell the sweat, sceneries of it, to his children/decedents, who should also keep on trying their best, in their whole life for its allotment.

What a great logic behind this was?

Is not it so, Mr. Popes and Mullah Jee?

(2)

The Adam (Silat form him) committed first time a very minor mistake which was not ignored and was shunted out of the heaven on the earth very instantly.

What does this incidence conveys the message to the humanity Mr. Popes/Mullah Jee?

1. Adam, Silat for him, was a Holy Prophet.
2. He had no chance of committing any sin/crime there.
3. He was free from all sort of the illusions there also.
4. He committed a mistake there absolutely unintentionally.
5. Which was not ignored by Allah Almighty.
6. And he sent him on the earth to face a very miserable life here.

What does this message/lesson, the whole drama carries Mr. Popes, Rubbies, Mullah/Pundits Jees?

If a Prophet is not ignored and allowed to lodge in the heaven, after a slightest mistake, then how the hell you are dancing alongwith your stupid/satans students/followers/ mureeds on the roads,

(Peer/Shah/Mullah/ Pundits/Guru/Popes/Rubbies Jee)?

Is not it, Mr. Popes of all the religions that you should remove your satanic gowns/miters immediately and start begging mercy extremely humbly, to save the skin from the flaming hell fire, absolutely gracefully?

MONOTHISM

Let us embrace the Truth oh men

Allah is all alone and only one

He has no parents and wife, so no Son

He is the Lord, The owner of this universe, else none
Creation, Generation, Rotation, only He knows the fun

He says go, rest everything is done

Each and everything prays to Him alongwith the sun

Let us embrace the Truth, oh men

Allah is all alone and only one

He has no parents and wife, so no Son

**MR. POPES, MORTAN LOOTER KING COULD
HAVE BEEN A GREAT BARRIER AGAINST YOUR
CURRENT SHAMEFUL MISERIES**

All type of Christian or the oppositions are always a guidance and improvement, in the basic rough structure of all type of the human doctrines.

All the doctrines are like the buildings which need repair, maintenance and alterations too, permanently.

Two Germans raided the Vatican Empire and destroyed it each time very massively.

They were....

[1]

About one thousand (1,000) years ago, the Pope John 6th, who was a lady but anybody could purchase the heaven from the Popes.

The size of the heaven or its numbers, depended up the weight/amount of the currency or the weight of the gold directly. The poor people were being kicked off there by the holy Popes.

And the stock brokers/the richers were busy in shipping the heaven on their bulky trailers there.

The Popes did not realize their usual shatanic mockerliness there. Their rage went up and did not declare him an enemy of the Christianity only but awarded him burning (in the fire), punishment also.

Mortan Looter King started weeping, crying, mourning/howling, over the shatanic open brokerage of the heaven there universally.

I mean to say here is-?

The l
Had t
avoid
how,

311

could
s. But

Mortan Loother King was another clergyman, that too a German again, in the fifteenth (15) century.

Who too, raided the Vatican Empire very aggressively?

But he fell fainted due to the bad smell of the devil Popes Shatanic mockerliness there.

1. The heaven was on sale in the Vatican Empire.
2. The Popes were its broker/auctioneers.
3. Those fools were the managers of its stock exchange there captured the Vatican Chair absolutely mockerly.
4. She blasted off the Vatican empire and proofed that the man made doctrines are always bogus, so full of blunders really.
5. So the holiness of the Popes is
 - ii. Because she developed paramour relations with the cardinals and got pregnant in the Vatican Chair.
6. So the Vatican Chair's holiness is on ever fire.
 - ii. She shattered its structure horribly and proofed that the webs are never trustworthy.
